FOR IMMEDIATE RELEASE

Ditch the \$6 Daily Parking Fee

Wheels2U Announces a New "10-for-9" Discount Pass

Don't have a railroad parking permit? Why pay full price for daily parking then have to walk to the station, when you can take Wheels2U right from your door to the train platform and home again for more than 40% less?

Wheels2U is launching a "Spring Savings" promotion that makes the daily commute more affordable than ever. For a limited time, starting March 1, riders can purchase a 10-trip bundle for just \$18.00—bringing the cost of a single trip down to only \$1.80.

"We're always looking for ways to make transit more accessible and cost-effective for our community," said Peter Gold, co-Director of the Westport Transit District. "By introducing this multi-trip discount, we're making it even easier for Westporters to leave their cars at home."

The Math Is Simple: You Save More Than 40% Over the Cost of the Daily Parking Fee!

For many commuters, the daily cost of parking at the train station is **\$6.36** (\$6.00 parking fee plus tax). With the new Wheels2U bundle, a round-trip costs just **\$3.60**.

- **Daily Parking:** \$6.36
- **Wheels2U Round-Trip:** \$3.60
- **Your Daily Savings:** \$2.76

By choosing Wheels2U over the parking lot, commuters can save **\$13.80 every single week**. Over the course of a month, those savings add up to over \$55—all while enjoying door-to-platform service without the stress of hunting for a spot.

Of course, non-commuters can use it too to save on their occasional trips to the train, the Senior Center, Jesup Green or the Library—the rides never expire. Karina Betfarhad, co-Director of the Westport Transit District, said “The 10 for 9 pass rewards regular riders and also makes occasional trips more economical, whether you are heading to the train station, downtown, or the Senior Center. It is one more way we are helping residents save money while getting where they need to go, without the hassle or expense of parking.”

Limited Time to Buy, Unlimited Time to Ride

We’re keeping it simple:

- **The Price:** \$18 (Save \$2 off the standard \$20 rate).
- **The Window:** This deal is only available from **March 1 through April 30**. Purchases can be made 24/7 via the Wheels2U app.
- **The Perk:** The rides **never expire**. Buy the bundle now and ride this week, this summer, or even next year.
- **The Convenience:** Rides are automatically deducted from the pass balance.

How To Secure the Deal

Riders can get the “10 rides for the price of 9” pass in four easy steps:

- Open or download the Wheels2U app
- Select “Ride Pass” from the app’s menu
- Select “Westport 10 Ride Pass”
