Would you refer us to others? Yes. Excellent service. Ben answered all my questions I asked and took the time to explain things to me.

Additional Comments: Ben at Helt in Mill Hall was excellent, very kind, and understanding. I even have my pre-arrangement at that funeral home. My son and I were very pleased and told my family and friends. My son and I appreciated what Ben did for us. Best Funeral Home I was ever in. Excellent Service. Top Notch.

Additional Comments: Mark was respectful and empathetic when he came to our home in the early morning hours to receive the body of my mother. I appreciate he was available that afternoon to meet with us and our pastor to make arrangements for service. He guided us and made the service happen as planned. I also appreciated Mark and Ben on day of the service spoke on the phone with some of our friends to give directions. The GPS directions for Sunnyside Cemetery are incorrect and the service was at the cemetery. They calmly invited them to join the procession from the funeral home which was perfect way to handle the situation. Mark and Ben pay attention to details big and small. The care the preparation of my mother's body was artistry. Mom's face was a picture of peaceful rest. She looked like my mom which gave me peace. I am forever grateful. Last year when mom's health began to fail, she voiced her choice of Helt Funeral Home. I knew it was because of the Helt name, long time funeral home in Lock Haven. It was perfect choice. I definitely recommend Helt Funeral Chapel. Our sincere thanks.

Just talking to Ben helped a lot. He assured me everything would be ok. Some things didn't work out the way I wanted but Ben knew what to say or do. We have our arrangements with Ben so when the time comes, I'll have had this done for years. Would you refer us to others? Yes. I have attended several funerals at Helt Funeral Chapel in Mill Hall and the services have always been done respectfully and compassionately. Everyone was treated with great care and concern.

Additional comments: Because of the COVID virus, we couldn't have the pre-paid service my mother had wanted. Because of social distancing, we decided to do a private service for immediate family only with a memorial service at a later, safer time. Because we couldn't have all of the things my mother had pre-paid for, Ben assured us we were due a refund. Out of the money due us, Ben said we could put it toward flowers, newspaper announcement, and other things that are usually out-of-pocket expenses and we still had money left that would be refunded. He was extremely helpful with all the decisions we had to make and suggesting things we hadn't even thought of. I would highly recommend Helt Funeral Chapel of Mill Hall to anyone who is seeking a place for a loved one's funeral. Considering the health restrictions because of the COVID virus and the changes we had to make, Helt Funeral Chapel of Mill Hall gave my mother a wonderful service of which I will be forever grateful. They made a very difficult time easier for our whole family. God Bless,

Your comments about our staff: Ben did an outstanding job seeing to the wishes of our family. He was extremely helpful and his communication with us doing this process made things easier on the family, especially with the distance between Lock Haven and our home.

Would you refer us to others?: Service to myself and family was outstanding.

Your comments about our staff: My brother and I were well pleased with Ben. He is real easy to talk to and takes care of your concerns in detail. We had never met him before but are well satisfied with everything he did for us.

Would you refer us to others?: Everything was well satisfied. Funeral Home is neat and well taken care of. As far as expenses I believe they were all within reason & care of our mother was done very well in preparing her for us.

Additional comments: Ben also took care of notifying stone company to get numbers put on. Also, he was to notify them of doing base work that needed to be done, as lots in Dunnstown Cemetery are small. The person who does this work was on vacation at the time and Ben said he would tell him as soon as he got back. He probably is behind because of being away at doing stonework. I have not retalked to Ben, but if it is not done this week, I may call him & ask him to speak to him again as I would like to see everything taken care of shortly. The numbers were on the stone exactly one week from when she died and I was surprised to see that done that fast.

Again we are well pleased with services performed by Ben. He is the only person that I dealt with at the funeral home. Not hoping anything will happen to my husband or myself in the near future but we have told family that is where we want to go to.

Would you refer us to others?: Yes! very easy to deal with during one of the hardest times in a person's life.

Additional comments: I wanted to say that whoever did Mom's embalming and preparation for final viewing did a stellar job. Mom looked exactly like herself – I supplied some makeup and they did her face in a very natural manner.

I was frankly afraid of how Mom would look as I'd seen other people prepared by other funeral service businesses who did not look a bit like themselves and had so much makeup caked on that it was horrifying. Not so with Mom – and I am very grateful for that.

The entire experience was handled so well I'm not able to come up with any suggestions for improvement.

Darlene Martin, daughter of Wanda M. Toner
