

PLEASE ENSURE THE FOLLOWING INFORMATION IS READ IN FULL PRIOR TO VIEWING THE TEAM LISTS.

Warrnambool Basketball would like to formally thank all participants for their excellent endeavour, effort, commitment, and encouragement shown at the recent junior representative squad try-outs.

STATEMENT OF SELECTION:

In line with the appointment of independent coaching selection panels, every effort has been made to ensure selection is consistent and fair, and an individual's ability and commitment is recognised.

Congratulations to all who have been selected.

For those unsuccessful participants, there are options to further develop your skills and knowledge of the game. We encourage you to take up the opportunity to train with the various well-respected and experienced coaches we have in the area.

More information on training options contact: admin@warrnamboolbasketball.com.au

SELECTION FEEDBACK:

Our junior representative squad selection panels are more than happy to provide considered feedback on individual strengths and areas to work on. Selection panels (including coaches), however, will not be involved in direct discussions with parents/guardians over initial team selections.

To request selection feedback the following process **must** be followed:

- (1) Send an email to: squad@warrnamboolbasketball.com.au;
- (2) The appropriate selection panel will be contacted to access feedback; and
- (3) A formalised email response will be sent as a reply outlining the selection panel's feedback.

NB: Under no circumstances will there be any direct contact between parents/guardians and the selection panels (including coaches) via any form of communication (phone call, messaging, social media, in person etc). Warrnambool Basketball will also not accept or act upon any anonymous correspondence.

We ask requests for feedback to be received by Friday 11th July. Feedback will be returned no later than Monday 28th July.

Please email requests to: squad@warrnamboolbasketball.com.au

WHAT HAPPENS NEXT?

Before accepting your position, please ensure you as a player and your parents/guardians are aware of the expectations of participating in representative squad.

ACCEPTANCE OF THIS POSITION MEANS THAT YOU HAVE READ AND AGREE TO THE PLAYER AND PARENT DECLARATIONS IN THE “Warrnambool Basketball Junior Representative Squad Operational Policy”.

Click here: <https://bit.ly/JuniorRepresentativeSquadOperationalPolicy>

This document outlines the costs and commitment associated with being involved with a representative squad team and includes a player, parent/guardian, coach and team managers code of conduct.

In the coming weeks, a team manager will be appointed for each team and information will be provided regarding uniforms, training (venue and times), tournaments, registrations, costs etc.

To accept the position in a team, all participants **MUST** be registered to the representative squad program via PlayHQ (with the initial \$65 acceptance fee also paid) by Friday 11th July, 2025.

Register via: https://bit.ly/SquadAcceptance_2025

Subsequent tournament registrations (including fees) will be required at various times throughout the representative squad season (via separate PlayHQ registration links).

Please note that if registration (including fees) is not completed at any stage during the representative squad season, the participant will be deemed ineligible to play until this process is completed.

Good luck to all teams for the upcoming Representative Squad Season!!
