

Junior Domestic Summer Competition 26/27 - Girls

Attention Players and Parents

Can anyone identified as a coach or who has the capacity to help when a coach is away please complete the link below and register as either a volunteer or Coach, this is necessary as part of the new child safety requirements.

<https://www.playhq.com/basketball-victoria/register/53a708>

Please note that occasionally people click the box that they can coach without meaning to, if you have been identified to coach but are not able to please contact either admin@warrnamboolbasketball.com.au or Greg Gent on 0439 777 518

Each team is required to supply a scorer each week, this will be identified on the My Hoops app, please attempt to arrange a swap if you are unavailable or make sure you notify your teams coach

 	<p>Please use these QR codes to download MY hoops App. This will provide you with information on game times, allow you to complete availability and monitor scoring roster.</p> <p>If your child is unavailable please use the my hoops app to mark this on the app so the coach is aware. 📅</p>

Basketball grading is a vital part of creating fair, balanced and equitable competitions for all players. The purpose of grading is not to judge or rank an individual child's skill, ability or potential, but to help balance teams, grading considers the overall balance and competitiveness of teams, recognising that every team is made up of players with different strengths, experience levels and development needs. Parents can support this process by helping their child understand that grading is about creating the best possible competition for everyone, rather than being a reflection of their individual ability or worth as a player. Encouraging children to embrace their team placement, focus on learning and improvement, and value teamwork and sportsmanship will help create a positive environment where all players have the opportunity to develop and enjoy their basketball. Please encourage children to play grading games like all other games to ensure grading is as accurate as possible.

Grading is the 1st 2 weeks and results do not contribute to the overall competition. Children may be swapped teams on the night or right up to the final team release before week 3.
