

I LIKE TO CALL IT PRAYER

To seek the heights and depths of thought
And pause in silence there;
Some call it meditation...
I like to call it prayer.

To look out on the troubled world
And find the true and fair;
Some call it contemplation...
I like to call it prayer

To give oneself for others.
To lift and love and share;
Some call it consecration...
I like to call it prayer.

To sense a silent, reverent awe
At beauty everywhere;
Some call it adoration...
I like to call it prayer.

Our Benevolence for the month of July

Connecting, Enriching, and Empowering the Lives of Northwoods Individuals and Families is the mission of Northwoods Caregivers. This mission defines all of the services we provide to our clients and their families.

Northwoods Caregivers are made up of people from all walks of life working closely with clients and their families providing crucial services such as respite care, transportation and shopping assistance, to name only a few.

We offer visitation services which allows safe exchange to offer a positive, safe, child-friendly and neutral site where children and parents can be assured that a supervised visitation or exchange will be safe and conflict free.

The mission of First City Visitation and Safe Exchange Services is to offer a positive, safe, child-friendly and neutral site where children and parents can be assured that a supervised visitation or exchange will be safe and conflict free. These services assure that there is no contact between parents or guardians during any of the offered services. All services are offered on a sliding fee scale in order to keep them affordable for the families who need services. Services may be utilized by parents, grandparents, guardians, foster-parents and all other situation where

visitation may be required.

Do you have a neighbor or loved one that may be ill or could just use some extra help around the house? Rather than sending flowers, consider giving them a "Gift of Service!" Your thoughtfulness and generosity could enable their independence and help them remain in their own home.

Services available to give as gifts:

1 hour of Respite Care (\$21.68):

Services are provided by one of our qualified and compassionate Respite Providers who are at minimum, Certified Nursing Assistants. This gives the Primary Caregiver a chance to take a much-needed break away from the stresses a caregiving role can bring on.

1 hour of Shopping Assistance (\$18.44):

Shopping Assistance services are provided by one of our experienced and kindhearted Caregivers. They are available to provide the client with transportation to the grocery store or can simply pick up the items and deliver them to the home.

1 hour of Homemaking (\$18.44):

Services are provided by our skilled and caring Homemakers to those in need of assistance with daily household duties (laundry, cleaning, cooking, etc).
