COMMITTING TO CARE

Mercy Dental Missions is a 501(c)(3) nonprofit organization sustained through grants, fundraising, individual contributions, and community support. This allows us to charge fees that are roughly 40-50% of traditional dental fees, serving uninsured and underinsured individuals who have had to neglect care due to cost.

In our pursuit to eliminate barriers to care, eligibility requirements are minimal with emphasis placed on the integrity and honesty of the individual requesting care.
