I cannot express enough gratitude to Dale Ranck Cremation & Funeral Care and especially to Mark Strobel for their extraordinary care and support following the passing of our father. From our very first conversation, Mark guided our family with immense compassion, patience, and professionalism. Losing a parent is overwhelming, but Mark made every step of the process clear, simple, and respectful. He truly listened to our wishes, paid attention to every small detail, and handled everything with a level of sincere empathy that brought immense comfort to our family. If you are looking for a team that will treat your loved one with dignity and walk alongside you with genuine warmth during your darkest hours, I wholeheartedly recommend Dale Ranck Cremation & Funeral Care and Mark Strobel. Thank you, Mark, for your exceptional kindness and kindness to our family when we needed it most.

5-Star Google review was received from Mrs. Jacqueline Wagner regarding the passing of her mother, Mrs. Marjorie Drumheller. Services were arranged by Mark Strobel via our Milton funeral home.

I'm so glad we chose Dale Ranck Funeral Home and had Mark Strobel as director. Mark made the most difficult time to go smoothly. Mark was empathetic and kind. He treated us with dignity and assured us he was there for us anytime, and he was. I truly feel Mark went over and above for our family. He met all of our needs. We are so very grateful for your thorough job and compassion every step of the way.

Connie L. Balliet, Daughter of the late Ursula E. Kile

Additional Comments: Mark was respectful and empathetic when he came to our home in the early morning hours to receive the body of my mother. I appreciate he was available that afternoon to meet with us and our pastor to make arrangements for service. He guided us and made the service happen as planned. I also appreciated Mark and Ben on day of the service spoke on the phone with some of our friends to give directions. The GPS directions for Sunnyside Cemetery are incorrect and the service was at the cemetery. They calmly invited them to join the procession from the funeral home which was perfect way to handle the situation. Mark and Ben pay attention to details big and small. The care the preparation of my mother's body was artistry. Mom's face was a picture of peaceful rest. She looked like my mom which gave me peace. I am forever grateful. Last year when mom's health began to fail, she voiced her choice of Helt Funeral Home. I knew it was because of the Helt name, long time funeral home in Lock Haven. It was perfect choice. I definitely recommend Helt Funeral Chapel. Our sincere thanks.

Would you refer us to others? Absolutely Yes! I always do whenever the opportunity comes up.

Additional Comments: Back in 2014 I worked at Evangelical Hospital as a phone operator and funeral directors would come in to pick up deceased patients. The only one who was always friendly and respectful was Dale Ranck and that made such a great impression on me that from that time on, I told my husband, family and friends that Dale Ranck was who we were using when our time came. The other funeral directors were never friendly, polite or respectful. They felt they were above us but Dale Ranck never gave that impression, and that really meant something to me. Since that time, I always tell that story if the opportunity comes up and now after actually experiencing it first hand, with my husband's death, I will be forever recommending Dale Ranck Funeral Service.

Google Review Received:

Our son, David was born with heart condition which led to three open heart surgeries before he was 2 years of age. At that time, we were not sure how long we'd have him but God gave was 26 years with him. David went to his Heavenly home on January 28, 2022. As a family we didn't know where to start but chose Dale Ranck funeral home. Our son told us exactly what type of service he wanted and where he wanted it. It was to be a Celebration of Life and people were to dress in bright clothing. Mark Stroble was our answer to prayer. He guided us through the entire process of picking out a casket, etc. He then ordered flowers, memorial cards, thank you cards, created the video, contacted the church, and then wrote all the checks for all expenses including the cemetery plots. We were so glad to have the help during the most difficult time of our lives…losing our son. Mark went above and beyond and his attention to detail was phenomenal. He even recommended cemeteries in the area for David's final resting place. We highly recommend Dale Ranck Funeral Home. We can't thank them enough for their professionalism but most of all for their caring, compassionate staff.

Dear Mark,

On behalf of my father and our entire family, we would like to extend our sincere thank you and gratitude for arranging his mother, Helen's, final journey home. From the "middle of the night" phone call, through the entire process, you compassionately and consistently insured that all details were addressed and handled thoroughly. We are so pleased with the entire process. You made it so easy for us as we were in shock and grieving. Your flexibility, attention to detail, and just willingness to accommodate us was of great comfort during such a difficult time. From the very first contact, you put us at "ease" being so far away. Additionally, since we decided not to have the graveside service and had to fly back to Florida, words cannot express our thank you for sending us pictures of the closed gravesite. We feel so blessed to have crossed paths with someone who takes such pride in their work and especially at such an emotional time. We feel you have definitely gone above and beyond.

We are in receipt of a survey and have included a copy of this letter as well.

Regards, Robert L. Joe and Family, Son and Family of Helen C. Lose
