7. Why Brave Africa Foundation?

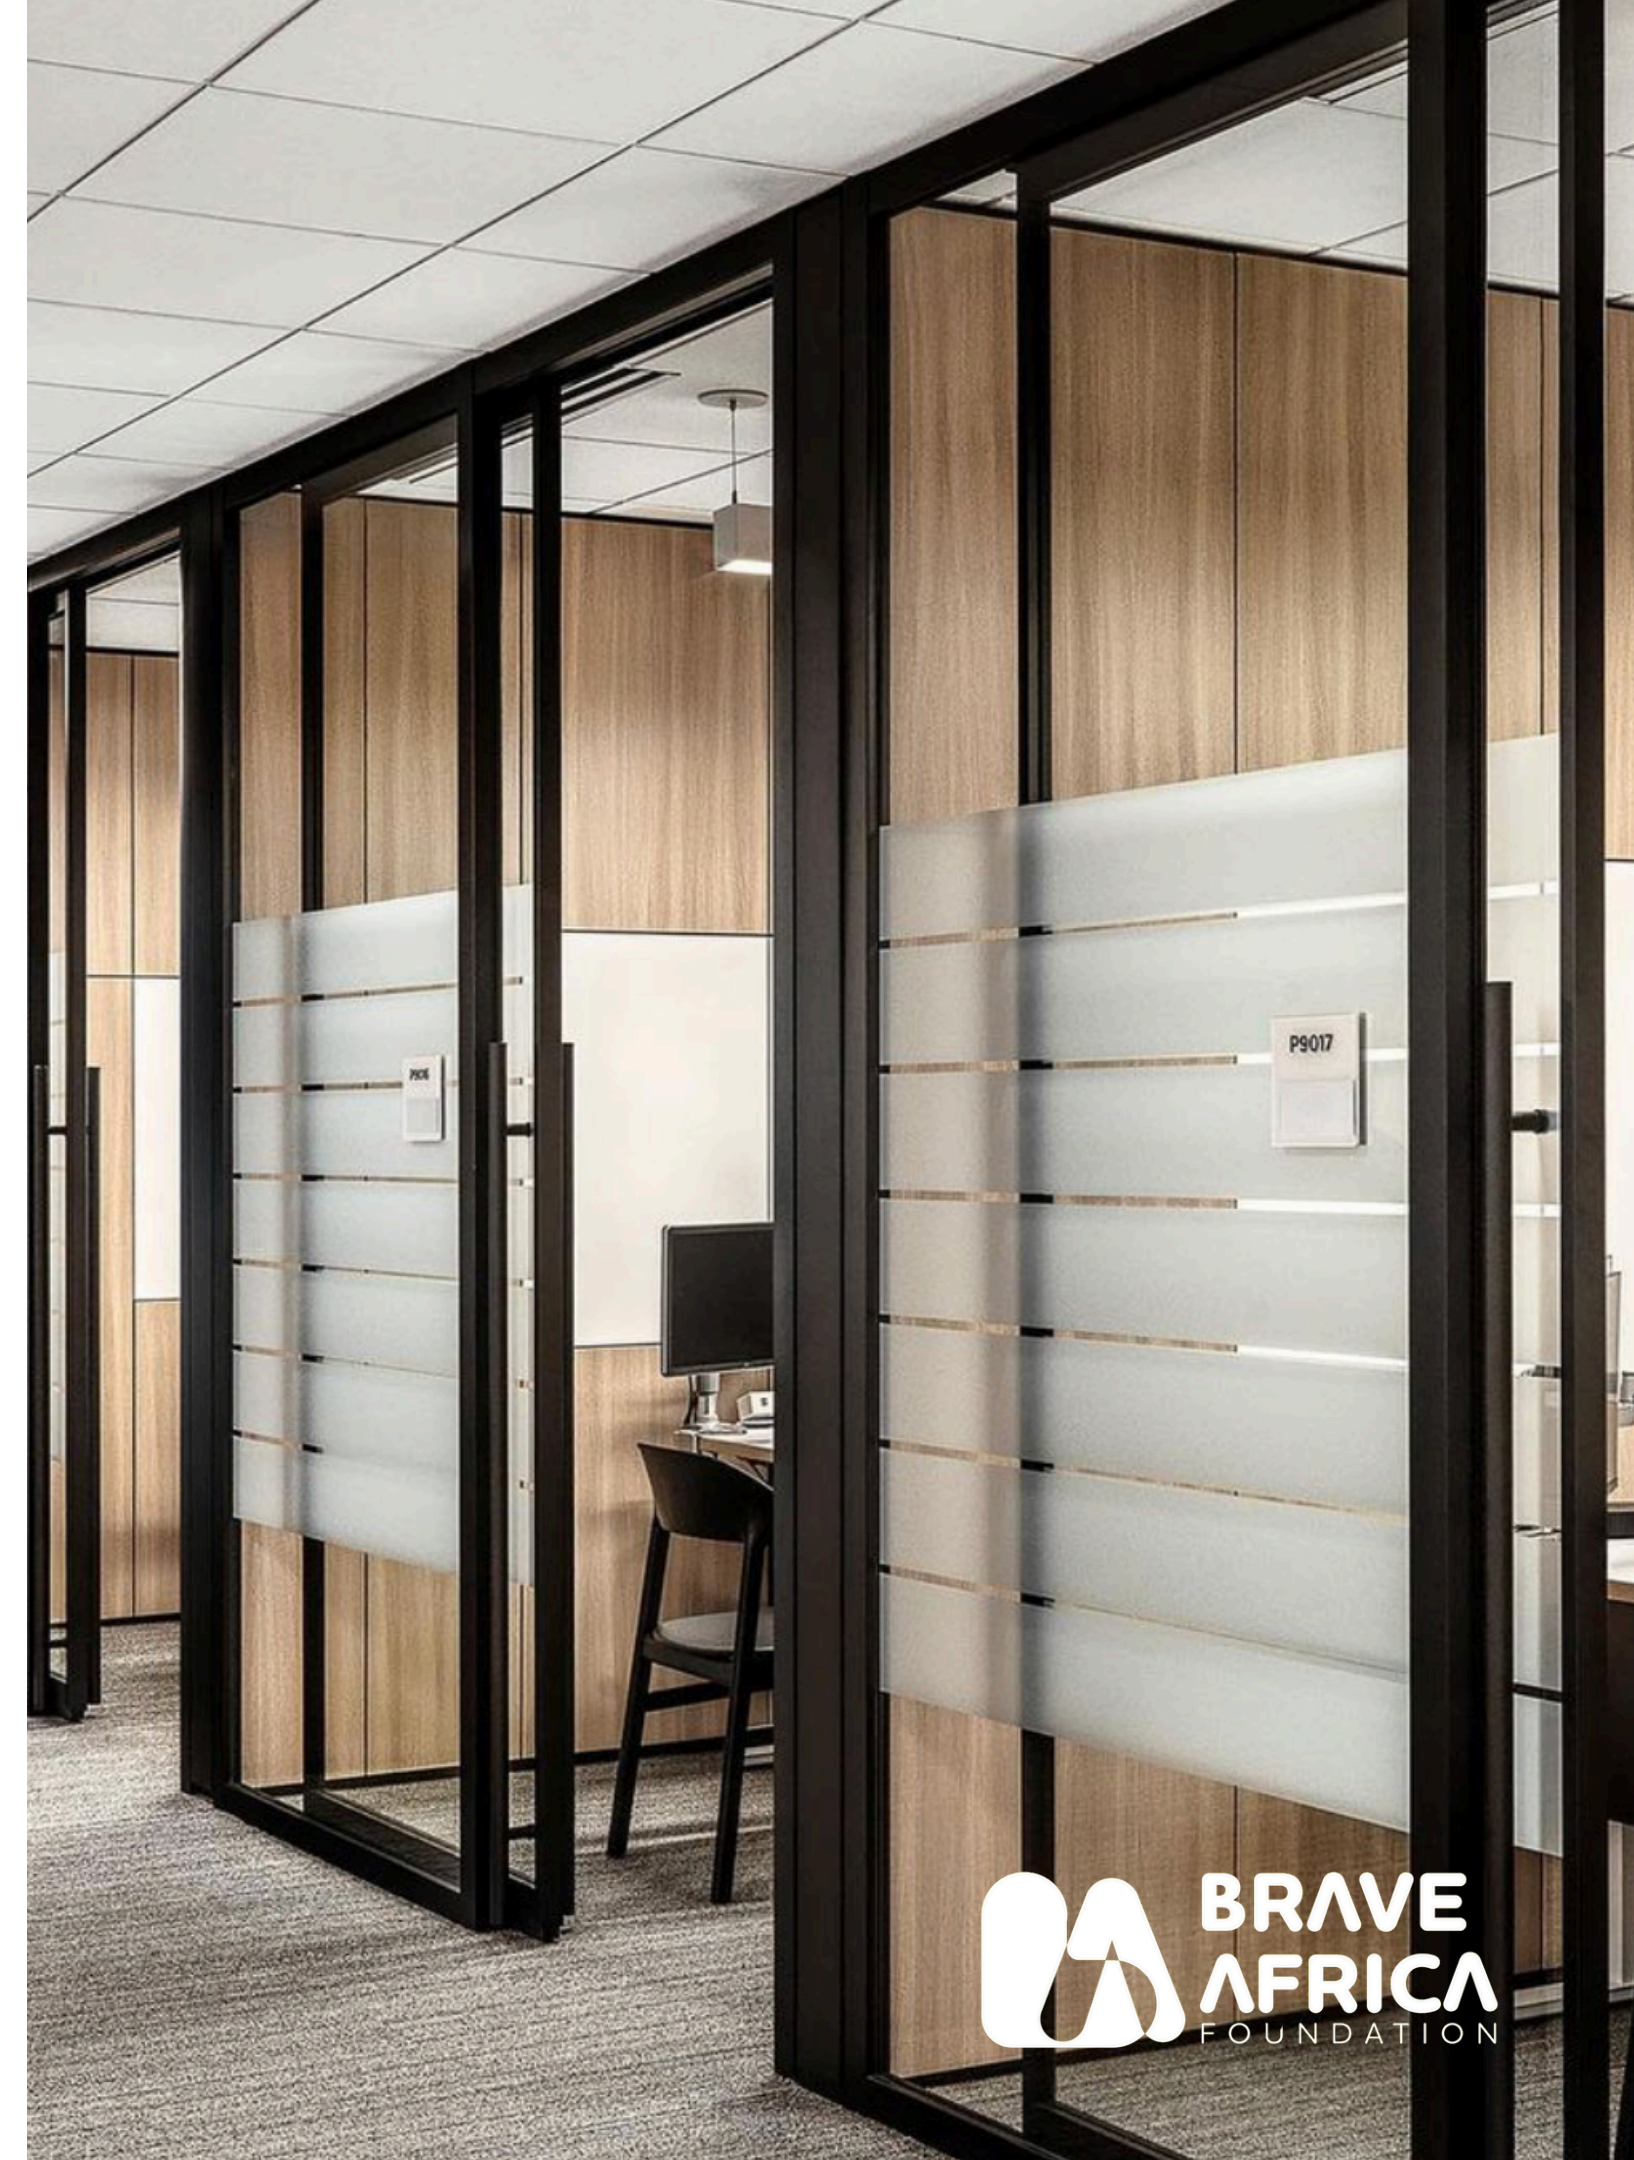

1. INTRODUCTION

The demand for accessible, professional, and affordable counselling spaces continues to grow, particularly for **independent social workers and psychologists** who require flexible facilities without the financial burden of setting up their own offices.

Brave Africa Foundation proposes to establish a **Shared Counselling Facility at Parktown Quarter** in Parktown North, providing private rooms for hire, supported by an **administrative assistant**.

This initiative not only benefits practitioners but also strengthens Brave Africa Foundation's mission of **holistic youth and community development**.

2. THE OPPORTUNITY

Many independent practitioners struggle with managing administration, bookings, and client flow while providing quality mental health services.

This facility will offer:

- Private counselling rooms for hire
- Shared administrative support funded partly through Services SETA stipends

A collaborative, supportive environment for mental health professionals

3. WHAT WE'RE OFFERING

Private Counselling Rooms

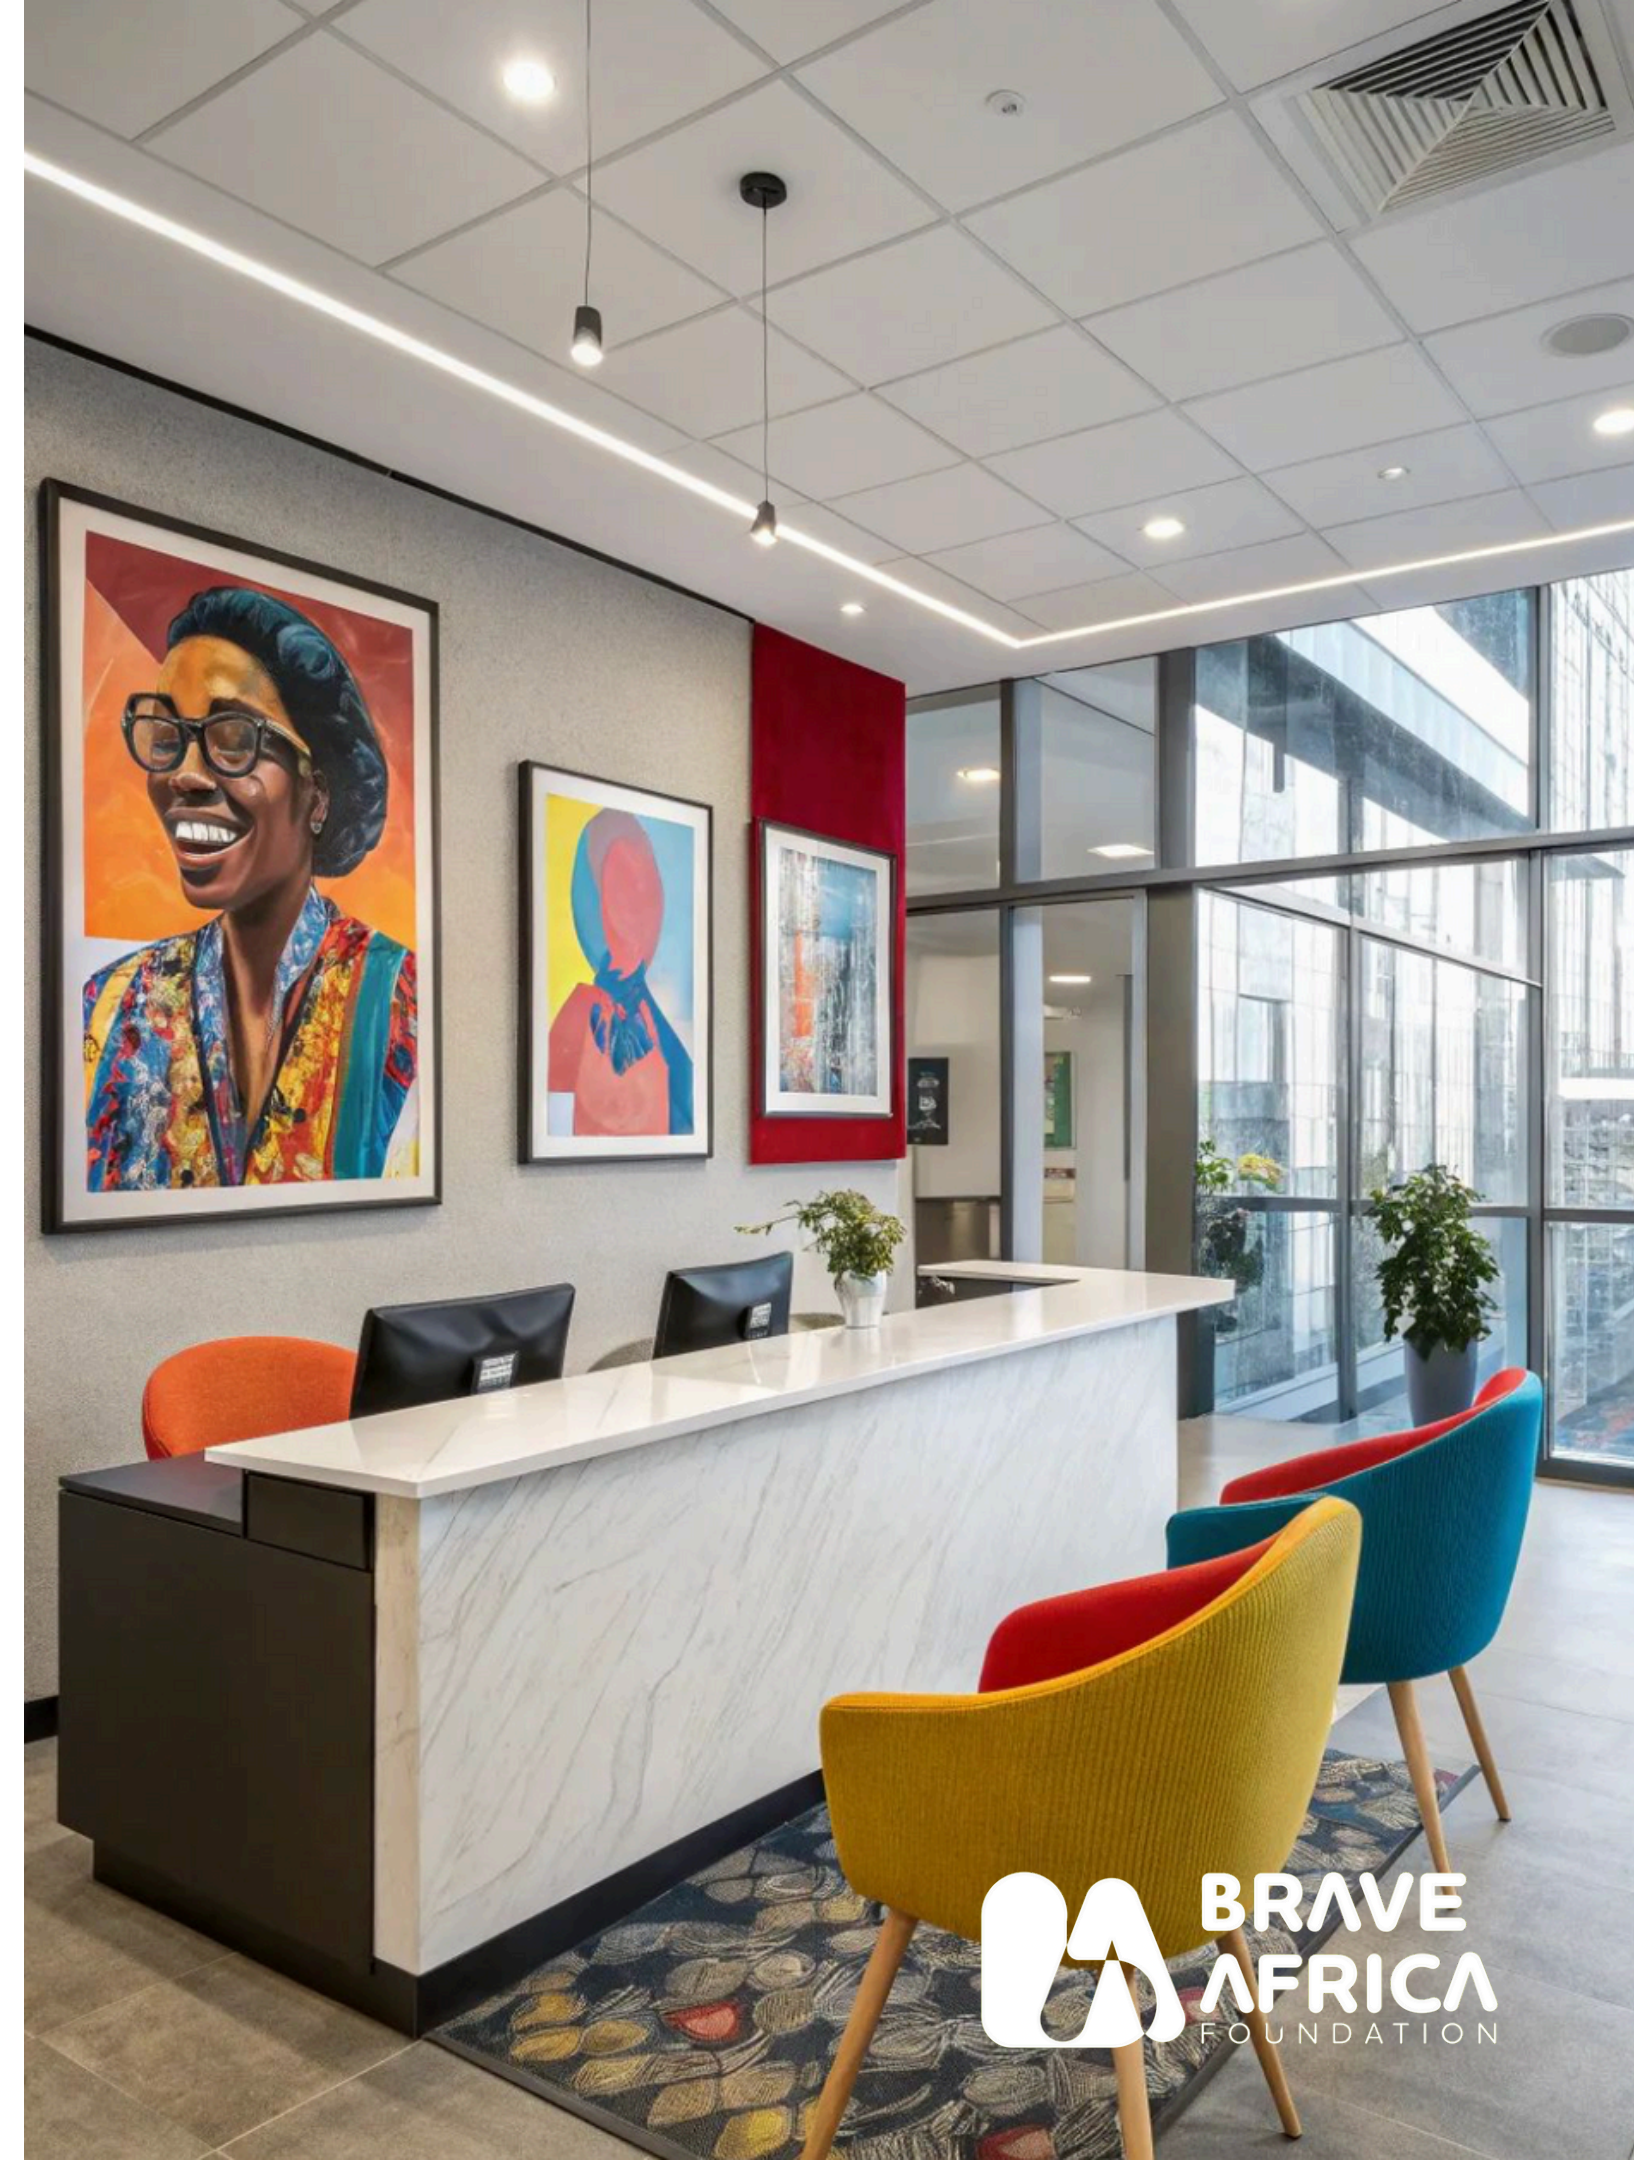

- Available hourly, daily, or monthly
- Soundproof, comfortable, and client-ready

Shared Administrative Support

- Reception, scheduling, and client intake covered
- Admin funded through Services SETA stipends, reducing operational costs for practitioners

Community of Practitioners

- Network with like-minded professionals
- Access to Brave Africa Foundation's broader community initiatives

4. COSTS

We've designed our pricing to be flexible and tailored to different levels of support.
