NUTCRACKER BALLET

THE HIP NUT

Early Childhood Parents of dancers ages 4+ enrolled in performing classes as listed below need to enroll their dancer in the rehearsal for one or both of our December productions. Note: Early Childhood classes work on skills and not just dances the first half of the year. **Click the links above** to join the rehearsal class and perform in whichever production you choose. The only charge is the Performing Student Package that is already charged to Early Childhood classes either way. See Performing Student Packages below for details. Watch for an email from CS@danceitforward.org with additional details.

Performing Student Packages

At Dance It Forward, performances are an extension of the classroom. Dancers build confidence, teamwork, stage presence, discipline, and lifelong memories through our signature productions:

All Performing Classes are attached to a Performing Student Package that supports choreography, creating productions, rehearsal hours, venue & theatre rental, staging, staff, props, sets, lighting & digital designs, music editing licensing fees, and other performance-related costs. Performance tickets are sold separately. Watch the Monthly Newsletters for updates on performance preparations. Tickets to our performances are separate & extra.
