

THANKSGIVING IN BONAIRE

NOV 14 – 21, 2026 & NOV 21 – NOV 28, 2026

Trade the traditional turkey for diving. Thanksgiving doesn't get any better than in the "diver's haven" called Bonaire. Stand on the beach at the Plaza Resort and look in any direction and you can see the numerous dive sites stretched along the coast. Don't feel like taking a boat ride, "no problem mon" take a few easy steps on the beautiful sandy beach & after a short swim you will find yourself with lush coral heads becoming larger and more plentiful as you approach the edge of the drop-off.

The Plaza Resort has the ambiance of a grand resort and the grounds of a charming villa. The resort is spread out across 12 acres and features all inclusive dining (and drinking), a seaside pool, a manmade lagoon, a private white-sand beach, tennis courts, and fitness center. Each room is air-conditioned with a mini fridge for those after diving munchies.

Trip price includes 6 days of two tank boat dives, 5 days of 1 tank afternoon dives and unlimited shore diving, & Nitrox all week (Nitrox certification required) all meals, and drinks (alcoholic and non-alcoholic), transfers to and from the airport (in Atlanta and Bonaire) and hotel (Premium Grand Suite with an Ocean View).
