CREMATION If you are interested in cremation, the ultimate peace of mind and flexibility is with us. Our associates are Certified Crematory Operators and have performed over 8000 individual cremations at our private crematory. 100% of recoverable ashes are returned. *Your loved one never leaves our care.* That is why we know whose ashes are in the urn. Embalming is NOT required. If **you wish**, you may witness the entire process. You can inspect our crematory anytime or, at your convenience, take a Google tour at HeffnerCare.com. *You can have a viewing before cremation and you do NOT need to purchase or rent a casket.* We gladly explain all the cremation options or request our new brochure, **18 REASONS FAMILIES CHOOSE US FOR CREMATION.**

VETERANS BENEFITS Honorably discharged Veterans, their spouses and minor children are entitled to receive final expense benefits, **all FREE**. Benefits include cemetery property at a national cemetery, perpetual care, opening and closing of the grave, concrete outer burial container, bronze or granite marker, a flag to drape the Veteran's casket, a Presidential Certificate and more. Bring us the DD-214. **At Maxwell and Helt we take care of all the paperwork.** We would be happy to personally help you secure the final expense benefits that you and your family are entitled to receive.

PEACE OF MIND, ECONOMY AND PERSONAL CHOICE are the reasons people tell us they pre-plan. It is a good feeling to know your affairs are in order and will not be a burden on your family. Planning ahead controls costs and avoids emotional overspending. Expressing your wishes enables you to have it your way and avoid family disagreements over what you would have wanted. Whatever reason is most important to you, we are here to help with choices and options to consider *before* an emergency.
