

Merry Christmas! *Let's Celebrate Jesus' Birthday!*

Dear Ministry Partners, Prayer Warriors, Family & Other Friends,

Our spiritual family has grown this year by over 65,000 people coming to Christ! But we need FAR more financial support to continue (and even grow) this wonderful work! What can you give at this year's end?? Please ask God to lead you - to give a special year-end gift or **become a monthly giver of \$50, \$100 or \$200/month!**

Praise God! So many people came to Christ this year through New Fire for Christ!

Our New Fire ministry is really expanding. **Our new team of 50 volunteers in Mombasa, Kenya** (a highly Muslim area) has really taken off! They are ministering in 22 schools and have seen 2,633 students come to Christ! Please pray for more open doors in the schools to teach the Bible, especially in the Muslim schools.

We have **launched a new ministry in Nairobi, the capitol of Kenya**, starting with 27 volunteers. They will start ministering to the schools there in January. Please pray for open doors to teach the Bible in the schools.

We praise God for a successful mission to reach the Somali students for Christ in our **annual Soccer Outreach Tournament!** **We had 482 decisions for Christ (60 were Somalis)!** And high school students learned how to share their faith, a lifetime skill! Praise God! This was our best year ever!

And our personal family has grown as well! We have 2 new daughters-in law!

Will married Jaspreet Hira in November

Brian married Rachael Scheerer in May

Merry Christmas to you!

Bob & Mallory

Bob & Mallory Boyd
Founders, New Fire for Christ

We are reaping the harvest of 12,000 churches... but our last year's budget was equivalent to one church's budget! We must raise FAR more to continue, so please pray about giving to New Fire! We really need to raise more support for this growing ministry. **For every \$7 that you give, it brings someone to Christ. This is the best investment we know of on earth, by far!** We plan to call many of you to raise the money needed to grow this exploding ministry!

Ask God - what would You have me give to NFC? - this Christmas!
