Dear Valued Guests,

On behalf of the Board of the Overflow End Stage Renal Foundation, it is my great pleasure to warmly welcome you to our 9th Annual Epic Mother's Day Brunch.

While this occasion honors mothers and their immeasurable impact, today is also about celebrating those who embody the spirit of motherhood in all its forms—those who nurture, uplift, and stand in love and support of others. We are truly delighted to recognize an extraordinary woman—Tiunna Lemons—a devoted daughter, loving mother, wife, community leader, and influential voice whose presence continues to inspire so many.

This year's celebration promises to be nothing short of unforgettable. We are honored to feature exceptional live performances by renowned celebrity saxophonist Richard Shaw Jr. and talented singer-songwriter Chayse Pannell, whose artistry will surely captivate and uplift us all.

Guests will also indulge in a remarkable culinary experience, with exquisite cuisine prepared by Chef Drama with Epicurean Events—bringing together flavor, elegance, and celebration in every detail.

More than a gathering, this event is a tribute to compassion and resilience. It is dedicated not only to mothers, but to everyone who has embraced the role of one, and to those who continue to share their love and strength with individuals battling kidney disease. Your presence supports a truly meaningful cause, and for that, we are deeply grateful.

Thank you, as always, for your unwavering support, generosity, and love. May this day be filled with joy, inspiration, and blessings for all.

Warm Regards,
Darryl Taylor
