Dear Friend and Partner in Ministry,

Do you want to **save lives...** both now and for eternity? You can do that right now, today ... by sending us to one of the neediest places on earth – **Africa.**

The amazing fact is that for every \$180 (\$15 per month) you sent in last year, an entire class of 30 young men and women has been taught God's word and disciplined, not one time, but all year long by us and the (currently) 176 African staff we have trained! As a result, word is that "AIDS is disappearing in the schools" and thousands of lives are being saved!

So let me ask you – will you do it again? Will you send us to teach the Bible all this fall to tens of thousands of students and best of all, to train our 100+ African staff to continue to **disciple the 136,000 students in our School of Discipleship all year long?**

You may ask: How can you possibly disciple 136,000 students? Can you imagine being able to go into all of the high schools and middle schools of your city each week (some bi-weekly or monthly) to speak to the entire student body about Jesus Christ... and not just doing that in one or two schools, like Granby High School or Annandale High School (in Virginia), but in many of the principal high/middle schools in your whole state? Imagine being able to teach these 10s of 1000s of students the Bible week after week, and seeing revival sweep through the schools as thousands of lives are changed.

That is exactly what is happening in our School of Discipleship ministry in Africa!

OVER 

But we can't continue this great work without you. This all-fall trip to Africa will cost \$113,000. Not a penny of what you give goes to us personally or to administrative costs – those have already been covered. What a deal! - a chance to *save literally thousands of lives for eternity.* Will you send us?

Our U.S. staff plans to call you in the next couple of weeks to see what you feel led to give to change lives in Africa, or you can just *tear off the attached contribution form and mail it in today.*

We thank God for you, our partners in the greatest opportunity in the world: bringing Jesus Christ to lost people around the world, and transforming them into His disciples.

For His glory alone,

Bob, Mallory, Brian, and the New Fire Team
