Safeguarding - and Serious Incidents

Safeguarding policy “The Church Council (PCC) has complied with the duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016 (duty to have due regard to the House of Bishops’ guidance on safeguarding children and vulnerable adults) and have adopted the Church of England and Diocesan policies “Protecting all God’s Children” and “Promoting a Safer Church” which have been reviewed in the past 12 months by the Church Council. Mr Mike Cooper has agreed to be our safeguarding Officer and all Trustees have undertaken the Diocesan Safeguarding Training. The St Mark’s Preschool has comprehensive Safeguarding policies and staff have been trained in these policies and procedures.

Serious Incident Reporting All PCC’s are charities and their trustees (PCC Members) are required to report any Serious Incidents – both safeguarding and non-safeguarding – to the Charity Commission. Following recent high-profile safeguarding-related incidents in the charity sector, the Charity Commission updated its guidance on Serious Incident Reporting in October 2018, with a particular focus on the reporting of Safeguarding Serious Incidents. The Church has worked with the Charity Commission to agree bespoke guidance for PCCs on how to identify and report a Serious Incident. The Charity Commission has confirmed that it expects ALL PCCs to report Serious Incidents, including ‘excepted’ PCCs which are not registered with the Charity Commission as their annual income is under £100,000.

What is a Safeguarding Serious Incident? A safeguarding Serious Incident that needs to be reported to the Charity Commission is an actual or alleged safeguarding incident, which results in or risks significant harm either (a) to your PCC’s beneficiaries (parishioners), office holders, employees, volunteers or to others who come into contact with your PCC through its activities, or (b) to your PCC’s reputation. The PCC must pass a resolution to delegate responsibility for preparing safeguarding Serious Incident reports to the Diocesan Safeguarding Adviser and for submitting them to their Diocesan Secretary.

What are other types of Serious Incident? Non-safeguarding Serious Incidents are actual or alleged adverse incidents, which result in or risk loss of the PCC’s money or assets, damage to its property or harm to its work or reputation. How we report other types of Serious Incident to the Charity Commission. PCCs should report any Serious Incidents that do not relate to safeguarding to the Charity Commission at rsi@charitycommission.gsi.gov.uk, Please note that there have been no Serious Incidents reported at St Mark’s Appointments
