

Vegas Tournament and Contract 2026

Team Name _____

We, _____ (Team Name) understand and agree that by winning and accepting the 2026 Vegas NDA Team Dart Trip (May 6-14, 2026) that our team is not entitled to a league payout check from Lorain Music & Vending Co, at the end of the session for Fall 25 / Winter 26.

Each of us also understands that we are personally responsible for repaying all Vegas trip funds (flight, hotel, and team entries) if we do not attend and participate, once Lorain Music has paid for these items. The money comes from the league funds, and it is not fair to others if you do not attend, as another team could have been able to. If flights are booked, and you then cancel, you must repay the flight amount to Lorain Music, as we are not able to get that money back. It goes directly to you as flight credit. If a name needs to be changed, you are responsible for the cost of this as well, unless it is past the tournament entry deadline, then changing names is not allowed, and it becomes a cancellation.

If my team or any one of us individually does not repay any monies owed from not going on the trip, the team and or player will be suspended until the amount is paid back to the leagues.
