

The Church in America is The Last Bastion of Defense!

Yet, she has unwittingly abandoned her post, or either, she fails to understand what her post requires of her.

This letter uncovers a strong delusion, which has greatly deceived the church for 160 yrs.

“Seek you first the Kingdom of Heaven and God’s Righteousness.”

The Kingdom of Heaven is not merely a distant or abstract concept; it is the active governing influence of God that we must manifest upon the earth as His heirs. A kingdom, by its very nature, is a government that possesses structure, authority and domain. Therefore, this instruction is not passive in nature, but a directive which establishes two foundational priorities for us in this life: to pursue and live under the governing influence of God for both our nation and His Kingdom together, and maintain right standing within that divine order, as His kings and priest. When these two are rightly established and properly stood upon, all other necessities will naturally follow.

Sovereign Birthright Americans function through two distinct yet complementary covenants: **1st**) the covenant established with God, which serves the purpose and advancement of His Kingdom within our nation; and **2nd**) the covenants formed by our forefathers upon their sovereignty, which govern the affairs and well-being of the nation. Within this dual framework, we are positioned as both kings and priests, endowed with lawful authority and responsibility derived from these sacred and civil agreements. Kings of the nation, and priest of the Kingdom.

However, in present day, most churches that profess to represent the Kingdom of Heaven in America have departed from this foundation. Instead, they have chosen to operate within a foreign covenant, rooted in the jurisdictions of commerce and governed by foreign external commercial systems of law. And in doing so, they now function outside the bounds of both the covenant made with God, and the covenants established by our Founding fathers.

As a result, these institutions now conduct their affairs within legal frameworks that are foreign to their original purpose, having shifted away from the lawful structure and sovereign authority inherited in the covenants upon which they were first established.

Understanding covenant alignment in America begins with recognizing two foundational covenants: the covenant with God, established for the building up and advancement of His Kingdom and the formation of spiritual authority and identity within this nation, and the covenants made by our founding fathers upon the Soil & Land jurisdiction, designed to provide order, governance, and national benefit through lawful and civil structure.

Again, within these covenants, we are called to function as both sovereign kings and priests, carrying a dual responsibility of spiritual stewardship and earthly governance, with lawful rights and authority derived from both.

However, and again, a significant shift has occurred in which most churches now operate outside of these original covenant foundations, aligning instead with foreign systems rooted in commercial jurisdictions and external legal frameworks.

This shift has led to a disconnection from original authority, a redefinition of our purpose and function, and a reliance on systems that are not grounded in the covenants that once established our role. This calls for renewed awareness, one that recognizes the distinction, examines current alignment, and thoughtfully considers a return to the original covenant principles.

Now, there comes a moment in one's life, when knowing the truth either liberates you... or becomes bondage to you... it forces one to either rise up and meet the truth head on, or it causes them to remain silent and ruled by it. The body of Christ has seemingly chosen the latter.

“If a nation expects to be ignorant and free, it must expect what never was and never will be”. Thomas Jefferson knew that without the knowledge of how to lawfully stand upon our birthrights, upon our organic constitution, and upon the laws set for our nation, then there is zero chance that any people could ever stay free ...or even be free in the first place.

Ignorance leads to mindless obedience. As Thomas Paine explained, ignorant people tend to trust the experts who gladly tell them just what to do (and how to think) Payne said, reason obeys itself, and ignorance commits to whatever is dictated to it.

A distracted people: especially the Body of Christ, cannot achieve unity when they are continually entertained, divided, and drawn into cycles of reaction. True alignment and collective strength are only possible when attention is reclaimed, distractions are cast aside, and the real issues are confronted with clarity, purpose, and resolve.

... If we fail to awaken to our divine purpose, we forfeit the recognition of our sovereign birthright, which include our inheritances essential for reclaiming our lawful power and authority within the nation and the Kingdom. It is through education that we are awakened and able to restore our birthright, to reestablish both our national and Kingdom foundations in their lawful order, being re-aligned with truth, justice, and our divine purpose.

Power does not tremble at polite dissent; it trembles at disruption and forced change. That is why the secular system elevates the moderates and buries the radicals, not as a measure of truth or

falsehood, but as a calculation of its own safety. People who decide to stand together cannot be pushed back! Peaceful Strategic Unity turns resistance into an unstoppable power!

Again, how does one explain to the body of Christ that we have all been misled, deceived, bewitched and beguiled by foreign actors for more than 160 years now?

“The Secret of Freedom lies in educating the people, whereas the secret of tyranny is keeping them ignorant”. -Maximilien Robespierre

The Sovereign Masters = the creators vs. the Foreign Federal Government Service Providers = the creation.

We, the sovereign people = the masters, the creators, as well as the primary contractors for this country. The three Federal Governments = these creatures were specifically created to serve - we the people, 2 of these 3 governments, are **foreign** commercial subcontractors to us by treaties. **Key Word... “Foreign”**

In nature, the Creator doesn't bow too or obey its creation, nor is the Primary Contractor subservient to the subcontractors. Yet, that is exactly where we the people, and we the covenant people are today in America. We are unwittingly under the thumb of our foreign federal subcontractors.

The prophet Elijah said, “How long will you halt between two opinions? If Yeshua be God, then follow Him (according to His purpose for you). But if Baal, then follow him. The people did not answer him a word, reflecting their indecision. It seems it's the same today within our Churches.

When it counts, and when it is needed the most, the majority of Americans, including the body of Christ, simply fail to remember that we the people are the sovereign birthright heirs and beneficiaries of this nation and this nation's government, as our forefathers established it. So, we should understand its framework in detail and act accordingly.

Our Lawful American government has 6 separately functioning parts which operate our national government and we as the sovereign's stand above them all, as their creators. Yet, the church sits in a subservient position, instead of standing as the sovereign head.

There are 3 parts to our Sovereign government that consist of; **the Union, the Federation, and the Confederation** which stand upon the sovereign Soil jurisdiction, and below these 3 sovereign governments, there are 3 completely separate commercial forms of government, which govern and operate each of the three commercial jurisdictions, operating upon three completely different forms of Law for each. Yet, they are still subordinate to the sovereign government above them, and our sovereign government is subordinate to We the people.

Here are the 3 parts to our federal government which we created for commercial purposes only, consisting of; **The Land jurisdiction government (American controlled), the Maritime Sea jurisdiction government (British controlled) and the Global Air jurisdiction government (Roman controlled).** The latter 2 governments operate as foreign commercial subcontractors (**British & Roman**) here by treaties. **But the “International land jurisdiction government” stands as the Primary Contractor over these 3 parts, as well as Law enforcement over “the Commercial Contracts and foreign commercial subcontractors”, and it operates in accordance with the Supreme law of the land. i.e. our organic Constitution.**

We, the people, are supposed to stand in a sovereign capacity, where we were originally established as the head, not the tail. **We were never supposed to be governed by our foreign federal subcontractors** as we are today in 2026. But 160 years of propaganda has caused us to humbly take a backseat position in our own country.

Believing that Donald Trump; **President and CEO of (t)he United States Corporation** is our nation's lawful land jurisdiction President, is just plain ignorance of our lawful government frameworks. By law he is not, no matter how you look at it, and nor were those before him, all the way back to Abraham Lincoln. With Lincoln becoming the first **CEO & President of (t)he United States of America Inc.** e.g. **British subcontractor.**

When will the body of Christ come to understand these gigantic problems in our nation's framework, and then stand up and face them head on? Our nation's lawful government was unoccupied for 160 years, and our foreign federal government subcontractors unlawfully assumed our position and have completely corrupted our nation, where now, right action has fell upon the body of Christ as the last line of defense! There is no one else coming. Now is the time to pull your heads out of the proverbial sand and bring right action!

Deuteronomy 28:13 And the Lord shall make thee the head, and not the tail; and that shall be above only, and thou shalt not be beneath; if thou hearken unto the commandments of the Lord thy God, which I command thee this day to observe and to do them: And thou shall not go aside from any of the words which I commanded thee this day; to the right hand, or to the left, to go after other gods to serve them. (As it is when one's allegiance is unwittingly in the wrong corner,)

(And the Consequence!) But it shall come to pass, if thou will not hearken unto the voice of the Lord thy God to observe, to do, all His commandments, and His statutes which I commanded thee this day, that all the curses (*within this chapter*) shall come upon thee and overtake thee.

People who lack the courage to defend life itself will soon lose every liberty that gives life meaning. Rights wither where fear rules, and freedom dies where the people stand divided and UNINFORMED.

Only the unified, educated and resolute birthright heirs, can end government systems built on fraud and division, and reclaim their nation which was designated to stand free and sovereign.

Birthright Americans stand and operate upon 1 of the 3 jurisdictions whether they are aware of it or not. Yet, the church has never been taught which one She is supposed to stand and operate upon.

Christ, in this view, ordained and set in motion the foundation of this nation, establishing our forefathers in 1776 as the sovereign stewards entrusted with its authority. By inheritance, we the people stand as their rightful heirs, vested with both the position and responsibility of that same sovereign stewardship. This foundation remains in place regardless of whether it is broadly

recognized or understood. Yet with that inheritance comes obligation: if the people fail to rise to their responsibility and act in alignment with lawful and rightful authority, they risk forfeiting their standing. In neglecting that role, they move away from stewardship and toward subjugation, functionally exchanging the position of the sovereign birthright heirs, for one of servitude.

Let this serve as both a clarification and a warning: awareness carries responsibility, and with it, the necessity for deliberate and rightful action.

We, the covenant people, stand as the lawful birthright heirs and holy priesthood of this nation, and of the Kingdom of God within it. We are the beneficiaries of America's sovereignty, and the architects of all six forms of our national government, including **the two foreign federal commercial service providers/foreign federal subcontractor positions**, that were established here, to furnish **we the people who stand upon the Land jurisdiction**, with the commercial instruments necessary to operate and exchange goods, services, and resources in International Commerce.

Gen. 1:8 “the Law of Jurisdictions” and “the Covenant Men that hold dominion over them”.

Law is the specific authority endowed over a certain bordered jurisdiction. In today's corrupt system of Law, it is supposed to be structured like the color chart seen below.

L = Land (The Supreme Law of the land, i.e. the organic Constitution)

A = Air (Roman Civil Law or Global Law, under the Commercial Charter)

W = Water /Sea (Maritime Admiralty Law, under the Commercial Charter)

The L. A. W. of Jurisdictions, the Air & Water Jurisdictions are subject to our Land Jurisdiction.

The three federal governments operate the three commercial jurisdictions of our country. As seen below in **blue**, **orange**, and **green**. **Blue** represents **We the people**. **Orange** & **Green** represent the two foreign Federal Subcontractors to our nation.

Soil & Land Jurisdiction (Soil = the sovereign, Land = Resources. Upon land law, public law, common law, for the living sovereign people of the natural world)

- Declaration of Independence
- **Sovereign status**
- Living men and women
- Organic states & counties
- Supreme Law of the land, which gets its authority from we the people.

- True public courts
- Bill of Rights

- Original organic Constitution & government structure
- **Stands as the Primary Contractor and Preferential Creditor** for The United States

- Equity
- Spiritual-(Catholic) jurisdiction

- Roman Civil Law gets its authority from The Pope, from the Vatican.

The Lawful Framework and Flow of Power for Our Sovereign Government

The united States of America

We the People, by conquest and divine providence, created the Unanimous Declaration of Independence of the united States of America '04 July 1776.

By these actions We today, lawfully stand as sovereign men and women. The states were the original geographically defined "estates" formed by "we the People" of the united colonies. Together our forefathers formed an unincorporated **Union**, an unincorporated **Federation** and an unincorporated **Confederation**.

The above is the Sovereign Organic government by and for We the People.

The Supreme Perfected Republican Declaration of the United Colonies created the National Trust owed "the Continental United States". The Organic Constitution is a tri-lateral International Treaty, a National Trust Indenture, and a Commercial Service Contract between We the People, the Primary Contractor, and our three government service providers, who we the people created to help us make a more perfect Union of states.

Two of these federal subcontractors are Foreign principalities

The Federal Subcontractors

The framework and flow of power delegated to the federal government service providers and all agents thereof. Delegated by the sovereign government for We the People as shown above in blue.

The Federal subcontractors hold only 19 enumerated powers from granted them by /the Sovereign Government above. There is an entire world of difference between the Sovereign Contractor and the foreign subcontractor. One is the Employer and visionary, the other is a pais service provider that helps create the vision. Here are those subcontractors/ service providers.

Now, closely analyze the framework of our government and its laws above, and understand exactly where “we the people” accurately fit within it, and act in that capacity.

When it comes to political parties Benjamin Franklin said; “ignorance leads men into a party and shame keeps them from getting out”. You will never vote your way out from under the largest commercial government entity in history. Instead as Thomas Jefferson told us, “whenever the government exercises undelegated powers, a nullification of their acts is the rightful remedy”.

True freedom flourishes when God’s faithful walk in obedience to His Word, honoring both His divine authority and the rule of law ordained for their nation.

Again, carefully analyze the framework of our government and its laws above, and understand your rightful place within that structure clearly, and then act in that capacity accordingly.

Understand the hierarchy between the Sovereign creators of this government, and of the government itself which is the creature.

Speech by Publius Holder in 2013, to the Senate Judiciary Committee – SBo250

We've got 5 minutes if you would please make sure your green light is on and then state your name and title for the record.

Thank you, it’s on, my name is **Publius Holder**, I’m a retired litigation attorney and I write on the original intent of [the Constitution](#), by using [The Federalist Papers](#). I do not go by [Supreme Court](#) opinions, because for 200 years [the Supreme Court](#) has been ignoring [The Federalist Papers](#), and [the organic Constitution](#) that our [nation’s framers](#) gave us, and [they](#) have gone off on tangents of their own which have nothing to do with [the Constitution](#).

[The Attorney General's](#) opinion begs the question; [the AG](#) states; [that states](#) cannot [nullify acts of the federal government](#), which isn’t true, and is clearly authorized [by our Constitution](#), but then he completely fails to cite **article, section, verse, and clause** where [the Constitution](#) delegates to [Congress](#) the authority to restrict our arms.

After we the people ratified [the Constitution](#), we “created” [the federal government](#) and listed every enumerated power granted to our creature.

[Article 1 Section 8 clauses 1- 16](#) list most of the powers that [we the people](#) delegated to this [federal government](#), for the benefit of the country at large.

We did not put on our list that our creation could restrict our arms. (Or any other rights.)

We didn't delegate this power to any **Congress**, because our framers wanted the American people to be heavily armed.

Alexander Hamilton and James Madison write about this in The Federalist Papers, in federalist paper #46. James Madison writes: why the American people are armed, it is so we can defend ourselves our communities and our states from the federal government in the event it becomes tyrannical and oversteps the constitutional limits of its powers.

In article 1 Section 8 clause 16, Congress passed the militia act of 1792 where they required every able-bodied male citizen between the ages of 18 and 46 (except for foreign federal officers and their employees) to buy a rifle ammunition and report to their local militia for training.

Pursuant to, Article 1 Section 8 Clause 11, Congress is authorized to issue letters of mark and reprisal, this is what authorizes private warships to make war on our enemies, these were the privateers who fired on British ships during the War of 1812.

Our founding forefathers contemplated “a people” who were heavily armed, that is why we never delegated to our creature any authority to restrict our arms or any other rights in any fashion whatsoever. (And all actions that have, are null and void.)

Get this down your throat and let it digest... when the federal government attempts to restrict any of our sovereign rights or constitutional rights, they are usurping powers which they do not possess. (So, church leadership, how do we make them stop?)

The Attorney General goes by court opinions, not by our organic **Constitution**, and there is a vast gulf between the two.

We have 200 years of **Supreme Court opinions**, (and Mr. chairman very kindly shared some of these 200 years of **Supreme Court opinions**) which have nothing to do with our organic **Constitution**.

Charles Evans Hughes said over 100 years ago that **the Constitution** means what the judges say it means, and that is absolutely false, but sadly that has been the prevailing dogma ever since, and generations of lawyers have been indoctrinated with this lie, that is why we no longer have a **federal government** which is held down by the chains of **the Constitution**, what we have today is a **federal government** which is being ruled by **Government Corporations** upon the foreign jurisdictions of Commerce and their **5 judges on their Supreme Court**, who claimed the power to do whatever they want to us in our own country.

So, today we have two offices; one in **the private realm**, and one in **the public realm**, it's what **the sovereigns and their constitution** says, and what **the Big Government Corporations and their Supreme Court** says. Well, **their oath of office requires them to obey and be in accordance with this nation's organic Constitution**, not **their Supreme Court**.

The Supreme Court is merely a creature of **this Constitution** and is completely subject to its terms!

My 3rd point: **The AG** asserts that **the Supreme Court** is **the exclusive and final authority** on the extent of the powers of the federal government. But **our nation's framers** knew **that their Supreme Court judges** were just as likely as anybody to be corrupt, usurp powers and act lawlessly.

So, Congress, The President, and the States, all have checks on the Supreme Court.

Hamilton shows in Federalist #81, that the Continental Congress has a check on **lawless federal judges** to impeach them and remove them from office. Even "**The President of (t)he United States Inc.**" has his oath of office as a check on **the Supreme Court**.

As Republican Representative Allen West said; **President Trump is the Chief Executive Officer of this corporation called (t)he United States of America inc. (a British Territorial government)**, whose oath is still to preserve, protect and **defend the organic Constitution of The United States unincorporated**.

It is not to obey **the Supreme Court**, But rather **the Land Constitution of The United States**. **The Supreme Court** was not set up **in our land Constitution as the superior branch of the federal government**. Madison says in his report on the Virginia Resolutions **that it is a plain principle founded in common sense that the states; the people, as the sovereign parties to the Constitution, are the final authority** on whether **the federal government** has violated **our Constitution, the organic states, the people, (not the State of States inc.)** may check all three branches of **the federal government, the Judiciary, the Executive and the Legislative** branches by nullifying their acts.

If the **judicial branch** **connives with the other branches of the federal government in usurping our sovereign powers, and Constitution**, then they will be destroyed if we do not stop them! This is what James Madison said in his notes on nullification, in his report on the Virginia Resolution. I'm sorry I didn't have time to finish; I hope that during questions someone will ask me about the so-called **Nullification Process of 1832**. Thank you very much for your comments. -end of testimony.

How A Young Anonymous Man Articulated Our Situation in America So Well. Using Systems Theory & Grim Prophecy Mode with the Epstein files. (a governmental systems perspective)

"I'm going to say this in the plainest way possible,

When over 3,000,000 pages of the Epstein files have been released and nothing fundamental has changed, the story is not stalling, it's completed. Because Systems don't respond to volume, they respond to threat, and what it proves unmistakably is that disclosure itself is not a threat. **(no one is doing anything)** The Church sits still in silence.

So, I'm going to show you what is actually happening with the latest Epstein files drop.

The system is not asking ...is this true, its asking does this interrupt continuity, and when the answer is no, the response is automatic, slow it down, spread it out, turn it into a process, let public attention fragment, let time finish the job, because time is the best solvent there is, and that's not a choice, it's how large systems preserve themselves.

So, every new batch dropped is not reopening the story, not at all. It's reaffirming the outcome.

Every release has answered the same question, again and again recursively. How much can be revealed without forcing a redesign for change? And the answer keeps coming back the exact same, every single batch. That's the uncomfortable part that people don't get to on the news.

Because what we're watching is not a reckoning as it should be, it's instruction, not instruction on committing harm, but instruction (for these evil people) on how to remain survivable inside the system.

The system says you don't need secrecy, you need dispersion, that's what the files say, it says you don't need silence, you just need time. It says you don't need innocence; you need to avoid becoming the load bearing point, and most of all it says as long as continuity holds, everything else is negotiable.

I just read everything that the program file said, and that's why absence of redesign and change matters more than pages of intel, over 3,000,000 pages... I want you to really sit with that... and understand there is no structural response, nothing! No line drawn, no irreversible rule, no consequence, no moment where the system said this has to stop now. That absence is not confusion; it's the signal that nothing will change unless we force it to change.

They just responded to you, that is the systemic response, the silence you're hearing right now, because systems teach through repetition, and the lesson has been and the lesson being taught here is simple, nothing about this itself requires change.

That is the lesson of the Epstein files, and that's why the story feels flat, and that's why outrage doesn't even accumulate into anything, and each release feels smaller than the last, and while the response is always procedural instead of decisive. Because the calculation has already run. It's already done. The result was already acceptable.

So, when people ask why release anything if nothing follows? The answer is because releasing without a **design change** stabilizes their system.

I'm going to say it again, when somebody asks you why release anything if nothing follows? The answer is because releasing without a change or redesign it just stabilizes the system. It vents the pressure, it proves resilience, it demonstrates absorbability, it is not exposure failing, its exposure being used, and you've got to know when exposure is being used, and once that's demonstrated the story is literally over, not morally speaking, but structurally speaking, it is over!

Because from that point on, nobody is guessing, they're just watching precedent. That's all it is. They're learning what triggers change and which ones don't, and this one didn't do anything.

Because there was no redesign that brought about change. There is no entity forcing the change. It did nothing! (Where is the Church standing on truth and accountability?)

So, I don't want any more files! I don't want another batch at all! I don't want to see another release that teaches the same lesson again, to the perpetrators and the victims!

Because until something forces the redesign, every page you drop no matter the subject matter is not justice to anyone, it's instruction for them on how to survive here, that is all the Epstein files are showing the rich criminals right now, it's just instructions for them on how to survive when their crimes against humanity are exposed."

"In the moment that nothing happens, everything important already did."

Summary

What the Epstein files really show isn't that the truth is hidden, but that massive exposure doesn't threaten powerful systems at all. Over 3 million pages came out, everyone knows what happened, and nothing structurally has changed, no arrest, no consequence, no justice, no hard laws passed, no irreversible rules, no redesign of how power works.

That tells you the system isn't responding to morality or outrage, only to whether its continuity is disrupted. By slowly releasing information over time, the system lets public attention fade, absorb the shock, and prove it can survive disclosure.

Each new release doesn't reopen the story; it confirms the ending; it shows them this amount of truth is tolerable. In that way exposure without enforced change just stabilizes the system for them, teaching rich powerful people that they don't need secrecy or even innocence, they only need dispersion and patience for the passing of time. **The moment nothing changed, is the moment real decisions were made by every American and every Church within America.**

The State of the Union and The State of the Kingdom in 2026

Now in all honesty, the "FED-STATE" (the two foreign federal subcontractors) no longer needs another elaborate psychological operation. The ones they use today have undoubtedly been successful. Mass complacency and mass compliance have taken their course throughout our nation and especially throughout our churches during crisis moments. A disengaged public enforces its own control, free of charge, with little manipulation or maintenance necessary, and if there's any real hope for progress, it must start with real American patriots and the body of Christ willing to

get off their rear ends and reject the two-party circus of our foreign federal subcontractors, which have kept the nation of sleeping sheep divided, distracted, and perpetually debating one another in the same empty circles. Like Aleins. Fallen angels that have been here from our beginning? SMH!

The UNITED STATES Attorney General Pam Bondi said in Feb. 2025 that the Epstein list was sitting on her desk to be reviewed, then she came back a month later and said there memo clearly points out there was no Epstein client list, and Director of the FBI Kash Patel said that there is no credible information that Epstein trafficked people to other individuals, and now after all that being said, the Attorney General made the statement that if they prosecute everybody in the Epstein files the whole system will collapse. Well, that is a massive indictment all by itself... which further enforces the people's intentions and mission statement that we want the entire "Territorial and Municipal Swamp" drained and put back to proper functionality.

Is AG Bondi seriously telling us that the justice system only works when the criminals stay in charge, effectively holding our country hostage, and if they enforce the law, then the system will collapse? This is exactly what she is saying!

The satanic crimes of these super rich criminals are: kidnapping children, trafficking and sexually abusing children, child sacrifices in satanic rituals, Baby farms for adrenochrome harvesting and cannibalism, slavery, rape, human trafficking, sex trafficking, human sacrifices, organ harvesting, wars, war crimes, warmongering, starvation, genocide, the hostile takeover of foreign countries, fraud, conspiracy to commit fraud, breach of Trust, violation of commercial contracts and treaties etc. etc. etc.

How much further must things deteriorate before the Body of Christ rises with conviction and takes a stand? This is our nation, and we stand with both its authority and responsibility. The innocent blood that has been shed is not lost to history; it cries out and it testifies, and accountability must not bypass this generation. Each of us will ultimately stand before God to answer for what we did or failed to do when it mattered the most. And history will render that verdict. The answer is not written yet...but it is being authored by the decisions we make now.

Ministers, I say this with all respect and honor to our Heavenly Father ...don't let your own ministry become the millstone that gets wrapped around your necks.

We are no longer living in the same country, as our forefathers established it; we are living in a crime syndicate, under a British Admiralty flag, under foreign British and Roman law, ruled over by foreign principalities, in the foreign commercial jurisdictions of The District of Columbia.

We have all gotten here collectively, and we all want to see this SWAMP of D.C. drained, and now they're telling us that they found the plug to drain it, but they're too afraid to pull it, because the system may no longer be the same. That's like a firefighter saying I found the fire, and it's real, but he doesn't want to put it out, because the structure of the building will no longer be the same.

The U.S. leadership are here to protect the people and the republic for which we stand, or they were placed here to protect their coworkers and the system they operate out of, and we all know which one it is. This is HR talk for people who should be convening a grand jury.

If accountability collapses corruption, then corruption is the foundation, and if arresting criminals collapses the system, then the system is made up of criminals. They are telling the public voters that they found the problem but fixing it would cause more problems for themselves. Do you truly understand what they are doing to us?

We the people should be vehemently demanding them to pull the plug or step aside, because we're done messing around, and if the law only works when it's convenient, then they're not enforcing it, they're managing optics, and that is completely unacceptable.

If enforcing the law exposes how broken and corrupt the system is, then the system and all those operating it deserves to be exposed. The good hard-working people of America want and deserve accountability, even if it hurts, even if it's messy, even if it brings the whole house down with all those powerful people in it.

We cannot preserve the country by saving the broken system, we save it by fixing it, no matter who goes down when it falls. If pulling the plug drains the swamp and collapses what's underneath it, then so be it.

The Church Needs a Sovereign Mindset

In 1776, God ordained we the people the sovereign right to rule and govern this nation as kings and priest, in His power & authority. The Church needs to understand that the sovereign is grounded in lawful power and authority, and exercised through competent agency, and clear jurisdictional awareness. As Christ's betrothed and as the sovereign people of this nation, we are not called **merely to courageous action, but to informed participation**, co-authoring and co-architecting our national and kingdom-based systems, to stand compliant in those systems, and to work with Christ as joint heirs, to shape His desired outcome for this nation and His Kingdom within it ...in the here and now. Not to be caught in all the political theaters. **This is what makes the body of Christ, the church, the last line of defense for our nation!**

Do we really want to leave our birthright inheritance lying on the table without ever utilizing it? No, we do not.

The church is seemingly not prepared to participate in her own destiny, she persists in inaction, while waiting on the LORD to act in her stead, when He has commanded His betrothed to make herself ready to be received?

It is the duty of all men to resist the evils of tyranny, for submission to it is a crime against the God of creation who made us free through the work of the cross. Evil prevails when good people do nothing and that is exactly where we're at today. As servants of God, we are bound by moral and divine law to reject complicity with institutions that establish unjust systems and commit crimes against humanity. Historical facts and modern evidence support our lawful and spiritual duty to withdraw our consent from such government structures, agencies, and the agents thereof.

Our Declaration of Independence says; "When in the Course of human events, (**and such are here**) **it becomes necessary for one people to dissolve the political bands which have connected them with another**, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. (That means all of us!)

That whenever any Form of Government becomes destructive of these ends, it is the Right and the duty of the People to alter it or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness.

Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly, all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. (**especially the Church, right now**)

But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, **it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.** Such has been the patient sufferance of the people; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States". (**So, as it was in 1776, so is it now in 2026, under the oppressive powers of the same principality! - The British Empire, vassal of The Holy Roman Empire.**

How to address the Church on "**System Psychology,**" and why she should take "**Systems Theory**" Seriously".

1. Modern Outside Systems Are Still Controlled by Ancient “Principalities and Powers.”

The gospel speaks to systems, because it speaks to powers in systems of influence. Long before “Systems Theory”, the New Testament already had language for this. It had already named this reality.

Paul’s language in Ephesians 6:12 in the Geneva Bible says, “We wrestle not against flesh and blood but against principalities, powers, and against “Worldly Governors”, the princes of darkness of this world, and against spiritual wickedness in high places.” Against whom?

These principalities, powers, world governors and princes in high places is referring to wicked organized world government structures and the agents thereof in high places, and not merely demons or abstract spirituality, but men under the influence of evil. By organized forces in worldly governments that shape human behavior at scale, which includes shaping, Families, Economies, Education, Religion, Media, Business, Governments, Algorithms in Technology, etc.

Compressed to its load-bearing core: Modern “Systems Theory” names what Scripture already knew.

- **That Incentives are Powers**, impersonal forces that structure choice and govern behavior beyond individual intention.
- **That Feedback loops are Strongholds**: self-reinforcing patterns that stabilize sin, that resist truth, that changes word definitions, which change truths into fiction disguised as truth, and punishes any exit from the system.
- **That Emergence is sin reigning**, collective evil without any single author, real and binding, even when no one is seemingly “in charge.”

The Church’s struggle is therefore not primarily against individuals, but against **structures of formation**. Redemption brings **systemic displacement**, which introduces a higher divine government that can break the incentives of any foreign power and close all feedback loops, and cause the cultivation of holiness, righteousness, and justice outside of these closed systems, which are divine patterns of life ordered by God. **The Church in general lacks the understanding to properly identify these Powers and lacks the Courage to name and confront these Powers in their modern-day forms.**

The Church must reframe and come out of (HER) this modern Secular Babylonian governmental system and reclaim and reestablish our own divine framework of governance and influence.

2. The Body of Christ Cannot Stand in Neutrality!

Not everything is reducible to personal morality — but neither is it morally neutral. **Again, evil prevails when good people do nothing!**

The Church must teach that spiritual warfare is often structural, not just dramatic or abstract, and if structural, then it can be defended against strategically.

Systems Theory shows us something uncomfortable: If you do not choose Who you serve, and which form of law you serve, and which kingdom you serve, then you are still serving someone and doing it under their form of law, within their kingdom.

The Body of Christ cannot pretend to be “neutral” any longer, She must stand above all foreign political actors and agencies, as the sovereign birthright heirs” of this nation, in a national and kingdom governmental sense.

Silence is consent and is still participation. Inaction still reinforces the incentive-based system.

The Church must now explicitly ask: **“Who and what is developing our people, in the areas that we are not?”**

The Body of Christ are joint heirs and co-writers in our own destiny, for our own future, as the Sovereign Birthright Heirs of this nation and the Kingdom of God within it.

As the sovereign birthright heirs of America, our stance for the nation is found within the boundaries of our Declaration of Independence and our Organic Constitution. Our stance for the body of Christ and the Kingdom of God within this nation, are found within God’s holy Word, it is for us as joint heirs with Christ for the benefit of the Kingdom, to co-write our own narrative accordingly, and live within our proper national and Kingdom systems of governance outside of any secular world system influence. **Because if we aren’t holding to and steering our own system, then we are captive by and vulnerable to another.**

The Church needs to remember that over millennia: we were born under and subject to empires, grew without leverage, survived despite dominance, flourished without optimism and now in America We stand as the Sovereign birthright heirs of our own sovereign nation, who holds all power, all authority and all dominion within it. That is a huge progressive leap forward from where we started, and we must not be made into something less than, nor see ourselves as something less than, nor made to walk all of our progression backwards.

This understanding sets captives free, it frees people from despair, and all means of bondage.

3. Formation or Reformation Beats Information (and Always Has)

Systems collapse people through cognitive overload: Information overwhelms; formation stabilizes, but modern systems collapse people through overload. But the Church's strength is not argument or alarm — it is the slow shaping of ordered lives into purposed destiny. Arguments rarely change systems; incentives do. And formation and reformation shapes or reshapes incentives by reshaping the means for our desired outcome.

The early Church did not defeat Rome through debate but by forming a people who lived differently, by honoring the weak, rejecting spectacle, and practicing costly love. A formed community cannot be easily manipulated, monetized, commercialized or radicalized like it is today. Quiet resilience is deeply subversive.

Formation or Reformation beats information: because it creates people who cannot be absorbed by the system.

Moral Formation Beats Moral Argument, “Grim prophecy mode” thrives because **arguments don't change systems — incentives do.**

The Church must stop acting only as a think tank and return to being a kingdom formation engine that operates in cause and effect for the Kingdom, regardless of what the world is doing.

4. The Church Must Teach “Moral Injury,” Not Just Sin.

Most people are not consciously rebelling against God. They are exhausted from participating in a foreign system that violates their sovereignty, their faith and their conscience.

This produces **moral injury**:

- “I know this is wrong, but I can't opt out.”
- “I survive by this system, and I know it harms others indirectly and directly.”
- “I benefit from the system I oppose.”

If the Church says, “to try harder in the opposing system,” then it has lost its sight and credibility.

The Church is meant to be a place where uncompromisable people learn how to live by truth outside of the broken and corrupt system, without surrendering their soul to it.

5. Hope Is Not Optimism... It Is Eschatological Resistance

Christian hope is not optimism, nor is it prediction. It is faithfulness under uncertainty... a settled trust that reality is morally structured even when outcomes are unclear. It refuses to measure truth by trendlines or obedience by visible results.

People do not burn out because they fail; they burn out because they adopt false metrics by equating faithfulness with impact, integrity with immediacy, and obedience with measurable success. The biblical church offers a better metric: effectiveness is faithfulness. Victory is integrity under inevitable loss. Truth does not need instant dominance; it gains power through enduring traction.

“Systems thinking” trains us to project trajectories and treat them as destiny. Christian hope breaks that spell. It does not deny decline, collapse, or suffering... it denies their finality. God acts in ways systems cannot predict. The future is not a closed equation but an open door.

This vision sustains people psychologically and spiritually because it gives meaning without illusion. It frees them from despair without requiring self-deception. One can face reality fully and still refuse fatalism.

At the same time, the Church must confront another modern illusion: **Scale**. Most systems fail because they expand faster than wisdom. Scale abstracts responsibility; love requires particularity. Mega-systems depend on distance and efficiency. Christian ethics depend on presence and precision.

The Church should not apologize or be ashamed for being local, slow, embodied, or by modern standards... inefficient. That “inefficiency” is not weakness. It should reflect slow moral precision and attentiveness. Love does not scale cleanly, and it was never meant to.

6. The church should not aim to be a “Counter System,” It should be the Standard. “The Highest System” in the earth.

The Church is not called to be an anti-system on the margins of society, but the highest system within it. A living standard that reveals a better way to live together as a unified people. That doesn't mean we agree on everything.

It means we must embody a structure that rewards peace over dominance, strengthens the weak rather than optimizing the strong, values faithful presence over scale, and absorbs suffering instead of passing it on. When people encounter such a community, they discover that the world they assumed was inevitable ...is not.

To become this image, the Church must form and develop her people deeply and bedrock solid. Teaching her national and kingdom foundation and frameworks, systems literacy, moral courage under pressure, the wisdom of limits, discernment about what shapes the soul, and shared

responsibility for injustice. She must abandon the temptations that hollow her soul out: like chasing relevance, commercializing the faith, confusing growth with health, softening truth, or outsourcing discipleship to ideology.

If the Church keeps mirroring the world, it will be absorbed by it. If she becomes a structurally different body with a holy sanctified way of life, its very existence will challenge the inevitability of the nation and the age we live in.

Final Charge for the Church: We must not try to outcompete the corrupt system, nor imitate it, nor legitimize it, and certainly do not despair because you cannot control it. But rather, we must **outlast it by contradicting it, by developing a people it cannot digest, by establishing a kingdom forward system where people can thrive in peace, who are well prepared to defend themselves and the kingdom system.**

Now, God said He hates the deeds of the Nicolaitans.

Nico - means to conqueror, Layathos - means the people

It means the systematic subjugation of the people, under a hierarchical authoritarian religious system. So, who are the Nicolaitans today, and what are their deeds? Pgs.21-48

Western Media Normalizing Violence after US–Israeli Strikes on Iran.

First, I stand as an American, for America and for Truth, including geopolitical truth. “All our internal problems within **The United States of America** are tied directly to both **the British** and **the Roman Empires**, and their proxies that work inside our nation which are; **(t)he United States Inc. - (the British Territorial Government)**, and **THE UNITED STATES INC. - (the Roman Municipal Government)** and their “Corporate Trust” better known as **(The Zionist State of Israel)** which is **NOT the Biblical family at all, nor are they our true allies**, and our refusal to give due diligence to this matter on a foundational level ...is Sin.

The American people deserve to understand, that **(t)he United States Inc. (British controlled)** and **the Zionist State of Israel** have been meddling in and destroying Iran now for 73 years actively. It was in 1953 where **the CIA and MI-6** overthrew the democratically elected and popular government of Prime Minister Mosaddeq, and they did it because Mosaddeq had the complete audacity to say that the oil in Iran should belong to the Iranian people.

This was far too much for Alan Dulles at **the CIA and for MI-6**, who wholeheartedly thought the oil in Iran belongs to **the British, and to (t)he United States Inc.** So, they overthrew him in a quite successful regime change operation which put in place a Police State led by their puppet, the Shah of Iran, which in 1979 was overthrown in a mass revulsion against decades of an American

imposed police state, and this government came into power. Immediately (t)he United States Inc. armed Iraq to kill hundreds of thousands of Iranians, in the Iraq Iran war between 1980 and 1988.

Saddam Hussein was the CIA's guy who had done the bidding of (t)he United States Inc. for years., and of course when the CIA is done with you, they kill you. So, Saddam became enemy # 1 of (t)he United States Inc. soon afterwards. Since 1986 it's been Netanyahu's dream to overthrow the Iranian government, take control of their resources and their shipping Strait.

But it has been the British Zionist controlled (t)he United States Inc. that has been using every subterfuge, covert operations, assassinations, and economic warfare to crush the Iranian economy ever since. The Iranians have said all that time that they don't want a nuclear weapon, but Netanyahu said in 1986, that they are weeks away, days away, months away from a nuclear weapon and he's been saying that for 30 plus years now, seeding the minds of the world. He is a blatant genocidal liar. We are dealing with something blatantly evil and dangerous in this world, and it's running our country into the ground purposefully! If you believe otherwise, you're simply blind to the actual historical narrative.

Based on historical facts, over the last 200 years, Iran has not initiated war with any foreign nation unless first provoked. They have primarily engaged in border disputes, defensive wars, and defensive conflicts.

Regardless of Iran having one million Christians and 25,000 Jews living there in peace and harmony, and regardless of Iran's beliefs, or their hatred towards (t)he United States Inc. and the Zionist State for meddling in their country for 73 years.

The Iranians did not want a nuclear weapon, their "religious leader" who the US/Israeli's just assassinated, said that nuclear weapons go directly against their faith, and yet, they still killed him anyway, because in truth, it had nothing to do with nuclear weapons or Islam." It was because Iran didn't have a Central Banking System. This is Global Economic Warfare, for the Zionist Banking Cartels to set up a Central Banking System inside Iran, for Global government control.

Yet, at the UN Security Council meeting the day the bombing started, the Western countries and their media outlets began blatantly attacking Iran for being bombed. This is narrative control and outright propaganda, while normalizing mass murder, and we are told that if we say that Israel is warmongering or committing a genocide, that its anti-Semitic. It's not anti-Semitic, and it has nothing to do with anti-Semitism at all, it is just the grim reality of globalization that needs to be faced, understood, and dealt with by the body of Christ.

The Beginning of Zionism

First and foremost, we must understand that every concept of Zionism stands in rebellion against every aspect of the Word of God. Zionism began as a political movement in Europe

in the late 19th century, primarily among Khazarian Ashkenazi Jewish intellectuals, and activists, (converted Jews, from fear of the Jews). They were responding to rising nationalist movements against their atrocities across the continent. **The central goal** of these non-bloodline, non-covenant, Satanic political Jews, was to emulate the semitic house of Jew-dah, then eradicate them all, take their place on the world stage, and cry antisemitism to gain support for the establishment of a **Jewish Zionist homeland in the historic land of Biblical Israel, controlled by the British Empire, to create the façade of legitimacy of the biblical family, then claim the promises of God made to Israel while eradicating the house of Judah in the process. Your greatest enemy counterfeits your root ally... Know your enemy!**

Key origins - Geographic beginnings: The Zionist movement largely developed in **Central and Eastern Europe**, in places like the **Russian Empire, Austria-Hungary, Poland and Germany**.

Political catalyst: Waves of violence against these satanic counterfeits in the **Russian Empire during the 1880s**, created the push and support among themselves for a national homeland.

Major founder - The person most associated with political Zionism is **Theodor Herzl**, an Austro-Hungarian journalist and self-proclaimed Atheist.

In **1896**, he wrote **Der Judenstaat** ("The Jewish State"), arguing that these politically converted Jews needed their own "state" for safety and self-determination.

Formal organization - The movement became internationally organized at the **First Zionist Congress** in **1897**, held in **Basel, Switzerland**.

There, Herzl and delegates founded the **World Zionist Organization**. Strictly a political organization that held a religious mask.

Earlier roots (before Herzl) - Ideas about the Zionist (non-semitic) Jews occupying the biblical family's ancestral homeland existed early on: Jewish religious and cultural traditions were adopted among Jewish Zionist communities for centuries. In the 1880's political movements using Hebrew terms such as **Hovevei Zion** or "Lovers of Zion" helped promote the Zionist settlement in **Palestine**.

In short: Zionism as a **modern political movement began in late-19th-century Europe**, became organized in 1897 in Basel Switzerland, and aimed to create its own Jewish State and homeland in the land historically associated with the biblical Israel.

We must with all due diligence, learn how to differentiate between the Biblical Jews and the Zionist Jews, and between the Biblical family of Israel vs. the Zionist State of Israel. We must come to understand the **different parts of Zionism, the political side, and the religious; i.e.**

the Talmudic & Kabbalah, Satanic side, and how it all led to the creation of the modern State of Israel in 1948. It is most important to understand.

The Biblical Family Group of Israel vs. The Modern Zionist State of Israel

"My people are destroyed for lack of knowledge..." — Hosea 4:6

I am a Messianic Jew, who has given due diligence to this subject matter, searching both sides from their beginnings to their ends.

Let me say first, that I stand with a firm resolve with the covenantal biblical family group of Israel, i.e. Jacob/Israel and his 12 sons/tribes in their biblical narrative, but I completely stand against the Zionist State of Israel that holds no semblance, nor heritage to the biblical family at all. They are simply a vague counterfeit in the age of the Great Deception, and a creation of the same two foreign principalities that changed our reality and curbed our destiny here in America. I.e. **The British king** and **The Pope in Rome**.

Understanding Who and What the biblical Israel is... should be straightforward. Yet in practice, it has been made unnecessarily complex. Many Christians struggle to distinguish between the modern Zionist State of Israel, and the biblical family group of Israel as they are described in Scripture. Israel is one man, Jacob/Israel and his 12 sons that make up twelve distinct tribes, and those 12 tribes make up one nation called Israel. Like our 50 states make up one nation today.

This distinction and understanding should be elementary. However, layers of historical, theological, political confusion and deception have obscured it, preventing most believers today from seeing beyond the surface narrative.

In a similar way, the House of Judah and the House of Benjamin; the remnants of the Southern Kingdom have experienced modern deception, identity theft, displacement, and devastating loss, most notably through genocide during the Holocaust.

In the aftermath, the land was re-occupied by foreigners, assigned a biblical name, and presented to the world as something fundamentally different from what Scripture defines. This rebranding of the Southern Kingdom excluded the ten Northern tribes of Israel and reframed its identity in a way that does not align with the biblical record.

This same pattern of similar name substitution, and misrepresentation, is the same action that has occurred in the governments of America, England, Scotland, and Ireland, where original identities and histories were overwritten and purposely obscured, so to occupy and control.

In accordance with the facts above, the remnants of the Southern Kingdom was subjected to a similar process, resulting in a modern construct, that bears a biblical name, while omitting the full biblical family it's supposed to represent.

“The key to freedom is knowledge. The key to knowledge is truth. The key to truth is the manufacturer. The greatest enemy to man is not sin or Satan, it is ignorance of truth. Ignorance is the cause of all destruction. -**Miles Munroe**”

Most American Evangelicals don't know how to differentiate between all the political factions and all the biblical characters, they continually mix the two together, collapsing the distinction between realities, into one confused narrative, driven by unexamined assumptions. This failure in proper discernment, obscures vital truths, and generates false interpretations, and leads men to project things that do not exist, while unwittingly misguiding others from a position of ignorance.

The cry of antisemitism today has become a cry of division from the hateful Zionist Zealot ...and the ignorant Christian Zionist.

Evangelicals worldwide are often deeply sincere, good-hearted, beautiful, compassionate, and well-intentioned in their faith. However, most remain vulnerable, in their gullibility, and naivety, in misunderstanding foundational biblical distinctions, particularly concerning the identity of Israel's family groups, the biblical Jews, the Palestinians, and the modern political ideology of Zionism. Political Zionism is not synonymous with the biblical Zion; these two arise from entirely different contexts and purposes. Conflating them relies largely on semantic manipulation, using familiar biblical language to legitimize a modern political project. This form of wordplay functions as semantic deception, a conceptual counterfeit, substituting political identity for biblical meaning.

It's very important here to differentiate everything in this very chaotic equation and put everyone in their proper place and order. There is so much more to the back story than most churches understand or are willing to research.

There are foreign non-covenant players involved here, that the church is not looking at nor willing to consider at all, not including all the different types of Jews there are, and the fact that only one type is in covenant with God today, and then there are those Jews that say they are Jews, but are not, but are of the synagogue of Satan. Evangelicals never consider this group in the modern narrative. Yet they are there.

So, let us rightly define all of this and get our definitions straight concerning the who and the what the biblical Israel is, and let us be honest with ourselves, and analyze all the facts on the table. This should become blatantly obvious to anyone that studies.

The Zionist State of Israel is not the same entity as the biblical family group of Israel by any stretch of the imagination. You have a real-world enemy that seeks to deceive and destroy you!

The biblical Israel is a family group comprising of 1 progenitor: Jacob-Israel himself and his 12 sons, each son becoming a tribe unto themselves. Each son was given their own land and territory. With Judah-the Jews, the 4th born son of Jacob-Israel becoming the Royal governing house of the twelve tribal nations of Israel. Jacob-Israel established in Judah, the Adamic kingship and the priesthood of the Melchizedek forever.

Now, Moses, Joshua, David, Solomon and part of the reign of Rehoboam held those 12 tribes in unity. As one big tribal nation. But since the scattering of the 10 Northern tribes of Israel in the time of Rehoboam and Jeroboam, these 10 tribes have not been formally regathered nor re-established in or around Jerusalem or anywhere on the earth for that matter.

The name Jew is an abbreviation of the name Judah, as in Jew-dah, they represent 1 tribe out of 12, not the whole of Israel as most Evangelicals teach.

The only family groups in Jerusalem today, are the remnants of the Southern Kingdom, which again are the tribe of Judah and the tribe of Benjamin, which have been there since the split of Israel in antiquity, along with these two, are Eastern European Political, Secular, Zionist Jews, which have no covenant ties to the biblical family nor their land, and are strictly secular political Jews by conversion only but control the entire Zionist State.

All we see in Jerusalem today, is merely a rebranding and re-marketing scheme, using the remnants and the face of the Southern Kingdom, while non-covenant political Jews control the government, the narrative and the outcome of the nation.

- Are the Zionist Jews in covenant with King Yeshua? No, they are not.
- Although prophetic... Is the temple they want to rebuild... is that what Yeshua wants from His covenant people? No, it is not.
- Are the sacrifices they want to reinstate... is that what Yeshua wants from us? No, it is not!

So, just because the secular, political, Zionist Jews named it “the State of... Israel” doesn’t make it the biblical family group of Israel. Especially when 10 of the 12 families aren’t even part of it. Two siblings out of twelve doesn’t constitute a family reunion of any kind ...in 1948 or present day. Especially since the two Semitic tribes of Judah and Benjamin that are there, have no voice there.

Gaza was made up of the world’s oldest Jews, oldest Christians, and oldest Muslims, (God’s seed) while the U.S. government, with the backing of most American Evangelicals, supported and aided in their genocide by the Israeli Government, whether you believe that or not, or whether you want to call it that or not. It makes no difference now; the deed is all but done.

But remember, ignorance of the law is no excuse, just as ignorance of God's Word, and rebellion to God's Law and His moral compass is no excuse. Repentance is our only way forward!

The Split of Biblical Israel and The Great Deception

Historical Timeline & Summary

The United Monarchy & Division (c. 1000 – 930BC)

- Like Moses and David, King Solomon ruled over the twelve tribes of Israel.
- After Solomon's death, his son **Rehoboam** became king.
- Due to the harshness of his rule, Israel splits into the **Northern Kingdom of Israel** - ten tribes, and the **Southern Kingdom of Judah** - the two tribes of Judah and Benjamin

The Scattering of the Northern Kingdom (c. 722 BC)

- The ten northern tribes practice idolatry.
- They are conquered, scattered, and assimilated among surrounding nations.
- These tribes become known as the "**lost sheep of the House of Israel**" and are still scattered in 2026
- The name "**Israel**" remains associated with these ten tribes.

The Southern Kingdom & Exile (586 – 516 BC)

- Judah and Benjamin remain centered in Jerusalem. And are named the Southern Kingdom of Judah, not Israel.
- They later rebelled and were taken into **Babylonian captivity** for 70 years.
- A remnant of the Southern Kingdom returned and rebuilt Jerusalem's walls (Nehemiah).
- Temple authority is restored under priestly leadership (later Sanhedrin). But the 10 northern tribes of Israel are still scattered

The Second Temple Period (c. 500 BC – 70 AD)

- Herod rebuilds the Temple.
- Temple duties are officiated by the Sanhedrin from the Priest of Judah.
- **Yeshua** appears during this period. He comes to the House of Judah first. States His mission for "**the lost sheep of Israel**" (Matt. 15:24).
- Through the crucifixion: Redemption for the 10 scattered tribes is made. Although they are **not re-gathered** at that time.

- Apostle Paul brings the gospel of Yeshua to the Gentiles, extending His redemption to them as well. Yet, the 10 northern tribes of Israel are still scattered

Post-Biblical Era (70 AD to Present)

- The ten northern tribes remain scattered and assimilated worldwide.
- Judah and Benjamin remain the only tribes historically gathered in Jerusalem.
- Accordingly: The modern semitic Jewish population represents ½ of the remnants of the **Southern Kingdom today**. The Biblical family group of Israel has not yet been regathered. Christ will regather them at His return.

Khazarian Empire & Conversion (c. 700 – 900 AD)

- The **Khazarian Empire**, a Turkic power between the Black and Caspian Seas, rises.
- Under King Bulan: Under pressure from Judah (war) the Khazar elite converts to Judaism. **Conversion is political, not spiritual nor ancestral.**
- Motivation: to hold neutrality between Christian and Muslim empires.
- Khazars are described here as pagan-Luciferian rather than biblical Hebrews.

Migration into Europe (c. 1000 AD onward)

- After Khazaria's collapse: Their converted leaders and constituents migrated into Eastern Europe. Settling in Poland, Lithuania, and Germany.
- These communities formed the foundation of **Ashkenazi Jewry**.
- They later identified themselves as the biblical Jews (of The Royal House of Judah), (The Royal governing House of Israel), **despite them being from the bloodline of Japheth, not Shem. They hold no Shemitic/Semitic ancestry. 1 Chronicles 1:6 – They are sons of Gomer, the son of Japheth; they are NOT part of the Royal House of Judah nor the covenant Abrahamic bloodline.** Therefore, they CANNOT hold any part in the kingship or priesthood of Christ, the Melchizedek. They are identity thieves.

Identity Shift & Narrative Control (Medieval – Modern Era)

- This identity claim becomes more than religious: It is a replacement of the ancient Hebrew lineage with a converted counterfeit.
- The Covenant, the Tribe, The Royal House, and The Abrahamic Inheritance are then claimed.
- Control of religious texts and a complete rebranding (Talmud, Kabbalah) and historical narratives followed.
- DNA testing is restricted in the Zionist State today to prevent ancestry verification.

Rise of Political Zionism (Late 19th Century)

- Zionism emerged as a political movement, not a religious or covenantal movement and has nothing in common with the biblical house of Judah - the Jews, or biblical Zion.
- Promoted by these same European elites and imperial powers. Know your enemy!
- Figures like **Theodor Herzl** framed Zionism as geopolitical, not spiritual or religious.
- Biblical language and biblical imagery are used to deceive and justify territorial claims.

The Zionist ideology as seen on pg. 20 & 21 is an Ashkenazi ideology. Yet, Jewish Semites are by minority Zionist. Christian Zionists, especially Evangelical Christians in the United States, outnumbered Jewish Zionist by tens of millions, which shows the gullibility of most American Christians. Most Jews in the world today **ARE NOT** Zionist! It is diametrically opposed to the Gospel of Christ.

But Jewish Zionists, specifically Ashkenazi's in the State of... Israel, and the US, are the ones who control the Zionist projects operationally worldwide. They control and run the government, the military, the settlements, the intelligence networks, and the global partnerships.

Through the conduit of Christian evangelism, and the pure ignorance of what Zionism actually is, Christian Zionists have become the majority of the Zionists worldwide. There are estimated 60 to 80 million Christian Zionists primarily in America, Latin America, Africa, South Korea, and parts of Europe.

They believe the modern State of Israel fulfills biblical prophecy. They ignorantly support Israeli expansion as part of the divine timeline. They fund, defend, and politically mobilize Zionist policies. By comparison there are about 15,000,000 Jews worldwide and only a small portion of them identify as Zionist. So numerically and ideologically Christian Zionist are the largest Zionist group in the world.

The Ashkenazi Jews and their banking systems are directly connected to the Nazi Party.

Historical connections between Ashkenazi Zionist leaders and Nazi officials are not speculative, but thoroughly and historically documented like in **The Haavara Agreement of 1933 as seen below**, which was a formal economic partnership between (Zionist controlled) German Banks, Zionist organizations, and the Nazi regime. It broke the global boycott of Nazi Germany, stabilized the Nazi economy, and enabled Jewish Zionist immigration to Palestine in exchange for German goods.

Key Zionist leaders negotiated directly with Nazi authorities, including SS officers to secure these transfers. These were not rogue actors; they were official representatives. Post-World War II Israel, absorbed former Nazi collaborators, scientists and intelligence assets just as the US and others did.

These figures entered through covert operations or were folded into institutional roles. Financial and Industrial Networks that funded the Nazi war machine, including banks and European elite families that were never dismantled, many of those same networks later backed the building of the Zionist State, their Arms development, and their international positioning.

Ashkenazi Jewish elites are historically financially and operationally connected to the Nazi system as their name implies. Not symbolically, not rhetorically, but through documented deals, shared infrastructure, and continuation of supremacist logic.

That connection is buried not because it's baseless, but because if it became widely known, it would collapse the post Holocaust moral shield used to justify the Zionist regime's existence. It would collapse **the ASSUMED** biblical and prophetic narratives.

The Creation of the Modern Zionist State of Israel (1948)

- Established with backing from: **The British Empire, The Roman/Vatican influence, the United States (Washington, D.C.) along with Zionist Bankers**
- European Zionist Jews became the political face of the Incorporated Nation State.
- The State rebrands by adopting the name “**Israel**” instead of the Southern Kingdom designation.
- This is absolute Identity theft, and prophetic deception.
- And the 10 northern tribes of Israel are still scattered.

The Palestinian Displacement (1948 to Present day)

- Khazarian-descendants claim divine right to the land.
- Native **Semitic Palestinians** are displaced or genocided.
- Palestinians are the world’s oldest Jews, oldest Christians, and oldest Muslims.
- The ongoing actions today in Gaza and the West Bank are the continuation of the same process from 1948, for “**The modern Greater Israel Project and Pax Judaica**”.

The Nakba: The Palestinians didn’t start a war on October 7th, 2025. The war against the Palestinians has been ongoing for 75 years. The Zionist State of Israel initiated it in 1948, by ethnically cleansing 750,000 people from Palestine. In Gaza, over 80% of them are refugees from a place called Majdal Asqalan, in what is now Southern Israel, in a city called Ashkelon. They were dragged and driven from their homes, placed in barbed wire prison camps, and in 1959, they were forcefully taken to the Gaza Strip where they were permanently warehoused. The Zionist State then proceeded to move Jewish refugees and Russians into Ashkelon to prevent them from ever coming back. So, understand, this didn't just come out of a vacuum, you just can’t hold people under siege, cut them off from the world, and then expect them to just play along.

Today in 2026, we can see an obvious genocide happening in Gaza and yet, the western world is propagandized to such a degree, that they believe the Zionist Jews are the victims.

Present Day (2025)

- The world now has accepted the narrative and fervently defends it. A worldwide deception with prophetic implications. (as in The Great Deception)
- While Media, finance, and political influence sustain the deception.
- The ten northern tribes of Israel are still scattered in present day 2026.

The regathering and unifying of the twelve tribes of Israel will come at Christ's return.

Ezekiel 37:21-22 One King over the regathered Israel - "Behold, I will take the children of Israel from among the heathen... and will gather them on every side... and I will make them one nation... and neither will they be divided into two kingdoms any more... And One King shall be king to them all." They are still divided into two kingdoms at this point in history.

Who Started World War I

Germany was asking for peace in 1916, so why did the war keep escalating? By 1916 Germany was in control of it's territory, France was getting crushed, and Russia was falling apart due to Bolshevism through Socialism and Communism, which was being financed by Jacob Schiff, head of the New York Jewish Banking House, Kuhn & Loeb. Socialism and Communism became the political movements of the "Jewish masters" to destabilize countries.

Now, Germany had literally proposed peace terms in 1916, and President Woodrow Wilson just ignored them. So, we must ask, **why would President Wilson ignore a peace offer?** It was because of what was happening behind the scenes. The Ottoman Empire still controlled Palestine, but they sided with Germany, and Britain fought against them in the Middle East, British forces led by Edmund Allenby, later captured Jerusalem in 1917.

So, Jewish Zionist leaders Chaim Weitzman and Nahum Sokolow knowing this would happen approached Foreign Secretary Arthur Balfour, and Prime Minister David Lloyd George of Britain with a deal... to get America into the war and secure public support and a promise for a Jewish Zionist homeland in Palestine. This was a geopolitical trade orchestrated by two Zionist controlled nations which led to the Balfour Declaration of November 2, 1917.

So, how did they pressure Wilson into going along with this? **Because of Three politically Influential American Jewish Zionists .**

Louis Brandeis, a Supreme Court Justice, and leader of the American Zionist movement starting around 1914, Brandeis used his close friendship with President Woodrow Wilson to

convince the U.S. government to support the Balfour Declaration (1917), which pledged British support for a “Jewish Zionist” national home in Palestine. He was the key bridge between British Zionists and the U.S. Administration.

Jacob Schiff, a New York Financier with Kuhn, Loeb & Co. who funded the relief efforts for Jewish communities through the American Jewish Committee.

Bernard Baruch, Industrialist & Financier, and these three men leveraged their high-level government access to advance both Allied victory and the Zionist cause, by heavily pressuring President Wilson for that particular outcome. These leaders helped shift the center of the Zionist movement from Europe to America through **(t)he United States government inc.** They facilitated fundraising for humanitarian relief for the Zionist Jews that were immigrating to Palestine, and they engaged in back-channel diplomacy to ensure the future of a Zionist homeland in Palestine was on the table during peace negotiations.

Meanwhile the Warburg brothers (Zionist) literally held financial stakes in both the German and American Central Banks profiting from war on both sides.

British planes dropped “Yiddish” Flyers over Jewish communities promising Palestine after victory. Jewish Zionist owned newspapers flooded America and Germany with anti-German propaganda, and inside Germany, Jewish Marxist led strikes cut munitions production, crushed morale, and triggered protests that would weaken Germany from within. Tactics we see being used in and against America today in 2026.

America entered the War on April 1917, and the very war Wilson promised to completely avoid, suddenly became his war. (sound familiar with Trump today). Germany was defeated from inside and outside. (sounds exactly like what they’re trying to do in America in 2026)

November 11th, 1918, Germany signed what they thought was a temporary Armistice, not a full surrender. Then Versailles (The French) punished them like they were the ones that started the war, setting up conditions that directly fueled World War II.

Germany was punished for a war they didn't start and sought to end. And that one letter sent in 1917 promised a homeland to the Zionist, brought America into WWI, and prolonged the war by two years and planted the seeds for later conflicts in the Middle Eastern.

The Zionist Jews, not the Biblical Jews, are the ones at the core of both World Wars and today in 2026 are the ones at the core of persuasion from the State of Israel to start World War III.

Alexander Solzhenitsyn on the Bolsheviks – “You must understand, the leading Bolsheviks that took over Russia, were not Russians, they were Zionist Jews that hated Russians and hated the graceful way of Christianity throughout the world. They were driven by ethnic and spiritual hatred. They tortured and slaughtered 66 million Russians, mostly Christians, from 1918 to 1957. One of the world’s largest genocides ever recorded, without a shred of human remorse. (And

During WWII these Zionist Jews; this synagogue of Satan, these oppressors of mankind twisted the narrative as they always do, and dared to cry the victim, while Hitler was at war with them for their atrocities in Germany and Russia and the surrounding countries.)

The October Revolution was not the Russian Revolution as you call it in America, it was an invasion and conquest of Zionist Jews over the Russian people. More of my countrymen suffered horrific crimes at their blood stained hands, than any people or nation ever suffered in the entirety of human history. It cannot be understated; that Bolshevism was the greatest human slaughter of all time! (and they carried this over to Palestine, and the surrounding nations, and they will do the same here in America if we don't wake up.)

The fact that most of the world is ignorant of this reality is proof that the global media itself is in the hands of the perpetrators. We do not state that all Jews are Bolsheviks, but without Zionist Jews there would be no Bolshevism.” - **Alexander Solzhenitsyn, Nobel Prize winning novelist & historian, and victim of Jewish Zionist Bolshevism.**

Who Started World War II

Historically it was Judea, but to be more accurate it was (the Zionist Jews of the world, that owned the Banks and printing presses) that started the war in Germany. But all wars are Banker's wars.

The largest and most regular contributors to the Nazi Party were the General Managers of two of Berlin's largest banks, Georg Solmssen, born Georg Salomonsohn and Theodor Frank were on the *Direktion der Disconto-Gesellschaft* (*the Board of Directors of the Discount Bank*), and Oskar Wassermann, and Emil Georg Stauss at the Deutsche Bank. **These men were supporters and leaders of the Jewish Zionist Movement in Germany, which provided essential funding and support to the Nazi Party and the Aryanization.**

World War II initially began as a territorial dispute between Germany and Poland, with the Zionist Jews right in the middle of it, just as they are today in the Ukraine, Gaza, Iran, Iraq, Lebanon, Syria, Jordan, Saudi Arabia, and any other offensive started by the Zionist State of Israel.

The Germans wanted back German territory that had been taken away from them and given to Zionist controlled Poland at the end of the First World War. But when the Germans under Hitler began taking back that territory in September 1939, Zionist controlled Britain and France declared war on Germany, "ostensibly" to protect the freedom of Poland.

The Germans had done nothing against Britain and France and wanted very much to remain at peace with those countries, but the politicians Winston Churchill in Britain, and Neville Chamberlin (appeaser for maintaining Arab stability) in France, had other considerations.

The fact that the Soviet Union also invaded Poland in September 1939 was fine with Britain and France, because they didn't declare war on the Soviet Union. The Soviet Union for all practical purposes had fallen under Communist Jewish rule.

They declared war on Germany because Germany under Hitler had broken loose from the grip of the Zionist Jews, and had freed the German media, German education, German finance, German politics and German culture away from Zionist Jewish influence, and was in the process of kicking all of the Zionist Jews out of Germany (thus their forced migration to America, Britain & Palestine) that was the reason for the Second World War, not Polish freedom, or Polish territorial integrity, that was the real reason why. When in April 1943, the German army discovered the mass graves of some of the 25,000 Polish officers and intellectuals murdered by Communists Jews, and invited the International Red Cross and Journalists from many nations to view the evidence, but the Zionist controlled media in **Britain** and **(t)he United States** ignored the evidence and blamed the atrocity directly on the Nazi Party and Hitler.

That was the reason why at the end of the war those Western Zionist controlled countries which had gone to war "ostensibly" to ensure the freedom of Poland, agreed to turn Poland and Latvia and Hungary and the rest of Eastern Europe over to the Zionist Communist butchers who carried out the massacre of those officers and intellectuals from the Polish nation.

And of course, these Zionist Communist Jews economically drained and ruined those countries, which is to say the Zionist Jews were the primary movers in the Communist Regimes imposed on those countries after the war, and they were also the primary beneficiaries of those Regime's political tactics. Just as they are today in 2026 in the western nations primarily Britain and (t)he **United States**, who are again provoking World War III from their brain Trust (The Zionist State of Israel).

Let's understand the situation of WWII clearly, and act according to TRUTH. In 1933 Adolf Hitler was unanimously elected in a free democratic election in Germany and appointed Chancellor to rid the country of these secular, political, communist, Zionist, Khazar Jews that are usurpers and warmongers, who are diametrically opposed to the Biblical house of Judah-the real Jews.

Hitler said at his death, "that he would be the reason that World War III would begin, and one of his soldiers asked him how? He replied, on the day mankind finds out that I was trying to defend and save my nation from the Freemasons, the Illuminati, and the Zionist Jews, that will be the day World War III will start, and if the (Zionist controlled) American government wins... they will conquer the world and forever be the slaves of these Zionist Jews, who will even try to conquer God". -end quote.

Now, if you don't believe this, it is understandable with all the propaganda we've been fed now for over a century and a half, but do not stand upon blind faith and assume you are right. You have a real enemy which has deceived us all here in America for over 160 years now and you have loved ones around you that deserve the truth. **Be Right and Do not Assume Anything.**

Heinrich Brüning's Letter to Winston Churchill Confirming Who Financed the Nazi Regime.

Dr. Heinrich Brüning was the pre-war Chancellor of Germany, the man who preceded Hitler. **Brüning** had the opportunity to see who was backing The Nazi Regime, and he wrote a letter to Winston Churchill (the British government) after he had been forced to resign and go into exile in England in August 1937, setting out the names and identities of the men who financed the Nazi Party. After the war Churchill requested **Brüning** for permission to publish this letter in his Great World History, the 6th volume World History, but **Brüning** declined.

In 1948 **Brüning** would write to the editors and Chief Editor of Life, Daniel Longwell, forbidding him to publish the letter which he had written to Churchill in August of 1937, because it was too painful in the view of everything that happened in Germany during the Third Reich, in view of course of the Holocaust, to have to admit this; **Brüning** said I didn't then, and I do not even today, for understandable reasons, wish to reveal that from October 1928, the two largest regular contributors to the Nazi Party were the General Managers of two of the largest Berlin banks, both of the Jewish faith and one of them the leader of Zionism in Germany. Georg Solmssen of the

‘Direktion der Disconto-Gesellschaft’, and Oskar Wassermann of the ‘Deutsche Bank’. These men and their firms later merged in 1929 under the Deutsche Bank.

Brüning’s 1943 manuscript is in a Dorothy Thompson collection in the George Arents Research Library, at Syracuse University, New York. **Brüning’s** letter to Daniel Longwell Chief Editor of Life dated February 7th, 1948, is in Longwell’s papers in the Butler Library, Columbia University New York. The proof of this funding is also proved in the details of The Haavara Agreement.

*** The Zionist Jews did to Germany in 1933, what they have done to the Palestinians from 1948 to present day 2026.**

The Haavara Agreement

The Haavara Agreement (Transfer Agreement) of 1933 was a deal between Nazi Germany and the Zionist Federation encouraging German Jewish Zionist to immigrate to Palestine by transferring some of their assets via German exports, helping - 50,000 German Zionist Jews escape the persecution of Hitler and boosting Palestine’s Yishuv, but sparking intense ethical debate over aiding Zionist/Nazis for survival, with actual documents often found in archives like the ones in the Kenyon College Digital Collection or the Yad Vashem PDF detailing its operation and controversy. You can find PDF summaries, analyses, and related materials on sites such as the ResearchGate, the Internet Archive, and Project MUSE.

What the Agreement Was:

Purpose: To enable German Zionist Jews, (the Khazarian Ashke-Nazi Jews) to immigrate to Palestine by encouraging them to transfer some of their wealth, despite Nazi restrictions. Even though it was all a Nazi ploy, disguising Nazi’s as Jews to invade and occupy Palestine and eradicate the covenant bloodline, which brought forth the Holocaust.

Mechanism: Ashke-Nazi Jewish immigrants deposited money in Germany, which was used by a special company (Haavara Ltd.) to buy German goods for export to Palestine; the goods were then sold in Palestine, and the proceeds given to the Ashkenazi immigrants.

Parties: Nazi Germany (Economics Ministry), Deutsche Bank, Zionist Federation of Germany, and the Jewish Agency for Palestine.

Key Takeaway: The Haavara Agreement was a morally complex pact, allowing so-called life-saving immigration for the Zionist Jews while being widely criticized with direct collaboration with the Nazis, all detailed in various PDF documents and historical analyses available online.

The Haavara Agreement was signed on 25 August 1933 after three months of talks by the Zionist Federation of Germany, the Anglo-Palestine Bank (under the directive of the Jewish Agency) and

the economic authorities of Nazi Germany. The agreement was designed to help facilitate the immigration of German Ashkenazi Jews to Palestine.

While it helped Zionist Jews to immigrate, they had to temporarily give up most of their possessions to Germany before departing. Although those assets could later be obtained by transferring them to Palestine as German export goods.

Hano Tea, a Zionist citrus planting company, applied in May 1933 for the ability to transfer capital from Germany to Palestine.

Hano Tea served to assist the German Ashke-Nazi Jews' immigration to Palestine as part of the Zionist endeavor. In a deal worked out with the Nazi German government, Hano Tea would receive money from prospective immigrants and use this money to buy German goods.

These goods, along with the immigrants, would then be shipped to Palestine. In Palestine, import merchants would then buy the goods from the immigrants, liquidating their investment. This arrangement appeared to be operating successfully and so paved the way for the later Haavara Agreement.

Connected to Hano Tea was a Polish Zionist Jew, Sam Cohen. He represented Zionist interests in direct negotiation with the Nazis beginning in March 1933.

“The Trust and Transfer Office”

The Trust and Transfer Office "**Haavara Ltd**" places at the disposal of the Banks in Palestine amounts in Reichsmarks which have been put at its disposal by the Jewish immigrants from Germany. The Banks avail themselves of these amounts in Reichsmarks in order to make payments on behalf of Palestinian merchants for goods imported by them from Germany. The merchants pay in the value of the goods to the Banks and the "Haavara" Ltd. pays the countervalue to the Jewish immigrants from Germany. To the same extent that local merchants will make use of this arrangement, the import of German goods will serve to withdraw Jewish capital from Germany. The Trust and Transfer Office, HAAVARA, LTD."

The Haavara (Transfer) Agreement was agreed to by the German government in 1933 to allow the Zionist Movement, in the form of the Haavara company to transfer property from Germany to Palestine, for the sole purpose of encouraging the immigration of Zionist AshkeNazi Jews from Germany. The Haavara Company operated under a similar plan as the earlier Hano Tea Company.

The Haavara Company required immigrants to pay at least 1000 pounds sterling into the banking company. This money would then be used to buy German exports for import to Palestine. The Haavara Agreement was thought of as being a possible way or cover to move the German "Zionist Jewish population to Palestine."

The head of the Middle Eastern division of the foreign ministry, Werner Otto von Hentig, supported the policy of concentrating Zionist Jews in Palestine. Von Hentig believed that if this

Jewish population was concentrated in a single foreign entity, then foreign diplomatic policy and containment of the Jews would become easier.

Hitler's support of the Haavara Agreement varied throughout the thirties. Initially, Hitler criticized the agreement, but shortly reversed his opinion, and continued to support it, in the face of opposition, through 1939.

After the invasion of Poland and the onset of World War II in 1939, the practical continuation of the Haavara agreement became impossible. In 1940, representatives of the underground Zionist group Lehi met with Von Hentig to propose direct military cooperation with the Nazis for the continuation of the transfer of European AshkeNazi Jews to Palestine. This proposal, however, did not produce results.

The IRGUN

The Irgun (or Etzel, IZL, officially *Irgun Zvai Leumi*, Hebrew for "**National Military Organization**," founded by Ze'ev Jabotinsky and Avraham Tehomi, was a right-wing Zionist paramilitary organization operating in Mandatory Palestine from 1931 to 1948, It was established by members who split from the Haganah to pursue a more aggressive, armed resistance against British and Arab targets, including the 1946 King David Hotel bombing for the purpose to gain sympathy for the establishment of their Jewish State.

To deeply understand the Irgun (Etzel), one must examine it as a **radical revolutionary movement** that fundamentally reshaped history through its ideological defiance, financial dominance, controversial militancy, and eventual transformation into a pillar of Israeli politics.

Key characteristics of their Ideology:

- **Ideology:** The Irgun was the military manifestation of **Revisionist Zionism**. Believing in armed struggle to establish a Jewish State. **Which goes completely against the Bible.**
- **Activities:** Carried out over 60 attacks during the 1936–1939 Arab revolt and engaged in a violent insurgency against British rule and were instrumental in pushing the British to evacuate Palestine in the 1940s, influencing the region's partition then.
- **Advocated For:** the immediate establishment of a Jewish State for the Zionist on both sides of the Jordan River. Mind you, that the biblical house of Judah, from where the name Jew originated can never hold statehood/become a State. The House of Judah can only be a tribal Nation, never a Nation State.
- **Tactics:** Known for using "active resistance" and armed force, including sabotage and guerrilla warfare, as the hidden hand of the more moderate and diplomatic approach of the Jewish Agency.
- **Designation:** The British authorities, as well as many contemporary international bloodline Jews, classified the Irgun as a terrorist organization due to its attacks on civilians and government officials.

- **Dissolution:** Following the establishment of the State of Israel in 1948, the group was “formally” dissolved, and its members were integrated into the newly formed **Israel Defense Forces (IDF)**. Change of name only.
- **Political Successor:** The group's political wing evolved into the **Herut** party, which eventually became the modern-day **Likud** party.
- **The "Iron Wall":** Jabotinsky argued that Arabs would never voluntarily agree to a Jewish State; therefore, a Jewish military "iron wall" was the only way to secure the nation.
- **Greater Israel:** Unlike the mainstream Labor Zionists who were open to partition, the Irgun initially demanded a Jewish state on both sides of the Jordan River. Which today is called “**The Greater Israel Project**”. Which makes up the nations of Palestine, Jordan, Lebanon, Syria, Libya, and parts of Egypt, Saudi Arabia, Iraq, and Iran whom they have bombed and or bombing at present 2026, and shown on the arm patch of the IDF Soldiers below, which outlines that border and shows these nations above as part of that Greater Israel Project. (See more on The Greater Israel Project on Pg. 40)

Monism: The belief in "one flag" and “the national cause” above all social or class struggles, which put them at direct odds with the socialist-leaning Haganah. Their One Flag is the Star of Remphan, aka the Star of Molech, known today as the Star of David.

Irgun's Historical Legacy

- **Military Success:** Irgun's insurgency was the primary factor that forced the British to leave Palestine.
- **Terrorism Charges:** Critics, including many contemporary world leaders and Jewish intellectuals like Albert Einstein, condemned their tactics as terrorist and morally destructive.
- **Political Dominance:** The Irgun's political successor, the **Herut** party (later **Likud**), eventually broke the Labor party's 29-year monopoly on power in 1977, bringing Menachem in as the Prime Ministry.
- **Irgun's legacy** is defined by **death** and **destruction**, by **identity theft** and **fraud**, and by its transition from a radical underground militia to the cornerstone of Israel's political establishment and IDF. They are Masters of disguise and Master counterfeiters of the Semitic peoples, even resurrecting the ancient Hebrew Language.
- **The Holocaust** was the systematic genocide of the semitic people from the tribe of Judah, carried out in Europe by the Nazi Party in Germany, and paid for by **Zionist Bankers in NY & Berlin**, who also cleared the path in Palestine for the Zionist occupation, by slaughtering the world's oldest Christians, Jews, and Muslims there from 1931 to 1948, and still pushing them further out today, as seen in the present-day genocide in Gaza.

The Greater Israel Project

A Political/Religious Ideology

The ideology comes from **the Bible Genesis 15:18**, where land of the biblical family is described "from the river of Egypt to the Euphrates."

The Zionists, which are political converts, say they believe the land was divinely promised to the descendants of **Abraham, which they claim they are, but are not**. They are Ashke-Nazi Jews

They project onto the World that the modern Zionist State of Israel has a spiritual or covenant-based claim to Palestine and to a broader territory around Palestine, but again, Zionism was born as a political movement, not a spiritual movement. This Greater Israel Project is not **theological**; it is purely a political global movement by its nature and ideology.

Important: Even the Semitic Jews which are not in Covenant, **do not hold to this ideology**.

Within **Zionism**, there have historically been **factions** that envisioned a larger territorial State.

Formal maps of the project propose these wider borders. The Zionist State of Israel today supports this expansion beyond its current borders by evidence of whom they are attacking at this very moment.

Even the **mainstream position of the State of Israel** has been focused on: Territorial disputes with its neighbors the very neighbors that make up The Greater Israel Project, (e.g., West Bank, Gaza, Jordan, Lebanon, Syria, Libya, Egypt, Saudi Arabia, Iraq, and Iran) which combined is the formalized Greater Israel expansion project in the Middle East. (**Again, seen on their soilers arm path above**)

The Israeli Hasbara Project

Hasbara, literally meaning "explaining" or "explanation," it is a term used to describe Israel's public diplomacy, strategic communication, and international public relations efforts. It is a proactive, state-orchestrated campaign designed to influence global media coverage, shape public opinion, and justify Israeli government policies, particularly its military actions concerning The Greater Israel Project and the conflicts that arises from it.

Launched in 1983 to influence American media here. The Zionist State of Israel set up permanent institutional structures to control how Americans perceived reality in the Middle East. The aim was to ensure favorable press in the U.S. media. The goal was to train Israeli diplomats in communications and public relations.

They trained American press officers in Israeli consulates in the US to ensure that American journalists would write stories favorable to the Zionist State of Israel. The press officers in the 1980s would have breakfast, lunch and dinner with journalists which involved seeding conversations with producers of leading news and TV talk shows, for the content of their programs. It was a joint formulation of ideas. This was direct targeting of the American media, while controlling optics and the mainstream narrative which still goes on in the present day 2026.

All the major television news networks and newspapers in America have long ago become too scared to stand supreme upon their duties as journalists, they do not monitor the centers of power when it comes to the relationships between America and the Middle East, The State of Israel, the Arabs or the Palestinians. They will not ask the right questions, they will not report things using the correct words, they will not confront the true reality of things, and they have given up true journalism from fear of the Zionist Jews.

The Israeli Hasbara budget for America in 2026 is \$729 million dollars. Now ask yourself why? Because it's a propaganda machine to control all narratives.

The Zionist State of Israel; It is what it is...

Everything here is historically factual, and if you doubt it, you have access to the internet, so you have the means to verify or debunk everything here, if you know how to dive deep enough and steer past the propaganda and look to historical documentation.

The modern State of Israel is the Abortion capital of the world.

In the State of Israel, you can legally kill a baby in the womb up to full term, up to the very moment that baby is born, and the Israeli government will pay for it with the help of American tax dollars.

Do we hear any backlash from our Church leaders or from The Family Research Council, or Focus on The Family, or any other so-called conservative Christian pro-life pro-family entity about the State of Israel being the abortion capital of the world? **Absolutely Not!!**

Tel Aviv not San Francisco is the Homosexual capital of the world.

The Zionist State of Israel is the Mafia Crime capital of the world.

The Zionist State of Israel is the Sex Trafficking capital of the world.

Jeffrey Epstein is just one of many Mossad agents involved in sex trafficking for the purpose of bribing powerful politicians all over the world so the Zionist can control their positions, their voices and their votes.

The Zionist State of Israel is the Warfare capital of the world.

Most wars that America has been involved including World War 1 & 2, was directly and covertly influenced by The Zionist Jews or the Zionist State of Israel.

The Zionist State of Israel is the Genocide capital of the world.

Do you know that since The State of Israel Inc. became a Nation-State in 1948, over 5 million Palestinians have been killed by the Zionist State. Over 5 million of the world's oldest Jews, oldest Christians, and oldest Muslims murdered. That is a genocide no matter how you look at it!

Even as you read this in 2026, multiple genocides are under way by the Zionist State, done under their proclaimed ensign, the Star of Remphan, which is the Star of Molech, as their actions and deeds wholeheartedly reflect and prove who they serve.

Communism, Zionism, and Judaism are all of the same root. The largest Genocide in Christianity ever, died in Russia in the late 1880's through the mid 1900's by the hands of the Zionist Bolsheviks Jews. 66 Million Christians died. Now, look at what's playing out in Gaza, the West Bank, Lebanon, the Ukraine and all the surrounding nations from Jerusalem today, it's genocide, it's a Holocaust of Christians, Jews and Muslims, by the exact same characters, with the exact same ideology. While our modern Churches sit clueless and propagandized.

Who Truly Controls America in 2026?

“We, as the American people will never be free... not truly free, not until we get rid of these Zionist Satanic Jews! Now, I know that most of you” inside the box Christians” may not want to admit that... and you don't have to... but I will say it!

You just sit there and think about what I'm saying, and be honest with yourselves and analyzes the facts... Who is truly running things here in America, It's certainly not the American sovereign birthright heirs!

So, let's look at things in a different way.

It is the Zionist Jews that own and operate Big Banking and the Central Banks in America.

It's the Zionist Jews that run “The American Medical Association”, and Own the Pharmaceutical Industry nationwide, where they create and distribute most all pharmaceuticals nationwide, better known as “**Big Pharma**”. **NOTE:** They have never found a breakthrough cure for anything Major or Minor. All profit, No Cures.

It's the Zionist Jews that run “The Dental Association” ... you don't seriously believe it was someone in our scientific community that decided to put mercury fillings in the mouths of the American people, knowing full well Mercury was toxic. That along is an Act of War for profit against we the people, for the benefit of “Big Pharma”. Again, owned and operated by Zionist Jews.

It's the Zionist Jews that control the BAR Associations and the Legal/Court systems nationwide. The B.A.R. Associations aren't public institutions, they are private guilds, that have quietly an unconstitutionally taken over our American government through law. (13th Amendment)

It's the Zionist that runs our Education Systems here in America from start to finish. The public school system was set up by Fascist, on the Prussian Military model. In 1865 The Morgan Grenfell company created the Peabody Education Fund. In 1899 George Foster Peabody created Southern Education Fund. In 1906 John D. Rockefeller gave 1 million dollars to charter the General Education Board, and in 1960 THE ROCKEFELLER FOUNDATION absorbed the General Education Board, hence the Education System we have today, with Robert Maxwell, the infamous Israeli Spy, and (father of Ghislaine Maxwell) and contractor to McGraw-Hill, who wrote the Curriculums for most all public schools across the nation, whose books are still being used in our school system today.

It is the Zionist that owns the major Publishing Houses.

It is the Zionist that controls our Patent Office.

The Zionist Jews that own and operate all the Major Colleges. They are the scribes who write and direct the ways of our culture, who direct the narratives of our lives, our future, and our destiny.

It is the Zionist that controls most of the “Music Industry” from production to distribution. Our music, and our creativity, are cultural and communal pillars within our communities. Our

music and our creativity are part of our living expression and experience. What they are doing is blatant Witchcraft over us all!! Someone else is controlling our path and our trajectory. Even though, our path and our trajectory are ours to administer and to direct.

The Sovereign birthright heirs of this nation are not the ones controlling the narrative today. We should be, but we are not!

It is the Zionist Jews that own and operate the world's top technologically advanced Media Companies, and they are the ones that market and sell us on personal and collective world views, and those things alter the trajectory of our destiny... and they do it at their discretion, creating and dictating the narrative and then hammering that narrative over and over until it takes.

It is the Zionist Jews that own and operate "Big Media".

It is the Zionist that own and operate the ultra processed food industry specifically designed to make us and keep us all sick.

It is the Zionist Jews that control The Food and Drug Administration and the Center for Disease Control that allows all the poisoning of our people. They are Criminal networks.

It's the Zionist Jews that are buying up all our farmland, our livestock farms and our freshwater springs, who manipulate our food and our water sources, to only sell us back the corrupt versions they patented. They use the land for Energy farms or Data Centers that poison the land and the local water sources while depleting them.

It is the Zionist that control the Scientist working in America and abroad, who are geoengineering the weather, and using it as weapons of warfare, they create drought and seed major windblown storms with biological weapons like (C-19) used against all parts of the world.

It is the Zionist that own and operate the majority of “The Hollywood Movie Industry” working in tandem with the “Alphabet agencies” with **the foreign Federal subcontractors.**

It is the Zionist Jews that control the Military Industrial Complex in America. It is our Air Force that is spraying our skies with barium (and barium compounds), aluminum (or aluminum compounds), strontium, various metal oxides or salts, polymer fibers, thorium, silicon carbide; a plethora of herbicides, biological agents and “mood and mind-altering” compounds. Contaminating us, our land and our water. For all intents, and purposes, the Pay Master for our American Military is SERCO a British owned and Zionist operated company. A proxy of **The Three City States; Great Britain, Rome, and the USA INC.** who are the creators and benefactors of The State of Israel. Our military is fighting The State of Israel’s wars, for **the British & Roman Empire’s** to create a One World Government operated from Jerusalem, for **The Revised Roman Empire.**

It’s the Zionist Jews that control the entirety of our federal government Service Providers. They control the Senate, the House, Congress, and most representatives and agents that work in the Federal Commercial Jurisdictions. They Control all governmental departments within the Federal apparatus. Even **the Presidents** bows to the power of the Zionist Jews, as Trump has now displayed on live tv in the early months of 2026. Yet, it has been this way since directly after the Civil War, and ever progressing, and it has been proven abundantly clear time and time again”.

There are 474 members in the White House and of them, there is 155 Jewish Zionist members. So, there is 33% of Jewish Zionist members in the White House, holding major positions, but only 2% of the population in America are Jewish. Not including the Christian Zionist that support them.

Netanyahu said himself; “In America, we have control of the Senate, the Congress and a record strong Jewish lobby on our side. We have a strong influence over the general support in America, and America won't force us into anything. America is a golden calf and we will suck it dry, chop it up, and sell it off piece by piece, until there's nothing left but the world's biggest welfare state, which we will create and control, that is what we do with countries that we hate, we destroy them very slowly” -Benjamin Netanyahu. Record at Finks Bar in Jerusalem 1990.

93 out of 100 US Senators are funded by Israeli lobby

Everyone knows Satan controls the world of Commerce, which controls the flow of life supporting commodities for the natural world, yet none of you want to except the fact that, that means our country as well. And that flow of power comes through the Vatican into the Three City States, as well as their proxy “**the State of Israel**”, by using these counterfeit Jews and their synagogue of Satan for their end goal of bringing forth a world government controlled from Jerusalem.

It is imperative that the body of Christ learns how to differentiate between the biblical house of Judah, (the Jews) **vs.** the Secular Political Zionist Jews, and between the biblical Israel, which is Jacob/Israel and his twelve sons, who God Chose as the covenant family **vs.** the modern Zionist State of Israel. One is a family group, and one is a Secular Political Movement. That difference means everything in the Covenant world.

Nazi Germany vs. Present Day America

It is dreadfully and irritably similar. The same tactics the Zionist used in Russia and Germany in the late 1880's and early 1900's are the same tactics being used in America today. Just look at how our country is being destabilized. **Look at inflation, the debt, the crime, the sexual perversion, pedophilia, child abduction, sex trafficking & slavery, satanic child blood ritual sacrifices, look at all the government corruption, look at how the Zionist Jews have infiltrated every facet of our federal government.** look at these things clearly and understand, there is not a dissimilar situation between America today, and Bolshevism in Russia in the late 1800's or Nazi Germany in the 1930s. It's the same people group committing the same atrocities here today. And our people and our Churches need to Wake up before it gets worse!

Analyze all the repetitive patterns between us now and them then, and realize the consequences if this history repeats, because it is. When Adolf Hitler came to power Russia and Germany was on their knees, just as America was prior to Trump, and within short order, within two to three years, Germany was no longer a destitute nation, and it had shed all of it's national debt, which it could never pay back. Basically Hitler told the Zionist Rothchild Bankers to hit the road, and that was why they hated him. (Same for Trump) 6 million unemployed, all of them were employed within three years, 2 million homeless, all of them were housed within two years. (Sound familiar? Its because History is repeating.)

The reason they don't want you looking deeply into WWI, WWII or Adolf Hitler is because the national socialist policies which they mislabeled as “Nazi policies” were actually created by the Zionist Jews. Deflecting... they placed blame on the Nazis for what they created and were doing to the Germans and Russians themselves. They were the actual Nazis. A Nazi equates to National Socialism, the very system created by the Zionist Jews.

All the answers for America today, lie where every mind controlled American will never look. In the Bible, in our foundational documents, in our History Books! **History is repeating and American Christians are not paying attention.**

Then, in Germany with a man named Hitler, and now, America and a man name Trump, both unanamously elected for change, and to stamp out Zionism, and of course that all depends on who is telling the story, or what lens your looking through, especially when in 2026 it is the Zionist Jews that are still controlling and writing our school's cirriculums. Again let's look at Socialism and Communism, and Facism that is being thrust upon America; who created these systems of governance? The Zionist Jews did.

Winston Churchill said regarding the Zionist Jews, “that they were the most formidable and the most remarkable race which has ever appeared in the world.”

Can you not see what's going on right in front of your eyes? Do you not realize that a group of people that say they are Jews but are not, whom Christ called the synagogue of Satan, are trying to distort the truth and propagandize the world once again in real time, and cause Christians around the world to believe something that is in direct violation to everything in the WORD of God, and everything that is in our organic Constitution. Allow your eyes, your mind and your heart to see the truth of this Great Deception heaved upon all the world?

Let me say that if I'm wrong in this exegesis, which I'm not, then there is nothing you must contend with, but if I'm right... then the church has a major problem. She must stand up and be counted as one of The King's heirs and overshadow the works of these deviants in their worldwide deception, with Truth, by establishing the Kingdom of God in a real-world working order, for our people to emulate.

Galatians 4 clarifies that believers are **adopted sons and daughters of God** with intimate access to God the Father, and to their birthright inheritance. (But we must first mature in the ways of our sovereignty, and in the ways dictated from our inheritance, only then can the appointed time come for us to fully stand as Christ's birthright heirs. But not until then 5-Fold.)

Galatians 4 focuses on the contrast between **immaturity as spiritual slavery, under the law**, and between **maturity that brings real freedom as a sovereign that stands with Christ upon the law**.

Paul compares spiritual maturity to the development of the lawful heir in a real-world application, such as we need today.

Again, Power does not fear polite disagreement, it fears real challenge and change, that is why moderates are promoted, and radicals are erased, not because one is right and the other is wrong, but because one is system safe.

For 16 decades now the truth of our national status has been buried under lies and deceptions, which are now being slowly released, and some people call that slow drip of intel “Cultural Decompression.” Because if you drop a block of paradigm shattering information on the masses, you don't get enlightenment, you get pure confusion and chaos. So, institutions don't move fast

when reality shifts. They move carefully, sometimes clumsy, sometimes strategically. Nevertheless its pressure management.

Whistleblowers have went on record, intelligence officials have testified under oath, State and Federal agents along with Congress has held hearings, those are not small acts, that's not spoon feeding, that's the stigma of facts slowly dissolving the false paradigm in real time, the real shift isn't the Epstein files, it's the entire fraudulent system that supports this unlawful paradigm.

History scholars went from being called crazy by Secular Academia, saying there could be no way all this is true... to now saying... well, we just don't know... and once our American and Western culture admits that it doesn't know, there's no going back to the status quo, that's what disclosure is all about, that's not indoctrination, its cultural decompression, releasing at an absorbable rate, this is the beginning of our national and spiritual evolution in real time. And we will either take it all in as the Head, and just as necessary, as it all comes in, or become captive by it at the tail end of things once its here. That will become an evident thing when looking upon each independent body and their leadership.

The earth is Yeshua Hamashiach's and everything in it. and its time for His birthright heirs here in America to rise up and bring His Kingdom back into order, and occupy it, and administer it in peace, lawfully and properly.

What will history record about the Covenant people from this generation in America? That we stood by in silence? That we tried but faltered? Or that an awakened, unified, and resolute people, chose to rise up and stand on their rightful and lawful birthright authority, and reclaim what was endowed and entrusted to them?

Jeremiah 16:21 The Prophecy concerning the last days; "Behold, therefore I will **this once** teach them: I will show them mine hand and my power, and they shall know that my Name is Yehovah. The message of Jeremiah is to pluck up, to root out, to throw down and to destroy and then to cultivate, to plant and to water.

Responsibility and Accountability to truth now lies within your hands, regardless of how you see things. Silence and lack of action is Acquiescence.

Peace and Love in the Beautiful Name of

Yeshua HaMashiah, our Savior & Bridegroom
