Wheels2U is Wheels for Three

All Three First Selectman Candidates Endorse Wheels2U!

All three candidates for First Selectman, along with the two Second Selectwoman candidates, recently took rides on Wheels2U and praised the Westport Transit District's on-demand, door-to-door service to the train stations, the Senior Center, the Farmers' Market and the Library at Jesup Green. The candidates shared their experiences using Wheels2U in videos, highlighting Wheels2U's convenience and community impact.

According to Don O'Day, Wheels2U "Is a very convenient thing to use and it is designed to really help reduce congestion and traffic in town". He said, "it is definitely something you should check out." Andrea Moore added "It's super easy to use!"

David Rosenwaks added "I really hope people start using the service more and more." He added, "We can accomplish a lot of things with programs like Wheels2U."

And Kevin Christie said, "With the stop at the library there's so much access to the Levitt, Main Street and more." Amy Wistreich pointed out that "It's not just for commuters; do you know you can take this to go . . . to Saugatuck for dinner? I love this idea!"

Videos of their rides can be found at [O'Day](#), [Rosenwaks](#), and [Christie](#).

Peter Gold, Director of the Westport Transit District, said "I am grateful for the support for Wheels2U shown by all the candidates. No matter who wins the election, their support will allow Wheels2U to continue to grow and serve even more of Westport's transit needs."

Melissa Levy, Chair of the RTM Transit Committee, who produced and directed the videos, added “I believe in Wheels2U and its viability for expansion. Westport is so lucky to have this fantastic program.”

Wheels2U operates to and from anywhere in Westport and the Saugatuck and Greens Farms train stations from 5:30 am to 10:30 am and from 4:00 pm to 9:30 pm Monday through Friday. It also operates to and from anywhere in Westport and the Senior Center, the Farmers’ Market and Jesup Green at the Library from 9:00 am to 1:30 pm Tuesdays through Thursdays.
