

NOW TAKE WHEELS2U TO THE FARMERS' MARKET!

While you can't make your car out of vegetables, you *can* fill it with fresh fruits and vegetables from the 35 farmers at the Westport Farmers' Market. Wheels2U can take you there from anywhere in Westport and back again every Thursday between 10 am and 1:30 pm.

Whether you're looking for the freshest and healthiest asparagus, zucchini, or anything in between, Wheels2U makes it easy to take advantage of summer's bounty. Just book your ride on the Wheels2U app about 20 minutes before you want to leave and Wheels2U will pick you up wherever you are in Westport and whisk you to the Farmers' Market in our comfortable, air conditioned minivans and back home again. No need to battle the busy parking lot and the Farmers' Market will even help you get your groceries to the Wheels2U stop!
