

GROUP *Swim Lessons*

Fall Session 2 2025
October 27th - December 20th, 2025

NO CLASS: 10/31, 11/24-11/29

The primary purpose of the HAC Swim Academy is to help children learn to be safe in and around water. Our quality swimming instruction is geared toward individual needs. The program covers skills and knowledge in a logical progression for aquatic skill development, and provides students with a positive learning experience.

Policies AND Procedures

Parent Responsibilities
We ask that parents bring the swimmer to the pool deck and leave them with the instructor on time. If you arrive late to the start of the lesson, you are entitled to the remaining time within your allotted lesson block. Turtle and Tadpole class parents are expected to stay at or near the pool in which the lesson is being taught. Froggie through START class parents may either stay on the pool deck or within the facility. Swimmers must be picked up on time at the end of the lesson.

Change of Membership Status
Please notify the Aquatics Office immediately of any changes in membership status. Failure to do so may result in the forfeiture of lessons or monies paid.

Inclement Weather/Cancellations
In case of inclement weather, please call (302)239-6688 ext. 149 to check on the pools' status. The Aquatics Complex must close during thunder and lightning storms due to state regulations. Monetary credit will be automatically issued for any classes canceled due to inclement weather, pool issues, or instructor absence within the Aquatics Department. If a class does not fill, the Aquatics Department reserves the right to cancel the class. No credit or make-up option is offered for an absence on the part of the swimmer.
