

# Witchcraft Runs Rampant in the Church

## Major Steps by the Trump Administration to Eliminate the A.B.A./B.A.R.

**Association.** The Church desperately needs to understand this!

The BAR Association is a “ferry franchise” it works in the space between the living people and the corporate government, in the commercial jurisdictions of government.

In reality ... **it is one of the largest multifaceted entities practicing witchcraft openly on the world stage today**, and some may think that statement is a little dramatic or harsh, or out of place, but it's absolute truth.

The BAR is Not a Judiciary—It's a Private Membership Club for Statute Merchants.

With Trump's announcement that the American Bar Association (ABA) is being cut off, the real question isn't just about one association—it's about the entire BAR system worldwide.

The ABA is just one extension of an international private membership guild, operating under the false and fraudulent pretense of “law” when in reality, they are nothing more than creatures of statute. They are merely administrators of corporate rules, **NOT true law**.

When you begin to understand this, you will see the actual witchcraft behind it.

Black's Law Dictionary used by the BAR, is a book of common words used by the public but redefined by the BAR Associations to manipulate reality in the courts for the financial benefit of the court system and local Municipalities, doing so without the public's knowledge.

**“The basic tool for the manipulation of reality is the manipulation of words. If you can control the meaning of words, you can control the people who must use them.” - Philip K. Dick**

**Dick** The manipulation of words is the truest definition of witchcraft.

Let's break it down:

### 1. The BAR is NOT a lawful judiciary

- It is a private, foreign-controlled guild that operates outside of divine law.
- BAR “courts” are administrative corporate tribunals, enforcing commercial statutes, **not law**.
- These courts trade under the Court Registry Investment System (CRIS), turning cases into securitized financial instruments—every case is a financial transaction, **not justice**.

### 2. They operate under legal fiction, not reality

- Maxim of Law: **Legality is NOT Reality**.
- **BAR members do not practice law**, they administer statutes, which are legislative corporate rules for corporate entities designed for profit, **not justice**.

- Every case they touch is about monetization, not truth or equity.

### 3. **The BAR system is an arm of piracy**

- BAR attorneys are officers of the court first, not representatives of men and women.
- **Their first allegiance is to the corporate court system**, which operates for profit under Maritime law, commercial law, **NOT under Land law, nor under God's law.**
- **All "legal proceedings" are contracts, i.e. commercial transactions, making the BAR nothing more than a financial racket designed to control the estate trusts of the living.**

### 4. **A judiciary can only exist under law, NOT statutes**

- **Law comes from divine authority**, not from legislative corporate bodies.
- **True law is unalienable and applies equally to all men and women**, while statutes are selectively enforced based on contracts, commerce, and deception.
- **The BAR hijacked the concept of a judiciary and turned it into a privately run guild**, excluding those who do not subscribe to its fraudulent system.

Trump's move to sever the ABA is significant, but the fight is bigger than that. **The entire BAR structure—worldwide—must be exposed for what it is: a fraudulent, monetized, securitized commercial operation that has NOTHING to do with true law.**

**It is time to return to divine law, the only true law that governs all creation.**

**The BAR must be dismantled entirely, not just defunded. No man or woman should be enslaved by a system that operates on fraud, conversion, and deception.**

This keeps the focus on educating the public about the real agenda behind the BAR Associations while linking it to the momentum from Trump's announcement.

It also reinforces the divine law perspective and calls for the complete dismantling of the BAR Association worldwide.

Delivering their clients to the court is their primary focus. If you have had a divorce, child custody battle or Child Services battle, you should know lawyers and judges ignore the constitution and rules of law. They hide behind qualified immunity and protect all B.A.R. members regardless of the state or chapter. **They are all part of the "British Accreditation Registry".**

Having the lower courts honor the rule of law with enforcement of breaking up the BAR will definitely make such possible. Why? Lawyers will no longer protect just the club, they will be forced to take on cases that are based on merit vs. profit, and they will no longer be able to refuse to sue one another for violations. Such as Section 1983-85 violations.

**The American British Accreditation Registry must be shut down and dismantled!!**

## How the Courts Changed America's Sovereign Reality, While Changing the Path of Our Divine Destiny.

It is Important to know that in 1954 our *foreign* federal government subcontractors changed the **American Common law court system** to an **International Commercial law Court System**. Under Maritime Admiralty law (British Naval Law) and Roman Civil Law (Roman Law), without a vote or consent or push back from we the people. Thus, the reason there is no Justice.

Again - "The basic tool for the manipulation of reality is the manipulation of words. He/they who control the meaning of words, controls the people that must use them."

### Semantic Deception = Grammer Fraud = Witchcraft & Sorcery

#### The Root of the Word "Grammar"

- Grammar comes from the Greek *gramma*, i.e. letters or writing. In medieval Europe, "grammar" often meant "**language rules**," on the side of life and light, but on the dark side of life "arcane knowledge", such as the gramarye - was grammar like" or grammar-ish. Over time, *gramarye* came to mean **sorcery or occult learning and language**. This is where the connection between grammar and a grimoire or book of spells comes from.
- To "cast a spell" literally means to arrange letters or words in a certain order to bring about a desired outcome or effect. Like ancient Hebrew, in witchcraft, words, names, and letters are carriers of intrinsic power. Saying or writing them can shape reality.
- **Witchcraft is a system where power flows not from truth, but from those who control the grammar in law.**
- Because **power works through law, and law through language, and language through the writer's authority.**

Witchcraft is the perversion of words and truth, it changes the common meanings of everyday words, to deceive the people without their knowledge, to have control over them in commerce. It's pure demonic witchcraft.

The Lawmakers, using the Black's Law Dictionaries, under the tutelage of the B.A.R. Associations, practice modern-day word-sorcery, by redefining our words and terms, to bind the populace under hidden obligations. They redefine words like "*person, citizen, and contract*, so the people think one thing, while the court system enforces another.

Bouvier's Law Dictionary vs. Black's law Dictionaries  
Book of Law vs. The Grimoire/Book of spells

Blue = American constitutional law, common law and maxims of law

Orange = International British Naval Law/Maritime Admiralty Law/Commercial law/BAR Law

Green = Global Roman Civil Law/Commercial law/BAR Law

Witchcraft is a system where power flows not from truth, but from those who control the grammar of law. **Here is a major insight, that the powers that be, don't want the population to understand.**

Our entire reality changed, the day that our system of Law changed from lawful to legal, when the very definitions of the words we used in law were changed, and the clearest proof to what happened is seen when our Bouvier's law dictionary was exchanged for Black's law dictionaries.

Bouvier's Law Dictionary was written before the B.A.R. Associations came to control everything in America, by the very actions of the Black's Law Dictionaries.

Bouvier's was written when the Constitution, the common law, and the maxims of law, were still the highest authority in all courtrooms.

This was the era when the people stood as the lawful sovereign birthright heirs of the nation, when the courts were required to obey natural law, public law, common law and constitutional limitations.

Black's law dictionary came later, after the rise of the BAR Association. Over time, each new Black's Law Dictionary edition slowly removed more of the maxims and softened their meanings, and replaced natural law, with statutory interpretations, and administrative procedure.

**This shifted Sovereign Power away from the people, which caused every new meaning of every changed word to lean towards the Corporations, Bankers, Judges, Politicians and the government agencies they created.**

Here are a few examples below.

1.) In Bouvier's, Fraud violates and vitiates everything it touches, in Bouvier this maxim is absolute. If fraud touches any part of a case, the entire case collapses. Fraud destroys consent, destroys jurisdiction, and renders any judgment void.

But, in Blacks, the same maxim becomes **conditional**, fraud is subject to procedure, subject to proof requirements, and subject to what the court decides is fair. This transforms absolute protection into a negotiation, with a negotiable guideline.

2.) In Bouvier's law dictionary, "No man may be judge in his own cause. In Bouvier this is a jurisdictional barrier, if a judge as an officer or government actor, has a personal interest in the outcome then they lose all authority, the case becomes void".

In **Black's law dictionary**, this maxim becomes **the suggestion**, it applies unless the court decides it does not, it applies unless the party fails to object, it applies unless the judge finds no prejudice. This removes the safeguard and replaces it with judicial discretion.

3.) A thing that is void, is as though it never existed. **Bouvier** treats void actions as a legal nullity. **Black's law** changes **void into two categories void and voidable**. **Blacks** allows a void action to still produce consequences, if the court decides to enforce it.

This defeats the entire purpose of the maxim. You can see the pattern clearly.

- **Bouvier's Law Dictionary** is rights based.
- **Black's Law Dictionaries** are system based.
- **Bouvier** limits government.
- **Black's Law** protects government.
- **Bouvier** treats maxims as Superior law.
- **Black's Law** reduces the maxims to ancient sayings, with no binding force, and then they began operating under a commercial statutory system.

This is why modern courts ignore our organic Constitution, unless you force them to acknowledge it.

This is why fraud, conflict of interest, and lack of jurisdiction no longer destroy a case as they should. Because the definitions of our words which we use in our system of law, have been changed, therefore the system itself has changed, along with the form of law used in the Court System has changed. Because our **foreign government Service Providers** changed the rule book behind our backs, by changing the very definitions of words used every day in our Court rooms, now only using **Black's law dictionaries** and definitions and shelving the **Bouvier's law Dictionary**.

This is why we go back to the Maxum's. This is why we use **Bouvier's law Dictionary**. This is why we are restoring the foundation our founders relied upon, and they will learn to fear "the people" again, because the people have come to learn the law for themselves, **and once they learn the truth, they can no longer be controlled by a system built upon altered definitions!**

It's the most ancient beguiling trick of the serpent. A forked tongue, through slight of tongue and pin, has changed our whole reality, through the Black arts of Witchcraft!

### **It is absolute demonic witchcraft**

- **Black's Law Dictionaries** is their grimoire,
- **Statutes** are their spells, and
- **their Lawyers** are the priests of the Craft.

Again, witchcraft is a system where power flows not from truth, but from those who control "the grammar of law". Because power works through law, and law through language and language through the writer's authority.

They act as a modern priesthood of linguistic sorcery, practicing a form of witchcraft by perverting common words into hidden legal terms, this creates binding obligations we the people never knowingly agreed to, and turning language itself into a system of control, which is absolute which craft.

**Harold Wallace Rosenthal, a Talmudic Jew**, while working in the U.S. government under Senator Jacob Javits in 1976 said; "Most (Talmudic) Jews do not like to admit it, but our god is Lucifer and we are his chosen people. Lucifer is very much alive."

**Our forte is division and duplicity.**

Us Jews (Talmudic) are taught that we must become lawyers so we could control and strangle the courts, the court system, and even the judges, unless they were Jews. That we should become doctors and teachers and leaders in all the marketplace, even within the churches, to control every outcome, and this goal has almost been fully accomplished.

More than 12,000 doctors are graduated from medical schools in the United States every year and almost 10,000 of them are Jews. **Among the law students the Jewish percentage is even higher.** Jews are on such a solid foundation here in the United States that any kind of opposition to our control would only be temporary. Stats from 1976. **(With the information in this body, we can now see how they are doing it.)**

**Rosenthal said;** In America there is an "unthinking majority." So, we have easily gained control of its society, governments and economy through our religious/political prowess and by using propaganda through our media companies. Yet, our only fear is being discovered for what we are." Satanist.

**But the American people have no guts, and the Talmudic Jews sneer at their stupidity.** He said the Jew's power comes through controlling the nation's money and that money power affords them a "master plan" for **International Conquest** through propaganda. We can destroy any country's economy without them even being aware of it. Most Americans are totally unaware that by the Federal Reserve System, their money has already been stolen, and the economy debauched." Everything these types of Jews have accomplished, they have done so through fraud.

**Black's Law Dictionary** states clearly, "Once A Fraud, Always A Fraud," Something that is void from the beginning, cannot become valid by any lapse of time, nor by any subsequent act. (especially from any Satanic Talmudic Jew)

**"Quod est initio non valet, tractu temporis non valet"** - *What is void in the beginning does not become valid by passage of time.* Those are the words in the very dictionary that the courts rely upon today.

Here are the questions those same courts refuse to answer.

- If something that is void in the beginning cannot become valid through time, then how did the courts justify replacing common law with corporate statutes?
- How do the Judges justify replacing **Bouvier's Law Dictionary** with **Black's Law Dictionary** and then altering the definitions within **Blacks** over multiple editions?
- How did they justify erasing maxims, redefining rights, redefining jurisdiction and redefining the very foundation of law?

Because according to their own law dictionary, **that which is void at its inception is void forever**. They admit that fraud vitiates everything it touches, not some things, Everything!

**So, if the original switch from common law to corporate statutory law was done without the consent of the people, without a constitutional amendment, without lawful delegation of power, and without judicial authority, then that switch was void from the beginning.**

If the courts altered definitions to expand their power, that alteration was void from the beginning.

If **the B.A.R. Association** seized control of the system of law without **constitutional authority**, that seizure is void from the beginning.

**Black's law dictionary** states that nothing void can become valid by time, nor by any later action, not by tradition, not by habit, not by acceptance, not by the courts pretending it is valid.

The courts say they do not use **Bouvier's Law Dictionary**; reports say they do not use the maxims, but the courts do use **Black's law Dictionaries** and **Black's destroys their entire legal system in one sentence. Once a fraud, always a fraud, once void, always void.**

If they want to dismiss **Bouvier's**, then they must now answer to their own **Black's law dictionaries**.

If they reject the Maxims of Law, they must now answer to their own definitions.

If they claim authority, they must now explain how the foundation of that authority was ever valid in the 1st place. Their own law convicts them. Their own definitions expose them. Their own words destroy their illusion of legitimacy, and that is why they avoid the truth.

Because **Black's Law Dictionary** proves beyond any argument that the people have been ruled by void acts, void authority, and void jurisdiction for generations, and no lapse of time will ever make a void act lawful.

**The foreign Judicial Districts** which have been allowed to exist and proliferate throughout **The United States** should be immediately and permanently dismantled and shut down.

The District Courts operate under these Judicial Districts, and the various State of State franchise District Courts/COURTS, that have been used to practice personage, and barratry against average Americans, who are not knowingly, naturally, or voluntarily acting as Federal Dual Citizens, are to

be closed to public business, and directed to exonerate all cases involving Defendants, or DEFENDANTS appearing to be the names of individual Americans. Return all property seized, issue restitution of not less than \$500 a day and not more than \$1000 a day per day, of incarceration inflicted upon [these same Americans](#), issue notification of the awards, and provide enforcement support to return the properties illegally confiscated and otherwise make amends appropriate in each case.

These [Judges and Attorneys](#) need to be publicly disgraced for their disservice, deceit, and their own criminality in pursuit of undisclosed unjust enrichment, conflict of interest, and lack of delegated authority. It will now be their job to repair -- to the extent possible -- the damage they have done to other lives, to American families, and American property while acting in breach of trust and under color of law.

We, **the people**, must reinstate our Sovereignty, and reinstate our common law courts and force all jurisdictional courts to operate under the authority of [The Supreme Law of the land](#). “[Land Law](#)” not [foreign Sea law](#), i.e. [Maritime Admiralty Law](#), nor [foreign Air law](#), [Roman Civil Law](#), and then we must continue to boost up [our own state courts](#), and [local unincorporated county courts](#).

These [foreign commercial courts](#) today have been caught dead to rights in an institutionalized aggravated identity theft and illegal confiscation and armed racketeering under force schemes; every day they are committing gross crimes under color of law. Every day Americans are being accused of crimes they didn't commit and charged with fees, taxes, mortgages and other bills that they don't owe. These courts have been the means of extraction for the perpetrators of these personage and barratry crimes, which have been pursued under false pretense of war, war reparations, and voluntary consent.

The [victims](#) were not made aware of the otherwise **Unconscionable Contracts** binding them to act as [British subjects](#), much less any conferred [Municipal Citizenship of the UNITED STATES INC.](#) They have been prosecuted and injured by this fraudulent misrepresentation and the prolonged birth registration contracts that go with it.

**The Criminality of these Courts started in 1865, and it's beginning to end in 2025.**

Mr. Trump and [the British Crown Corporation franchise which he is President over](#) are under direct demand from [our lawful American Government](#) to bring these crimes to an end.

**Understand;** [Radical Judaism](#), [Radical Islam](#) and [Radical Christianity](#) are all proxies of [The British and Roman Empires](#), and they are being perpetrated against us right now.

It was [The British Crown](#), vassal of [The Roman Empire](#) that brought forth the unconscionable forced contracts and foreign citizenship obligations upon [the American public](#), resulting in [The](#)

*Birth Certificate Scheme, via the Papal Bull Scheme* as seen summarized further below. Directly below is a letter from Pope Francis who saw the light early on in 2013 and decided to get out of the fraud schemes before the judgement fires came raining down.

End of Papal Letter

---

The British Parliament and British Monarch, by whatever hidden process they operate, need to come to the same conclusion the Pope came to.

They are in receipt of "goods" stolen not only from the British people, but from Americans and people of the former Commonwealth, seventeen Western European nations, Japan, the Philippines, Libya, Iraq, Syria, and most of Africa, except those countries similarly plundered by FRANCE, INC..... and the list goes on.

Their illegal and immoral continuance of Colonialism even after their Monarch publicly renounced it, and their decision to continue Colonialist enterprises in the international jurisdiction of the sea, despite renouncing them on land, speaks volumes about the poor character and deceptive practices of the old "British Empire", which has contrived to prolong and extend its acts of deceit, and inland piracy (legalized as "privateering"), long after all their public acts and words conforming to international demands to end Colonial rule and oppression.

Not only do **the British Crown Corporations** habitually misrepresent their role and limited authorities, but they sell property and material interests they don't own, (like leasing the land of (Palestine) to "The Zionist State of... Israel" to Jacob Rothschild is a stellar example), they appoint people to offices they no longer control, they force their "services" upon people who never asked for their services, they sell natural resources in other countries, that they don't even own.

Despite plenty of brave words about **"peace and liberty"**, **The British Government, or what serves as our foreign government service providers today, with their corporate franchise collaborators** are all being **unmasked as the dirty players they are, here and around the world, and they have been so here, for the last 160 years.**

Along with their other hallmarks such as;

- accusing others of the crimes they are committing themselves,
- deceitfully confusing their identity with the identity of honorable organizations and persons,
- using deceitfully similar names for corporations
- impersonating actual governments and not disclosing the incorporated nature of the acting entity, by omitting the word "Incorporated" from the name,
- attempting to legalize crimes via licensing agreements,
- using licensing as a means to coerce performance, and
- misdirecting whole departments of commandeered government service providers and those agencies thereof, to pillage and plunder the very people they are supposed to be serving in good faith.

**Revealing the truth concerning the stubbornly criminal nature of **these British Crown Corporations.****

We've called for the **British Governments** correction and discipline. We have exposed their unlawful, illegal, and immoral registration of **American babies** as **British Subjects**--- and the unconscionable foreign citizenship obligations that results from ***The Birth Certificate Scheme, via the Papal Bull Scheme as summarized below in the Papal Bull - Unam Sanctum.***

## **Papal Bull - Unam Sanctum, in the year 1302**

Remember, this is the world of kings and priest, and their counterfeit version of the office of "The Melchizedek" - the Rightful and Righteous King & High Priest. Today's corrupt version of this office is operated in tandem by **The British King** and **the Roman Pontiff- the Priest.**

**The Papal Bull Unam Sanctam (1302): A summary breakdown**

Regardless of the year the Papal Bull was written, or which Pope penned it. It is the absolute stance of The Roman Catholic Church and her priest in present day.

Pope Boniface issued the Papal Bull "Unam Sanctam," in 1302, which then became the first "Expressed Trust". He claimed control over the whole planet, which in the mind of the Catholic Church, made him king of the world. - "Furthermore, we declare, we proclaim, and we define

that it is absolutely necessary for salvation, that every “*human creature*” be subject to the Roman pontiff.”

It is not only the first trust deed in history, but also the largest trust ever conceived as it claims the whole planet and everything on it, conveyed in Trust. This is the power and authority of the sovereign; So, if they can script things into manifesting for a desired outcome, then so can we. – It becomes a double-edged sword!

**Boniface the 8<sup>th</sup>**, was the first leader in history to create the concept of a trust, but the first testamentary trust through a deed creating “a deceased estate” was created by Pope Nicholas the 5<sup>th</sup> in 1455 through the Papal Bull, “Romanus Pontifex”.

This is only one of the three Papal Bulls to include the line, with the incipit ...for a perpetual remembrance.

This Bull had the effect of conveying the right of use of the land, “as real property” from the express trust Unum Sanctum to the control of the pontiff and his successes in perpetuity. So, according to The Roman Empire, all land on earth is claimed as Crown land. They are not asking you; they’re telling you!!

It doesn’t matter if you disagree with this or keep yourselves separated from such subject matter. It does not change the reality of what they have put into play. It is reflected throughout our country, in every local Municipality, which has now blanketed our entire nation.

## The First Crown

This first Crown is represented by the first “Cestui Que Vie Trust” created when a child is born. It deprives “We the people” of all beneficial entitlements and rights on the land.

## The Second Crown

The Second Crown was created in 1481 with the Papal Bull “Attorney Regis” meaning Eternal Crown, by Pope Sixtus the 4<sup>th</sup>, being only the second of three papal bulls, as deeds of testamentary trusts, this papal bull created the crown of Aragon, later known as the crown of Spain, and is the highest sovereign and highest steward of all Roman slaves, subject only to the rule of the Roman pontiff.

Spain lost The Crown in 1604 when it was granted to King James the 1<sup>st</sup> of England, by Pope Paul the 5<sup>th</sup>, after the successful passage of the Union of Crowns or Commonwealth in 1605 after the false flag operation of the gunpowder plot.

The Crown was finally lost by **England in 1975** when it was returned to Spain and king Carlos the 1<sup>st</sup>, where it remains in present day 2025.

**This Second Crown**, is represented by the second **Cestui Que Vie Trust** created when a child is born, and by the sale of his or her birth certificate into a bond, to the private central Bank of the nation, which deprives We the people of ownership of our own flesh, and condemning us to perpetual servitude as a Roman citizen/slave. Or as the Romes vassal, **British citizen/slaves in America's case.**

## **The Third Crown**

**The Third Crown** was created in 1537 by Pope Paul the 3<sup>rd</sup>, through **the papal bull Convocation**, also meant to **open the council of Trent**. It is **the third and final testamentary deed** and will have a **testamentary trust set up ...for the claiming of all lost souls lost to the sea.**

The Venetians assisted in the creation of the 1st Cestui Que Vie Act of 1540, to use this Papal Bull as the basis of ecclesiastical authority of Henry the 8th. **This Crown was secretly granted to England in the collection and reaping of lost souls.** From Rome to England.

The Crown was lost in 1816 due to the deliberate bankruptcy of England and granted to the **Temple Bar** or the **Crown Bar**, known simply as **The Crown**. **Remember this is not about how we see it, but rather how "THEY" see it!**

**The Third Crown** is represented by the 3rd **Cestui Que Vie Trust**, created when a child is baptized. It is "the parents grant" of the baptismal certificate, or title to the soul, to the church or registrar. And because our Churches today are incorporated with the State Municipality, every living member of our churches are now **without lawful standing or legal title over their own flesh and blood in 2025, which includes "98% of the Covenant Church body" in America today.** By us believing and consenting into living under their deceptive system of laws in real time. 3 Crowns equate to full capture of Body, Soul and Spirit. The physical work of Lucifer himself. **-End of Papal Bull**

These Trust are the full intentions of The Roman Empire in the world today, and you either consent to their intentions or you don't. **The body of Christ needs to know where our leaders stand. So, the 5-fold should take these words most seriously.**

Today, "**We the people**" and "**We the covenant people**" are **fully and unwittingly submitted to the commercial jurisdictions and their systems of laws and powers, under the federal arm of British territorial government within The District of Columbia.**

So therefore, and because of that "**We as both the body politic and the body of Christ here in America**" are denied lawful standing throughout the Judicial Court Systems, and without lawful standing, we have no rightful claim to our birthright inheritance!

If we have no claim to our birthrights, then We are treated as nonliving cargo without a soul, **giving the B.A.R Associations, the legal capability, to enforce British Maritime Admiralty Law, or Roman Civil Law over “We the people”, who by birthright, are the true sovereign masters** here, who stand lawfully, as the sovereign birthright heirs of this nation, and of the Kingdom of God within it.

Yet, in 2025, **The British** are still committing the same fraud across our entire nation. This is direct and blatant witchcraft used to pervert the Truths which our foundations lay out before us in perfect detail.

Remember, it's not about how we see things, but rather, about how “THEY” see things, and how their actions against us are according to how “THEY” see them.

Essentially, these criminals have knowingly owed us an infinity of debt, while charging us with their current billings at the same time. They are in fact our Debtors from the beginning of any transaction, but have contrived to misrepresent the situation, to make it appear that we owe them funds. “Like the National Debt, a debt they created in their service capacities. **(This is real-world witchcraft at the highest levels of the Federal Government)**

As a result of the above subterfuges, they have deliberately misidentified **Americans** as **British Subjects** (*because British subjects are not owed debt swaps and Americans are*) and failure to implement access to the long-promised **Mutual Offset Credit Exchange Exemption or MOCEE**, a debt swap remedy, these criminals have avoided their own debts, and coercively extracted involuntary extensions of credit to themselves, and used false claims of indebtedness to unlawfully, illegally, and immorally, confiscate private property assets belonging to their actual “preferential creditors” which are **We the people**.

**The Federal Officer responsible for providing this remedy, and reasonably expediting it, and making it known and available to the American Public**, in this administration is, **Marco Rubio**, who has done nothing and remains studiously ignorant of the stupendous National Credit owed to the same people they are billing, which is we, the people.

These abuses and more are now at the feet of Donald J. Trump and **his Administration, the British Parliament, King Charles III, and the Lord Mayor of the Inner City of London**.

**The Popes** saw the light early on in 2013, and skipped town before the judgement fires came down, but **Municipal Office Holders within**, are still responsible under **Ecclesiastical Law**, for disciplining and/or dissolving **the British Crown Corporations** and for correcting the operations of **(t)he United States of America (minor), Incorporated**.

**Which involves at the very least;**

- (1) fully implementing and making the MOCEE remedy fully available to the American Public,**
- (2) dropping all citizenship contracts and presumptions based on undisclosed registration of American babies as British Subjects,**
- (3) return of all illegally confiscated and “seized upon” American property assets, both public and private,**
- (4) closure of District Courts operating in the States of the Union,**

(5) redirection of all District Court Personnel including District Attorneys to immediately return all property confiscated under presumptions of public trust interest, foreign citizenship obligations, and claims of debt against Americans, who are in fact all tax prepaid and exempt from levy

## The Hidden Tyranny Revealed - Speaking Only of The Talmudic Jews Here, No Other Types of Jewry Implied.

Much of what Harold Wallace Rosenthal said in the 1976 interview "The Hidden Tyranny", brought to the surface a hidden truth and reality that we patriots and veterans alike have known for decades. This treachery is even more shocking when getting it directly from the horse's mouth. So, take the time to read that document separately.

Mr. Rosenthal was allegedly killed for revealing these truths, so it is understandable, inasmuch as he made such shocking statements 3 decades ago, that we now see as reality today.

Mr. Rosenthal boasted of how the Talmudic Jew's controlled our nation and our churches back in the mid 70's. It was unbelievable then, but in the fall of 1983, it became a visible reality when the "Supreme Court sanctions IRS approved State Churches.

Now today in 2026, all churches nationwide according to the Federal government should register with the IRS as a 501C3 nonprofit organization or as another corporate entity." Because of this, our churches have changed their jurisdiction from a sovereign jurisdiction to a corporate/commercial jurisdiction, which likewise changes their status, causing them to unwittingly lay down their birthright power and authority to the federal government. This is a matter of Fact in Law, and it has caused the majority of our churches to give up their birthright inheritance i.e. our power & authority, just to take on a corporate status.

Today, however, it is just another bizarre episode in one of the most incredible stories in American history. Organized religion is now determined by the Talmudic Jewry as the final oppression of Christianity, via Taxation and Regulation. It is now a FACT in statutory law.

The enemy isn't coming. The enemy has been here since the 1800's. War has been declared on our sovereignty, on Christianity, our churches, our freedoms, and on the American Way of Life. Wake up or face the consequences.

If by the instrument of governmental authority, the nation is being driven to an end and the people to their destruction, then rebellion is not only the right of the people, but the duty of every member of that people. It is time for the Christian nation within America to exercise her birthright inheritance and stand up as the sovereign birthright heirs of this nation, with the full power and authority over it, endowed to us by Christ Himself.

So let us ally ourselves together in the refusal to permit these foreign devils from ruining the rest of our once great nation!

When the American people finally discover and realize what these Satanic Talmudic Jews have perpetrated ... their wrath will know no bounds.

## What Does Lawful Standing Mean in Law?

When our Ministers call upon the people to stand up, to be heard, to be counted, to confront the issues of the day, or resist unlawful and rogue actions of government subcontractors, they fail to communicate or implement proper lawful standing and protocols. When right and lawful order is neglected, even unintentionally, the church risks provoking open rebellion rather than exercising lawful authority. This is precisely what our adversaries desire: an emotional reaction devoid of lawful foundation.

There may come a time when righteous resistance becomes the last remaining remedy against tyranny. History and Scripture both acknowledge such moments. But we are not there yet. Yet if we continue to neglect our duties and fail to establish our lawful position, we may eventually find ourselves with few alternatives.

From a sovereign perspective, lawful standing is the legitimate authority, capacity, and recognized right to assert claims, exercise rights, and perform duties within a lawful, governing, and moral framework. Sovereignty cannot simply be declared; it must be lawfully established and demonstrable. One may claim sovereignty, **but if that sovereignty cannot be proven within the lawful framework of one's state and nation, then one's claim to birthright inheritance and corresponding authority remains unperfected.**

**If it cannot be substantiated and defended under law, it cannot be effectively exercised.**

**This is why establishing lawful standing is indispensable.** Authority flows from identity, covenant, and lawful order. Before the covenant people can lawfully act, they must first establish who they are, by what authority they stand, and under what lawful jurisdiction they exercise their rights and responsibilities. Without lawful standing, there is only protest with little to no result. With lawful standing, there is lawful authority.

**That is the true importance of having our lawful standing established.**

### **1. National/Political Sovereignty**

National/Political sovereignty refers to supreme governing authority. In a republic, ultimate sovereignty resides with the people collectively. American citizens or American state nationals derive their sovereignty by their declaration of Independence and their protection of their sovereign rights under the constitutional system of laws which they enacted, under the constitution they created. Lawful standing comes from being recognized as joint heirs in sovereignty. Working within the boundaries of our lawful national framework.

## 2. Constitutional Sovereignty

In modern law, standing means you have the right by who and what you are to bring forth a claim because: You suffered an issue or injury in commerce that directly affects you and your protected interest, so the court can provide a remedy. Our constitution does grant us our sovereignty, it upholds that we are the sovereigns.

## 3. Biblical Sovereignty

Scripture often presents lawful standing in terms of covenant, stewardship, and authority.

Examples include Adam received dominion and stewardship over creation (Genesis 1:26-28). Moses exercised authority under divine commission. Abraham being called into covenant with God. In this framework, lawful standing comes from:

1. Physical, spiritual & national Identities (who you are and what you are).
2. Covenant relationship (joint heirs in the sovereign with God's authority).
3. Stewardship responsibilities. (Through Covenant Agreement with God)
4. Faithfulness to our delegated authority. Our Authority is delegated from God and God alone.

Lawful standing can be understood as: Standing upon the legitimate authority and recognized capacity to exercise rights and birthrights and fulfill responsibilities that arise from one's birthright identities, relationships, and governing frameworks—whether constitutional, natural/public law, biblical or covenantal. In a biblical sovereignty framework:

**Authority flows from identity and covenant, and standing is demonstrated through stewardship and responsibility by lawfully standing upon that identity and covenant.**

Standing is the lawful and legal right and power of a living man or woman in [The United States](#) to challenge the courts or the government, and demand proof of its authority over the living people in subject matter jurisdiction. It means the law must recognize that we have a say in all lawful and legal matters concerning we the people. Where ANY rights, freedoms, property and status are directly affected.

**“Lawful Standing” makes it clear that we are a living man or woman and not a *Corporate Entity*.**

This is why the legal system fears lawful Standing, because Standing forces courts and governments to stay within their lawful or legal boundaries and jurisdictions. Standing is our birthright as free sovereign Americans.

## Becoming The Heir in Context.

**Galatians 4** focuses on the contrast between **immaturity as spiritual slaves, under the law,** and **maturity that brings sovereign freedom to those in Christ that stand upon the law.**

### From Slaves, to Sons, to Heirs (Galatians 4:1-7)

- A child, though heir, is no different than a slave, until properly educated in their inheritance, unto the appointed time set by our Father.
- Now, through Christ, believers receive **adoption, as sons** and the **Spirit of sonship**, enabling them to cry “Abba, Father.”
- This section is crucial because it establishes believers as **sons** and **heirs**, not just servants, emphasizing a close familial relationship and service with God.

**Galatians 4** clarifies that believers are not merely “law-abiding citizens of the kingdom,” but **adopted children of God** with intimate access to Him and their birthright inheritance. *(After he has learned the ways of his sovereign inheritance, and the appointed time comes, he will then receive full birthright inheritance.)*

**Galatians 4** focuses on the contrast between **immaturity as spiritual slavery, under the law,** and **maturity that brings sovereign freedom to those in Christ.**

**Paul compares spiritual maturity to the development of the lawful heir in real world application, such as we have today.**
