## About the Early Childhood Program

Young children will learn to dance and grow as they develop their balance, coordination, and strength while sparking creativity and preparing for the big stage. We offer each little dancer a relaxed, encouraging environment. The carefully crafted curriculum provides the best in dance education, igniting each child's own special magic. Our trained and experienced staff love what they do as they carry on the program after founder, Shana Garling.

The Happy Feet Academy INTRO TO BALLET classes are Ballet-focused classes, created to promote the enjoyment of ballet along with the love of beautiful classical music.

Our FUN WITH DANCE Classes are just that - having fun and learning early childhood dance skills. Lessons are presented in a graduated format in a variety of styles from tap to hip hop, tumbling & acro to jazz and pom/cheer and more.
