

## 2HYPEVOLLEYBALL – Team Media Packages

Tournament-ready media coverage designed for volleyball athletes who compete hard and deserve to be seen.

**Team Media Packages are designed for a minimum booking of 8 athletes to ensure the best overall value and coverage.**

For groups with fewer than 8 athletes, pricing may be adjusted accordingly to reflect the scope of coverage and resources required. This allows our media team to deliver the same level of quality and attention to detail expected from our services. For individual or smaller-group coverage, please refer to our Individual Athlete Media Packages.
