THE BEAVER DAM DIFFERENCE

Service-Minded

We will serve our clients with a humble mindset and provide solutions to their needs. We value healthy relationships so we can build trust.

Durability

Our furniture is built to withstand the harsh weather elements year around. It strongly represents durability, longevity and quality.

Design

Choose from various styles and designs that present comfort so you can relax with peace of mind. Our furniture is built with very minimal visible screws.

Niche Product

The unique coastal designs and other niche product we offer brings a beautiful touch to your outdoor dream spaces.

Warranty Options

Feel secured with warranties on our furniture. It is Beaver Dam showing confidence in the lifetime expectancy along with long-term satisfaction.

Hardware

We use 316 marine-grade stainless steel fasteners and swivels that will reduce rust corrosion, even salt water exposure. This ensures getting the highest quality product.

CREATING YOUR **OUTDOOR OASIS**

Living life outdoors brings a refreshment to your soul by taking in the beautiful scenery and nature of what our Creator has given us. So take a moment with your family or friends and sit around the evening campfire, watch the sunset or enjoy the faint breeze flowing through your porch. Wherever you may be Beaver Dam furniture helps you soak in the special moments, creating your outdoor oasis.

LIMITED WARRANTY

Beaver Dam warrants only products as indicated below.

FURNITURE

Beaver Dam warrants to the original consumer purchaser that its outdoor polyethylene patio furniture is free of defects of workmanship and materials. The warranty period is (20) years of residential use and (5) years of commercial use, with exceptions of certain parts explained below, from the date of sale. This warranty does not cover damage caused by unauthorized service or repair; alteration or abuse, normal wear and tear on materials, or any attempt to use the product in a manner or for a purpose other than for which it is intended. Beaver Dam will repair or, at its option, replace the defective product without charge. Should Beaver Dam choose to replace the product, and the product is discontinued, a substitute product of similar function and equal or greater value will be made. The sole remedy provided in this warranty is repair or replacement of this product. Any cost of shipping or handling will be paid by you.

Polyethylene may scratch during normal use, fade slightly from exposure to sunlight, or stain after prolonged contact with liquid substances. These conditions are not defects and are not covered under this warranty.

Stainless steel fasteners are warranted to not fail structurally for the applicable warranty period if properly maintained. Swivels are warranted for (5) years of residential use. This warranty does not cover rusted fasteners or swivels, or structural failure due to rusted fasteners and swivels, resulting from improper maintenance. Cushions are warranted for a period of one (1) year of residential use. Compression of cushions is not considered a defect.

To file a warranty claim, contact your dealer. Your claim must explain the nature of the defect and include your name, address, and telephone number.

This warranty gives you specific legal rights and you may have other rights which vary from state to state. As defined by federal law, this is a limited warranty.

PRODUCT CARE

All poly lumber products do not need to be painted due to being built with recycled plastics and pigmented colors. It will not splinter or rot, fading may happen very slightly over years.

CLEANING:

Pencil Marks - Use a mild dish detergent and water to saturate the stain. Rinse clean with water.

Ink/Marker - For tougher stains, treat area with a penetrating oil. Wipe off and wash clean with water and a mild dish detergent.

Grease or Oil Stain - Use a mild dish detergent and water to saturate the stain. Rinse clean with water.

Embedded Dirt - Use a mild dish detergent and water to saturate the stain. Rinse clean with water.

Wine - Use a mild dish detergent to saturate the area. Scrub with a soft-bristled brush. Rinse clean with water.

Chewing Gum - Use a mild dish detergent to saturate the area. Scrub with a soft-bristled brush and rinse clean with water. Coat penetrating oil over the area. Gently pry up on any hard pieces with a plastic putty knife. Utilize a soft brush and acetone solvent to remove any fine debris and clean out any crevices. Rinse area clean with water.

Bird Droppings - Use a mild dish detergent to saturate the area. Scrub with a soft-bristled brush and rinse clean with water.

Stains & Scuffs - A foam eraser sponge may be used for stubborn marks. Iron or Rust - For tough iron and rust stains, saturate with a heavy-duty rust remover and scrub with a soft-bristled brush.

When Using a Power Washer - If using a high-pressure power washer, do not exceed 1500 PSI. Please note, some tips may damage the product. We suggest testing on the underside of the product until satisfied.
