

DIVE INTO COZUMEL

MARCH 28 – APRIL 4, 2026

Cozumel Hotel & Resort's location in a prime reef area, is perfect for divers of all experience levels. Cozumel boasts the largest reef system in Mesoamerica, considered by Jacques Cousteau to be one of the most breathtaking underwater wonders in the world. The "Palancar" reef was named during an exploration visit in 1961. Cozumel offers more than twenty-five dive sites that now comprise the Cozumel Reefs National Park, which never ceases to inspire awe and wonder. The Cozumel reefs will always offer you the best of their multicolored corals, tropical fish, sea turtles, rays, sharks and more. Experience the turquoise sea amidst the white sand. Cozumel Hotel & Resort offers a variety of Caribbean flavors, delicious Mexican cuisine, or refined international dishes. You might even be tempted to join in the Karaoke, themed dinners or the evening shows on property or relax in a hammock or Balinese bed. The choice is yours.

Trip price includes Junior suite accommodations with a terrace or balcony, and most overlooking Cozumel's largest pool. All-inclusive plan with three meals daily, with beverages including domestic alcohol by the glass. 5 days of 2-tank boat dives & 4 days of 1-tank afternoon boat dive. Complimentary welcome tank for shore diving, additional tanks for shore diving available for charge. Trip insurance and \$12.50/per day marine park fee not included.
