General Information

Philosophy & Goals

St. Joseph Catholic School in Greenville, Mississippi, is founded on a tradition of educational excellence since 1888. It is our belief and conviction that every student entrusted to our care can succeed and deserves all our support:

- All students can learn when actively engaged in the learning process and provided with a meaningful context
- Students learn best when they have appropriate opportunities for success and are challenged to increase their performance
- Each student is a valued individual with unique needs and talents

As an educational institution, St. Joseph Catholic School is committed to cultural diversity and continuous improvement of curriculum and assessment methods:

- Cultural diversity is appreciated and celebrated; it increases a student's understanding and learning experience in the community and in the world
- Diversity in assessment methods provides the students with a variety of opportunities for achievement
- Curriculum reflects a variety of learning activities for the students' unique needs, interests, strengths and weaknesses at various developmental stages

As a community of faith deeply rooted in the Gospel of Jesus Christ and the Catholic Church's tradition, St. Joseph Catholic School strongly believes that each child and adult should be provided with regular opportunities for prayer, sacraments and reading the scriptures:

- Religious education and Christian formation in the doctrines, values, traditions and teachings of the Catholic Church are an integral part of the school curriculum
- Parents are primary educators of their children, and the school assists them in the process while instilling in students an appreciation of others and a commitment to principles of peace and justice
- Teachers, parents and students all share in the responsibility to be witnesses to the Gospel. As such, religious truths and values infuse all the subjects of the curriculum

Finally, St. Joseph Catholic School believes in the dignity of every person and the respect of all. Student learning and growth is a major priority of our school, which we achieve through a safe, comfortable environment. Our goal is to produce academic learners and future leaders who analyze complex problems, turn data into information, and information into solutions.

Mission Statement

The mission of the St. Joseph Catholic School (SJCS) is to provide a Catholic faith-based education rooted in Gospel values offered in a safe, caring, academically challenging, and creative environment.

History of Our School

The history of St. Joseph Catholic School began with St. Rose of Lima Academy, founded by Father P.J. Korstenbroek and staffed by the Sisters of Mercy. Located next to the St. Joseph Parish Church, St. Rose was the standard for Catholic education in the Delta for sixty-two years. By 1949 the enrollment had exceeded the space of the building, and St. Joseph Elementary and High School was opened in 1950 on Golf Street. In 1964, once again the enrollment and needs of the school family called for another facility. A new elementary school, Our Lady of Lourdes, was constructed on Reed Road. St. Joseph became the combined middle school and high school. St. Joseph High School continued to meet the needs of the students by adding six classrooms for the Middle School in 1965 and an additional four classrooms in 1994.

Responding to the mandates of our mission and the needs of our diverse community, St. Joseph Catholic High School (SJS) embarked on an ambitious building project with the construction of our new 61,000 square foot St. Joseph Catholic High School located on VFW Road. The new state-of-the-art and technologically superior facility was occupied March of 2005.

In August, 2016, Our Lady of Lourdes (LOL) was relocated to the VFW Rd. campus, creating St. Joseph Catholic School, now serving grades K3-12.

Policies

Admissions Policy

Non-Discrimination Statement

The Diocese of Jackson reaffirms its non-discriminatory policy on the basis of race, sex, color, national and ethnic origin in its educational policies.

All students, faculty members and staff, without exception, are admitted to all rights, privileges, and activities at St. Joseph Catholic School. The school does not discriminate on the basis of race, sex, color, national and ethnic origin in the administration of its scholarship, athletic, and other school administered programs.

Admissions Testing & Acceptance Policy

St. Joseph Catholic School is a co-educational school serving students in grades K3-12.

Admission is open to students who wish to pursue serious study in a safe, caring environment. Students must meet admission requirements, which include an entrance examination for students who are seeking enrollment from an outside school. A non-refundable testing fee of \$25.00 is required prior to the administration of the entrance exam. Scores resulting in a Grade Equivalency two or more grade levels lower than the anticipated grade placement may result in adjusted placement or denial of enrollment. Enrollment in SJCS must be executed by the student's legal guardian. In accordance with Diocesan policy, all students newly admitted in the St. Joseph School System are done so on a probationary basis lasting one semester. Diocesan policy also states: "As the primary educators of their children, parents/guardians freely make the choice of a Catholic education for their sons/daughters. Registration in a particular Catholic school/center is an agreement by the parent/guardian to accept and abide by the rules and regulations of the institution and to support its philosophy of education. A cooperative relationship between the school/center personnel and a parent/guardian is essential for the overall education of a student. It is critical that a cooperative relationship be maintained through constructive dialogue with the parent/guardian. If a parent/guardian refuses to abide by the rules and regulations of the school/center or by word or action is unsupportive of its goals or otherwise fails to meet his/her obligations under school/center or Diocesan policies, the administrator may require the parent/guardian to withdraw his/her child or children from the school community. Additionally, parents/guardians will be held to the same standards of respect as students are in regards to their interactions with administrators, teachers, staff and students." All new students and their families will be subject to a mandatory probation period of at least 90 school days upon the enrollment and first day of attendance. This time period is to verify that the Student, family and child are a proper fit for each other. **REQUIRED RECORDS** Copies of the following vital records are required for all new students: birth certificate, social security card, up-to-date immunization record, school records, recent standardized test results, current grades, and if applicable an IEP and a Catholic Baptismal Certificate. According to Diocesan Policy #5609, one of the following is requisite to registration in the Catholic Schools of the Jackson Diocese: 1 student accident insurance or 2 a statement signed by the parent certifying insurance covering personal injury of the student is maintained by the family. This information will become part of the student's school file. Pupil accident insurance is required for all students enrolled in the institution and for all who participate in competitive school athletic programs. A non-refundable registration fee is due at the time of acceptance.

Academic Policies

Absences

ATTENDANCE

The cornerstone of any academic community is consistent daily attendance. Therefore, students are expected to be in school, on time, every day school is in session. All school days are clearly noted on the official school calendar.

Any student not in school 100% of the day, or leaving school prior to the close of the school day will not be allowed to participate in any extracurricular activities that day without administrative authorization. This includes but is not limited to competitions and practices, rehearsals, performances, and cheerleading.

Regular attendance and promptness aid a student's academic achievement. Five or more unexcused absences in an academic year shall be reported to the Truancy Office. After the tenth unexcused absence, a second report to the Truancy Office is made. If seventeen years or older a student is subject to be dropped from the school roll after twelve unexcused absences.

ABSENCES When a student is absent, parents/guardians must call the school office as early as possible. Upon returning to school from an absence, students must present a parent/guardian note to the office prior to being admitted to class. A single absence due to illness extending beyond three days requires a physician's excuse upon return to school. Cumulative absences totaling five due to illness necessitates that all future sick absences require a physician's excuse upon return to school.

The excuse notes shall contain the following:

Full name of the student

Grade

Date of absence

Reason for absence

Telephone Number

Parent/Guardian

signature

Excused status will be granted for the following reasons only:

Illness / Injury

Death in the family

Court appearance

Pre-arranged college visitation for juniors

Pre-arranged college visitation for seniors (not during the 4th quarter) Serious vehicle issue; 1st occurrence only

Unexcused absences include but are not limited to the following:

Oversleeping

Absences for

employment

Babysitting

Absences for matters of convenience to the student or

family Vacations

Unexcused absences may result in the forfeiture of the opportunity to make up all missed work, e.g. class work, homework, tests, quizzes, etc., and forfeiture in participating in extra-curricular activities.

Ten unexcused absences may result in loss of credit for a semester course while fifteen may result in dismissal from school. (This ties in with middle and high school for the semester block schedule. Twenty unexcused absences may result in loss of credit for a full year course while thirty may result in dismissal from school. (This ties into the elementary as, all of their classes are year long classes.

The school principal, not the parent, determines whether or not the absence will be excused.

When applicable, students who are absent shall obtain assignments through the school's web-reporting system or via direct contact with their teachers through email.

If a student was notified prior to his/her absence of an impending test or assignment, it is the student's responsibility to have the completed work and/or be ready for the test upon return. Exceptions may be made with the approval of the teacher involved.

In cases of a planned absence, the parent or guardian must complete, submit, and gain administrative approval through a Request for Prior Approval of Absences Form that is available in the Administrative Office or on line. The submission of this school form does not guarantee excused status.

TARDINESS

Tardiness is defined as arrival to school or class after the appropriate start time. It is the responsibility of each student, with the support of parents/guardians, to be on time to school and to each class.

The SJS School Day is defined as:

Locker Bell 7:45 A.M.

Prayer & First Period Bell 7:50 A.M.

Classes Follow

Normal Dismissal 3:00 P.M.

Wednesday Dismissal 2:00 P.M.

The OLOL School Day is defined as:

Prayer & First Class Bell 7:45 A.M.

Other Classes Follow

Normal Dismissal 2:50 P.M.

Wednesday Dismissal 2:10 P.M.

A student who is tardy must report directly to the office. All tardies will be considered unexcused unless excused by the principal or his designee. An unexcused tardy can result in that student receiving a zero for all the work missed during the tardy period including homework for that class. Excessive tardiness prompts a Disciplinary Referral. Teachers will report all class tardies and report to the office by the end of the day.

Additionally, the following consequences will be administered per semester:

At SJS:

Tardy #1-----warning

Tardy #2-5-----detention during morning break

Tardy #6-----one-day in-school suspension and a Disciplinary Referral.

There shall be a \$25 per day charge for each day of in-school suspension.

At OLOL:

Tardies are handled by the individual teacher and administration.

VACATIONS

Vacations or family trips are not recognized as a valid excuse for absences. Please refrain from taking vacations during school time. Students are discouraged from taking extra time off before or after the scheduled school breaks. Absences for this reason will not be excused.

ILLNESS DURING THE DAY

If a student becomes ill during the school day, he/she should report to the office. A Student will not be allowed to stay in the sick room more than 15 minutes without parent/guardian contact. After the allotted time period, the office staff will contact the parent and arrange for the student to be released.

EARLY DISMISSAL

Students are expected to be present in school for the entire day. An early dismissal from school is considered an exception made for serious reason. Parents/Guardians must submit a written request if a student needs to leave before the scheduled dismissal. Due to safety and liability concerns, telephone requests for dismissal **shall not** be honored. The SJS parent &/or student or OLOL parents must present this written request to the office upon arrival at school in the morning. All students must be signed out by a parent/guardian in the office prior to leaving campus. Failure to do so will result in truancy.

Students must attend 100% of the instructional day in order to participate in extra-curricular activities and considered present, unless otherwise approved by administration.

Curriculum

All instructional materials have been carefully chosen to align with the Diocesan curriculum. Enrollment and acceptance in St. Joseph Catholic School indicate compliance with all choices of the instructional materials.

Homework

Homework is determined by the teacher of each classroom. It is a percentage of the grade for students that is calculated into their final grade.

Grading

A Diocesan grading scale has been implemented in order to provide Catholic school graduates with opportunities to 1) compete fairly for college scholarships, 2) compete fairly for college admission, 3)

remain eligible for extracurricular activities including but not limited to athletics, and 4) maintain our current level of expectation for receipt of a passing mark (70) in individual coursework/subjects.

PreK-2

M = Masters expectations of the grade level standards

P = Beginning to show progress towards grade level standards

I = Does not meet or experiences considerable difficulty with grade level standards

NA = Standard not addressed during this grading period

S = Satisfactory growth

N = Needs improvement

Grades 3-12

	GPA	GPA – Honors / Dual	GPA- AP Courses
A = 90-100	4	4.5	5
B = 80-89	3	3.5	4
C = 75-79	2	2.5	3
D = 70-74	1	1.5	2
F = < 70	0	0	0

Promotion, Transfer, & Retention

A student may drop a course only following consultation, approval, and written permission of the parent, teacher, and principal. The deadline for dropping a half unit course must occur prior to the start of the second quarter of such course, and, prior to the start of the third quarter for any full unit course. Course load and the overall number of study halls shall be a determining factor in the consideration of class drops. Excessive absences will also be considered. A child, freely selecting a course, will not be allowed to drop that course after the 1st week of the course. Students who fail courses must make up the course(s) failed in summer school, or in another manner as approved by the administration, in order to earn credit for the course. Students who fail a subject and attend the extended school program in the summer at St. Joseph earn a passing grade of 70 upon satisfactory completion of the course. When students retake a course, the grade earned from the retake replaces the former grade in that course.

A middle school student who fails two or more subjects (exclusive of PE/Health) is retained in the same grade level. The student may attend extended/summer school. If two courses were failed, then both must be taken in extended school. The principal makes the final decision regarding the promotion of any middle school student. Any course offered outside of St. Joseph Catholic School such as correspondence, virtual, etc. must be approved by the principal. Courses available at St. Joseph are not typically approved for offsite enrollment. Any student not meeting a minimum academic standard is ineligible for any co-curricular school offerings, including athletic participation.

For all grades seven through twelve, at the conclusion of each semester, student eligibility shall be based on: 1.) Being promoted to the next grade, if applicable, and 2.) Maintaining a combined 2.0 average (computed numerically or by Grade Point Average) or higher in all attempted course work. After the 1st & 3rd quarters or as deemed necessary, a probationary period may be established by the principal in order to assist an academically/behaviorally struggling student to reach an acceptable level of success in any class.

Grading is a means of reporting pupil progress and must be based on specific data gained from a variety of evaluative techniques: direct observation, pupil tests, pupil self-evaluations, interviews, and other methods. Grades should reflect student performance, specifically what student know and are able to do. All assessment of pupils is to be rooted in a philosophy which recognizes each student's individual worth and dignity. In cases where a student's performance on an assessment (test/performance task) indicates a grade less than 50, consideration should be given to re-teaching, retesting, and that the retest grade be recorded. If after re-teaching a student continues to perform at a level less than 50, then an instructional intervention should be implemented to determine if the current placement is appropriate.

In cases where a student fails to submit work (homework or other assignment), the student should be given an Incomplete (I) until such time as the work is submitted. After five school days of the original assignment, the grade may be reflected as a zero/no credit. If allowed to be made up, late assignments will count no more than 75% of the original grade. If a student continues not to complete and submit assignments, a parent conference should be held to discuss and identify if the problem is organizational or disciplinary. School and parents should work together to develop a plan to correct the problem. If after working together the student is unable or unwilling to complete and/or submit assignments, then the appropriateness of the current placement should be reviewed.

Meeting with parents should be in January to work on these issues referring to retention/promotion. In grades, 3-6 at OLOL retention will occur if a student receives below 70% in two of the major subjects (Reading, Math, or Language). In grades Pre-K - 2 assessment is based on the Mastery of skills in the areas of Reading, Language, and Math- in order to be considered for promotion a student must be operating on a level of M or P in the majority of skill areas by the end of the school year. The grading scale for Pre-K - 2 also include I- needs improvement and N- not applicable. In any of the above cases, the inability to perform (after re-teaching) and/or inability or unwillingness to complete and submit assignments, the school should make a concerted effort to assist the student in making adequate progress. However, if the concerted effort does not bring the acceptable result, the continued placement at the Catholic school must be questioned.

St. Joseph honors the scholarship, service, leadership, and character development of students in grades 10-12 through induction and continued membership in the National Honor Society. Students who meet the scholarship requirement will have an opportunity to complete a form detailing their accomplishments in and commitment to service, leadership, and character.

- * Scholarship Pillar: At a minimum, students must have a cumulative GPA equivalent to an average grade of ninety (90).

- * Service Pillar: This involves voluntary contributions made by a student to the school or community, done without compensation.

- * Leadership Pillar: Student leaders are those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.

- * Character Pillar: The student of good character is cooperative; demonstrates high standards of honesty and reliability; shows courtesy, concern, and respect for others; and generally maintains a clean disciplinary record.

Graduation Requirements

St. Joseph Catholic School participates in a Dual Enrollment / Dual Credit program in conjunction with Mississippi Delta Community College. This program allows eligible high school students to earn college credit and possibly high school Carnegie units for certain college courses completed. To receive high school credit, the course must be taught at St. Joseph Catholic School and be listed in the Articulation Agreement between St. Joseph and Mississippi Delta Community College.

Other courses may be taken but will be considered "Dual Enrollment." The requirements to participate are: (1) student must have completed 14 core high school units; (2) have a minimum grade point average of 3.0 on a 4.0 scale; and (3) have the recommendation from the high school Principal and/or the guidance counselor. A student with less than 14 units may be considered if he / she has a minimum ACT score of 30 or an equivalent SAT score, a 3.0 grade point average and the Principal's recommendation.

Certain ACT scores are required for taking English Composition and College Algebra. Students in the high school will be classified according to the number of credits earned as follows: freshman 0-6; sophomore 7-11; junior 12-18; senior 19 or more. Twenty-six (26) Carnegie Units are required for graduation. As mandated by the State Department of Education, students must meet all graduation requirements in order to participate in graduation exercises. High school students are expected to take seven credits annually. In limited cases a student may be approved for a maximum of one study hall per semester.

Academic Probation

Any student not meeting a minimum academic standard is ineligible for any co-curricular school offerings, including athletic participation. For all grades seven through twelve, at the conclusion of each semester, student eligibility shall be based on: 1.) Being promoted to the next grade, if applicable, and 2.) Maintaining a combined 2.0 average (computed numerically or by Grade Point Average) or higher in all attempted course work. After the 1st & 3rd quarters or as deemed necessary, a probationary period may be established by the principal in order to assist an academically/behaviorally struggling student to reach an acceptable level of success in any class.

Grades 4-6 Extra-curricular eligibility is based on quarterly academic performance and behavior. This includes but is not limited to passing of all course subjects, maintaining AR goals, etc. Any passing performance, for any quarter, that is below a "C" warrants probation as determined by the administration.

Academic Dishonesty

HONESTY IN STUDIES SJCS students are presumed to be honorable. It is expected that they reflect Christian ideals, attitudes, and values in their lives.

They are expected to:

- *Be persons of integrity and stand for that, which is right
- *Tell the truth and ensure that the full truth is known
- *Embrace fairness in all their actions
- *Ensure that all work submitted is their own
- *Respect the property of others
- *Ensure that others are able to benefit from the use of their own property.

In order to live out the virtue of honor we must treat all persons with great value and respect. Honor helps build a healthy strong community. SJCS is an institution in which learning for a purpose takes place. Useful and lasting learning does not occur unless the process which students go through to learn is an honest process that reflects their abilities as based on their own efforts. Progress that is founded on unsound learning, as is the case with cheating, is not genuine progress.

Cheating prepares a student for failure, not for success. In an academic institution, dishonesty serves to undermine the academic and intellectual integrity of the school. Actions that are considered cheating include but are not limited to the following: Plagiarism—copying the work or the borrowing ideas of another without giving due credit. The use of computer software or the Internet to generate materials presented as original work. Unacceptable testing behavior such as copying another's work, looking at another's paper, use of unauthorized notes or other materials, sharing information with another student, exchange of verbal or nonverbal signals, using electronic devices to transfer information to others or storing information on electronic devices to use on test. Copying homework or allowing homework to be copied.

When a teacher determines to his/her satisfaction that an act of academic dishonesty has taken place, the following steps shall be taken: Call to parents Issue a disciplinary referral, that cannot be retracted for any exemption qualification Amend that one grade to the lowest allowable mark, which cannot be made up or retested Multiple offenses shall be cumulative and shall result in suspension and/or expulsion

All teacher conferences must be requested ahead of time and scheduled during the teacher's non-instructional time. Administrative conferences are requested to be scheduled ahead of time, but drop-ins will be honored, if possible. The proper chain of command is to be used at all times. Student/parent to teacher or coach to AD (for athletics) to administrator to Pastor.

Library Policies

The St. Joseph Media Center is designated as a place for research, to sign out books, and to use materials to prepare for a class. It is meant to be a place for quiet work and research. The SJS library will be available during student break periods and student lunch periods as a place of study. No student should be sent to the library from a class without a pass from a teacher that clearly states why the student needs to be in the library at that time. On certain occasions the library will be closed if a class or activity requests the use of the library in advance. Students may check out books and materials for a specified period of time. If these are not returned on time, fines will be assigned.

Outstanding fines can result in the loss of library privileges, detention, and loss of student privileges. Criticisms of books or other materials deemed objectionable should be brought to the attention of the principal in writing. The principal may bring the objection before a committee of three staff members who shall review the materials in question and speak directly with the individual bringing forth the concern. The committee shall then offer the principal a recommendation for final disposition of the concern. The principal shall notify all parties involved in the decision regarding the decision and appeal process.

School Policy for Addressing Local School Issues

The Diocese of Jackson, in concert with the Office of Catholic Education and St. Joseph Catholic School, seeks to resolve concerns and complaints of students and parents whenever possible.

The most efficient and timely way to resolve such issues remains at the level of issuance.

1. Parents/students must first notify the school official wherein the conflict lies (i.e., teacher, teacher assistant, etc.).
2. If there is no resolution at that level, the parent/student should speak with the school administration, who will make every effort to obtain a solution.
3. Still, if the concern has not been resolved at the administrative level, the parent/student should contact in writing the pastor or canonical administrator for the school. Craig Mandolini's canonical administrator is Father Sanchez.
4. Finally, If the avenues described above have not yielded a resolution, parents should contact the Office of Catholic Education via email at education.office@jacksondiocese.org. Please be prepared to include the policy or procedural violation in the email.

Procedures

All students must enter and exit to and from the building using only authorized doors. Elementary students will be picked up and dropped off at the front entrances of the elementary wing. Middle and High School students will be dropped and picked up on the West side of the school in the student parking lot. The front entrance will be utilized once the school day is in session. Following these traffic

patterns help to prevent back up of vehicles at the beginning and end of the school days. Thank you for assisting the St. Joseph Catholic School campus in accomplishing a safe, efficient traffic flow and parking system utilizing the following rules:

1. Parking for all high school students shall be on the west side of the building. Students enter and exit through the gate on Princeton Drive.
2. Parking for all staff shall be in the front two parking lots with SJS teachers to the west and OLOL teachers to the east.
3. Reserved "visitor parking" spots shall not be utilized by students or teachers
4. Drop Off time is 30 minutes before school starts
5. Pickup time is 30 minutes after school ends
6. No parking is allowed in the traffic circles or driving lanes of the parking lots during school time or activities.

Pickup/Drop Off For OLOL AND Cars Carrying both OLOL AND SJS Students

1. All cars enter and exit through the front north gates, navigate the traffic circle and drop off/pick up at the OLOL entrance. Obey directions of the traffic guards
2. Cars then navigate the east traffic circle around the Virgin Mary statue and exit back on to VFW Road.
3. Cars should **NEVER** pass other cars in the traffic circles, parking lots or the pickup/drop off areas.
4. OLOL students that ride with SJS students that drive should be escorted in through the black iron gate or around front of the building to OLOL entry. After school, the SJS student should walk outside to OLOL entry to escort OLOL sibling

Pickup/Drop off For SJS Students

1. All cars enter and exit through the gate on Princeton Drive on the west side of campus. Obey directions of the traffic guards.
2. Drop off/Pick up students at the accessible curb at the black iron gate.
3. Cars should NEVER pass other cars in carpool line or parking lot. If your child is not outside ready for pickup, please park in a parking spot to wait so that the cars behind you may move along.
4. Cars then take the second left, circling back through the west parking lot and exiting the gate on Princeton Drive.
5. Students will walk and enter through the black iron gate. If it is closed (7:45am), then they must walk to the main front entry.
6. NO SJS STUDENT SHOULD BE PICKED UP OR DROPPED OFF IN THE FRONT TRAFFIC CIRCLE.
7. NO CAR WITH ONLY SJS STUDENTS SHOULD UTILIZE THE FRONT TRAFFIC CIRCLE AT ANY TIME 30 MINUTES BEFORE OR AFTER SCHOOL.

Attendance

The cornerstone of any academic community is consistent daily attendance. Therefore, students are expected to be in school, on time, every day school is in session. All school days are clearly noted on the official school calendar. Any student not in school 100% of the day, or leaving school prior to the close of the school day will not be allowed to participate in any extracurricular activities that day without administrative authorization. This includes but is not limited to competitions and practices, rehearsals, performances, and cheerleading. Regular attendance and promptness aid a student's academic achievement. Five or more unexcused absences in an academic year shall be reported to the Truancy Office. After the tenth unexcused absence, a second report to the Truancy Office is made. If seventeen years or older, a student is subject to be dropped from the school roll after twelve unexcused absences.

ABSENCES When a student is absent, parents/guardians must call the school office as early as possible. Upon returning to school from an absence, students must present a parent/guardian note to the office prior to being admitted to class. A single absence due to illness extending beyond three days requires a physician's excuse upon return to school. Cumulative absences totaling five due to illness necessitates that all future sick absences require a physician's excuse upon return to school. The excuse notes shall contain the following: Full name of the student, Grade, Date of absence, Reason for absence, Telephone Number, Parent/Guardian signature Excused status will be granted for the following reasons only: Illness / Injury, Death in the family, Court appearance Pre-arranged college visitation for juniors Pre-arranged college visitation for seniors (not during the 4th quarter) Serious vehicle issue; 1st occurrence only.

Unexcused absences include but are not limited to the following: Oversleeping, Absences for employment , Babysitting.

Absences for matters of convenience to the student or family Vacations Unexcused absences may result in the forfeiture of the opportunity to make up all missed work, e.g. class work, homework, tests, quizzes, etc., and forfeiture in participating in extra-curricular activities. Ten unexcused absences may result in loss of credit for a semester course while fifteen may result in dismissal from school. Twenty unexcused absences may result in loss of credit for a full year course while thirty may result in dismissal from school. The school principal, not the parent, determines whether or not the absence will be excused. When applicable, students who are absent shall obtain assignments through the school's web-reporting system or via direct contact with their teachers through email. If a student was notified prior to his/her absence of an impending test or assignment, it is the student's responsibility to have the completed work and/or be ready for the test upon return. Exceptions may be made with the approval of the teacher involved. In cases of a planned absence, the parent or guardian must complete, submit, and gain administrative approval through a Request for Prior Approval of Absences Form that is available in the Administrative Office or on line. The submission of this school form does not guarantee excused status.

TARDINESS Tardiness is defined as arrival to school or class after the appropriate start time. It is the responsibility of each student, with the support of parents/guardians, to be on time to school and to each class.

All tardies will be considered unexcused unless excused by the principal or his designee. An unexcused tardy can result in that student receiving a zero for all the work missed during the tardy period including homework for that class. Excessive tardiness prompts a Disciplinary Referral. Teachers will report all class tardies and report to the office by the end of the day. Additionally, the following consequences will be administered per semester: **ILLNESS DURING THE DAY** If a student becomes ill during the school day, he/she should report to the office. A Student will not be allowed to stay in the sick room more than 15 minutes without parent/guardian contact. After the allotted time period, the office staff will contact the parent and arrange for the student to be released. **EARLY DISMISSAL** Students are expected to be present in school for the entire day. An early dismissal from school is considered an exception made for serious reason. Parents/Guardians must submit a written request if a student needs to leave before the scheduled dismissal. Due to safety and liability concerns, telephone requests for dismissal **shall not** be honored. The SJS parent &/or student or OLOL parents must present this written request to the office upon arrival at school in the morning. All students must be signed out by a parent/guardian in the office prior to leaving campus. Failure to do so will result in truancy. Students must attend 75% of the instructional day in order to participate in extra-curricular activities and considered present, unless otherwise approved by administration.

Communication

Only parents may telephone the school in order to leave messages for students. Except for extremely urgent cases, no student is called from a class. Communication between students, parents, and school staff shall be through official school devices only.

Emergency Communication

St. Joseph Catholic School utilizes FACTS ParentAlert system for emergency communication. This will override any preference due to the emergency factor of a situation. Emails, text messages, and phone calls will be utilized.

Technology Matters

To foster a climate where technology enhances the classroom environment, certain guidelines must be established to protect the school, students, and infrastructure. The following guidelines have been established to ensure SJCS receives the greatest benefit from the considerable investment in technology. Absolutely no program will be installed on any student or teacher computer without the approval of the Technology Coordinator. Malicious use of the network to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system is prohibited. No use of the network shall serve to disrupt the use of the network by others; hardware or software shall not be destroyed, modified, or abused in any way. Hate mail, harassment, discriminatory remarks, and other anti-social behaviors are prohibited. Subscriptions to list servers must be pre-approved by the Technology Coordinator. Users may not create, remove, modify or attempt to modify any programs on a computer network or stand alone machine. Please take care of equipment. Users will be charged for equipment that has been damaged due to abuse. Users who abuse or willfully misuse hardware or software may face disciplinary action. Medication

All medication must be administered in the office, under supervision. These medications will be kept in the office available to the student before and after school, at lunches and during class changes. Special cases will need special permission. No medication is ever given by school officials without parent consent and/or doctor-prescribed directions. A bottle of Tylenol/Advil, or other over-the-counter pain reliever, can be placed in the office for student use. The bottle should be labeled with the student's name and the parent must write a note allowing the student to take medication on an as-needed basis. No student is allowed to give another student his/her medication.

The distribution of medication in the school setting must follow Diocesan Policy 5602: Administration of Medication to Students.

Behavioral Expectations

It is expected that all St. Joseph Catholic School students will conduct themselves in a manner consistent with the accepted norms of Christian values. Respect and love of others should be a dominant theme guiding all student interactions. Students should address faculty and staff politely, courteously, and respectfully in a spirit of friendliness and in an atmosphere of cooperation essential to an educational community. Students are reminded that the same courtesy should be extended to fellow students. Students are to conduct themselves at all times as Christian men and women. Each student will be judged on his/her own merit. Every effort will be made to treat each student as an individual.

We seek to work and teach as Jesus did, with love, compassion and understanding. However, we strive to have each individual understand that there are consequences for one's actions. In a school setting, good discipline creates and fosters favorable conditions necessary for learning and individual growth, within a safe, comfortable and secure environment. In the determination of honors bestowed upon students through the institution, an individual's conduct and disciplinary record shall always be of major consideration.

All students are EXPECTED to: Represent St. Joseph Catholic School with PRIDE and DIGNITY on and off campus at all times. Treat others as you would want to be treated. Accept people for who and what they are, not what you want them to be. Preserve the campus—keep it clean. Be actively involved in their education by:

PUNCTUALITY—PREPAREDNESS—PARTICIPATION. Follow the school's uniform policy. Make choices for success.

YOU ARE RESPONSIBLE FOR YOUR ACTIONS

Each student is expected to behave appropriately at all times, to respect the rights of others and to adhere to all classroom and school rules and regulations. Since every teacher has authority in their classroom, students must comply with all class rules as set forth by the teacher, as well as whatever disciplinary actions are imposed for noncompliance. When a teacher believes that a student's discipline problems have become disruptive, the student will be sent to the Principal.

The Superintendent of the school shall be authorized to modify the period of time for expulsion on a case-by-case basis. Such expulsion shall take effect immediately subject to the right of Christian due process, which includes the student's right to appeal to the Superintendent of Schools. It is the responsibility of all members of the school community to exhibit an active concern and care for the cleanliness and attractiveness of the school campus; therefore: Consumption of food and drink is confined to the cafeteria, unless otherwise authorized by school administration. The chewing of gum is not allowed on campus during school hours. All trash is to be disposed of properly.

Students are to keep their assigned lockers in good order at all times. **During the school day, no personal electronic devices or accessories are to be discovered on or in the possession of students without prior approval of the principal.** SJS students may store them in their vehicle or assigned locker through the duration of the school day. **LOL students shall turn all personal electronic devices into the office upon arrival and retrieve them upon departure each day.** If discovered, such items will be confiscated and turned in to the office. Prior to the start of the school day and after school, electronics may only be utilized in the front foyer or outside the school. Certain electronic devices may be utilized with the expressed permission of the teacher and under the teacher's direct supervision.

All confiscated items must be retrieved by the student's parent/guardian, after the established holding period. The first offense carries a \$25 fine and the device may be retrieved at the end of the day that it was confiscated. The second offense carries a \$50 fine and the device may be retrieved at the end of the day that it was confiscated. A third offense will result in a \$100 fine and the device will be held for the remainder of the school year. If the third offense occurs in May, then the device will also be held until the end of the first week of June of the same calendar year. Any public display of affection is not allowed. Students cannot have visitors on campus during the school day without the prior approval of the administration.

Approved visitors must wear an office-issued visitor badge. Any student in the company of a student violating a school regulation may be judged to be in violation as well and therefore, subject to the appropriate penalty. It is strictly prohibited for any student to display inappropriate behavior or to conduct themselves or react in a disrespectful manner toward any member of the administration, faculty, staff or visitors, on or off campus. Students and their family members are responsible for the good name of St. Joseph Catholic School.

Request for rescheduling a detention must be received in written form from a parent/guardian, prior to the date and time of the assigned detention and approved by the administration.

Suspension

Suspension as a disciplinary measure is used in situations where a student, by his/her attitude, speech, gesture, or behavior has indicated that he/she is not at present committed to the philosophy and goals of SJCS, thereby indicating the student’s inability or unwillingness to responsibly and fully participate in the St. Joseph Community. Suspension removes the student from the community for a period of time to reflect the student’s action.

Expulsion

Expulsion is the final disciplinary step a school may take. Expulsion, the removal of a student from the rolls of SJCS, is a serious matter. This method is used when no other methods have been effective or when the matter is of a serious conflict with the philosophy of the school. Reasons for student expulsion include but are not limited to the following reasons: Open and persistent defiance of school rules Willful damage to school/personal property Stealing and/or possession of another student's school articles and/or books Failure to maintain minimum academic achievement Words and/or actions motivated by racism or bigotry Possession and/or creation of pornographic pictures, objects and/or books Use, possession, and/or distribution of alcoholic beverages Threat of physical harm, abuse and/or assault toward any individual Use, possession, and/or distribution/sale of illegal drugs and/or drug paraphernalia and mood/mind altering substance and or any performance enhancers Disorderly, lewd, obscene, immoral, and/or offensive conduct Felony and/or misdemeanor offense

School Safety

Diocesan Regulation 5608

Upon notification of a credible threat of violence to a student, parent or employee by anyone connected to the school/center or others who are not part of the school/center community, the administrator shall immediately investigate the alleged threat. The investigation shall involve the person alleging the threat, the alleged perpetrator of the threat, parents, legal guardians or custodians (if the alleged perpetrator is a student), and any other witnesses to the threatening action. If the alleged threat is made against the principal, the superintendent shall conduct the investigation. Upon the determination that there is a reasonable basis to believe that the threat did actually occur, the following actions shall take place:

1. If the person making the threat is a student in the school, the student is to be suspended, according to the policies of the school and Diocese, until there is reasonable basis to believe that there is no danger to anyone's safety. If such threats occur a second time, the student shall be expelled according to the policies of the school and Diocese.
2. If the person making the threat is an adult, this person is to be informed of the legal consequences of his/her actions and appropriate local law enforcement officials shall be informed. The administrator and superintendent are authorized to take other action as appropriate under the circumstances and as permitted by law.

Per Mississippi Code, any student who possesses any controlled substance, knife, handgun, other firearm, or any instrument considered to be dangerous and capable of causing bodily harm, or commits a violent act on educational property shall be subject to automatic expulsion.

Search

For the security of one's possessions and for good order, it is highly recommended that SJS lockers should be locked and combinations kept as a private matter. Students are assigned lockers and are only permitted to use their own lockers. Students are not permitted to share lockers with other students. OLOL lockers should always remain unlocked. The care of the locker, inside and outside, is the student's responsibility. Locker decorations are allowed for special occasions. Poor housekeeping will result in detention. Prior to Christmas, Easter and the end of the school year, lockers are to be cleaned thoroughly. Since lockers are the property of the school, the school administration can have a locker check or repair occupied lockers at any time. A minimum \$25 locker damage fee will be collected from students whose lockers are damaged. All personal items including backpacks, purses, vehicles, etc. on school property also are subject to search. Backpacks or any belongings left in hallways will be confiscated. They are in violation of the fire code that requires hallways to be free of all materials that would interfere in case of evacuation. Any and all purses must be of a size that fully fits within the constraint dimensions of student desk under seat wire bin. SJS students may go to their lockers before and after each class, not during. At all other times students must have a pass from a school personnel to go to a locker. OLOL students may go to their lockers as deemed necessary by their teacher.

LOST AND FOUND OLOL & SJS maintain a lost and found area in offices. We will keep the lost object found for 30 days after which time, if not claimed, it will be donated to charity or disposed of.

Speeders and reckless drivers on campus or violators of motor vehicle regulations forfeit their right to operate a vehicle on campus. Students should not leave valuables visible in their vehicles. The school is not responsible for loss or damage to vehicles or their contents. The published traffic pattern for the streets and areas around the school is to be followed at all times for the safety of all. No loud or offensive music should be played from vehicles or other sources anywhere on campus when not related to an approved school event. Upon parking their cars in the morning, students are to promptly leave the vehicles and not return to them until dismissal, unless authorized. **SCHOOL PROPERTY** Each student is responsible for keeping the campus and school building neat and orderly. Students are financially responsible for any damages they do to school property. Students are not to be in the school building or on campus without the supervision of a faculty or staff member.

Alcohol, Drugs, and Weapons

The use and abuse of alcohol, tobacco products, e-cigarettes, Juuling devices and other drugs is a serious concern among adolescents. SJCS maintains and enforces policies and consequences in this regard.

- Through their Religion, Science, and Health classes as well as special programs, students are educated in these critical areas.
- St. Joseph conducts random, mandatory drug and alcohol screenings.
- Drug dogs conduct random searches of the classrooms, including student belongings, lockers, parking lots and cars.
- Random alcohol Breathalyzer tests are administered at all school-sponsored/endorsed dances.
- Use or possession of e-cigarettes or Juuling paraphernalia is strictly prohibited and punishable according to Diocesan policy. This is an offense punishable by possible expulsion.

SJCS enforces the following Diocesan Policy 5607:

The purposes of the Diocesan policy on substance abuse are:

- a) To provide the highest quality education by ensuring that no students are users of illegal drugs or are under the influence of drugs, chemicals or alcohol;
- b) To maintain a safe, healthy learning environment for all students;
- c) To reduce absenteeism and tardiness;
- d) To prevent injury to participants of school extracurricular activities;
- e) To prevent injury to those who drive vehicles on campus;
- f) To prevent injury to those who participate in work/study programs.

The use, possession, transportation, sale of illegal or non-prescribed drugs, chemicals, and/or alcohol, or the transfer of prescribed drugs is prohibited on school/parish property or at school-sponsored functions. It is also a violation to be under the influence of illegal or non-prescribed drugs, chemicals, and/or alcohol.

This policy applies to all students on school property, all students in school vehicles, and all students off school property attending a school function.

If a school reasonably suspects that a student is under the influence of drugs, chemicals, or alcohol either on the premises or at school-sponsored functions, it may require students to submit to a drug, chemical and/or alcohol test (see 5607R(b)). Regulations 5607R (a) through (e) apply to any drug, chemical and/or alcohol testing required by the school.

Random drug/ chemical testing the regulations contained within 5607R (d) will apply to all random testing.

The school shall require follow-up testing: 1) if at any time during his/her enrollment a student's drug test indicates any use of illegal drugs or alcohol or 2) if a student admits to the use of drugs or alcohol. For procedures regarding follow-up testing see 5607R(c).

Possession of any controlled substance on school property subjects a student to automatic expulsion as stated in Mississippi Statute §37-11-18.

Any student involved in the use and/or abuse of drugs, chemicals and /or alcohol must receive counseling and continued assessment from a licensed drug/alcohol counselor PRIOR to and after readmission to the school. The student will be placed on probation and required to sign a contract approved by the Superintendent of Schools.

All elementary and secondary schools in the Diocese shall provide programs for prevention of substance abuse in their curriculum.

5607R (a) Guidelines

The following are the Diocesan regulations concerning substance abuse:

- (1) The sale, possession, transfer, use, or purchase of illegal drugs, controlled substances, or non-prescribed drugs will be reported to appropriate law enforcement officials.
- (2) No prescription drug will be brought on school premises by any person other than the student or the parent/guardian of the student for whom the drug is prescribed. Prescription drugs may be used in the manner, combination, and quantity prescribed only with the administrator's knowledge and the required form.
- (3) Non-school related use, possession, transportation, or sale of illegal or non-prescribed drugs, chemicals, and/or alcohol resulting in investigation, arrest and/or conviction, excessive absenteeism, tardiness, inferior performance, an accident, or a failure to meet school expectations is a violation of this policy.
- (4) Any student who refuses to take or cooperate with the procedures for the administration of a drug, chemical and/or alcohol test within one hour of leaving the school with his/her parents will be subject to discipline, including immediate expulsion.
- (5) Any student who refuses to comply with testing, who tampers with a drug, chemical and/or alcohol test or who in any way fails to cooperate with an investigation into possible

violations of the Diocesan Substance Abuse Policy will be subject to immediate removal from school premises.

(6) If a student's mental or physical abilities are impaired in such manner that the school determines the student is unable to function in a safe or responsible manner, the student must have a parent or guardian pick him/her up and transport the student from the premises to the testing facility. If no relative is available within a designated time period school officials will make appropriate provisions for testing. If the student is hostile and/or leaves the premises against the better judgment of school personnel, appropriate law enforcement officials will be notified.

(7) The school reserves the right to conduct personal searches of a student's locker, vehicle and effects located on school property or when attending a school-sponsored event when it reasonably believes its substance abuse policy has been violated. Entry upon the school's premises by students will be deemed to constitute consent by students to personal searches. A copy of these regulations, and the Mississippi Drug and Alcohol Testing law can be obtained from the Superintendent's office.

Any violation of the aforementioned regulations will subject a student to discipline, up to and including immediate expulsion.

5607R (b) Reasonable Suspicion Testing

Reasonable suspicion is defined under this policy as the belief by the school that a student is using or has used drugs, chemicals, and/or alcohol in violation of Diocesan policy. Reasonable suspicion testing may be based upon:

- (i) Observable phenomena, such as direct observation of drug, chemical, and/or alcohol use and/or the physical symptoms or manifestations of being under the influence of any of the above;
- (ii) Abnormal conduct or erratic behavior while at school, absenteeism, tardiness, or deterioration in school performance;
- (iii) A report of drug, chemical, and/or alcohol use provided by reliable and credible sources and which has been independently corroborated;
- (iv) Evidence that an individual has tampered with a drug, chemical and/or alcohol test during his/her school enrollment with the school;
- (v) An accident or injury at school or while attending or participating in a school related function, or information that a student has caused or contributed to an accident while at school or while attending or participating in a school related function, regardless of the extent of personal injury or property damage; and
- (vi) Evidence that a student is involved in the use, possession, sale, solicitation, or transfer of drugs, chemicals, and/or alcohol while on school premises or while operating its vehicles, machinery, or equipment, or while participating in a work-study program.

If there is reasonable suspicion that a student is using or has used drugs or chemicals or consumed alcohol in violation of Diocesan policy, that student will be required to submit to a drug, chemical and/or alcohol test.

In the majority of situations, the Superintendent of Schools must approve, in advance, all reasonable suspicion drug testing. In instances when the Superintendent cannot be reached, the Principal and/or the Pastor have the authority to initiate testing. In the case of reasonable suspicion of alcohol use, the Principal has the authority to initiate breath analysis or saliva testing.

Any student whose test results indicate any use of drugs or alcohol or whose test results are confirmed positive for drugs, chemicals, and/or alcohol will be subject to disciplinary consequences, up to and including expulsion.

5607R(c) Follow-up Testing

If during the course of his/her enrollment a student's test indicates any use of illegal drugs or alcohol or if the student enters a drug, chemical and or alcohol rehabilitation program, the student will be subject to periodic testing at the parent's expense as a condition of continued enrollment in a Catholic school. Refusal to submit to follow-up testing will result in expulsion.

All follow-up testing procedures adopted by the school must meet the prior approval of the Superintendent of Schools.

5607R (d) Random Testing

The Educational Institutions of the Diocese of Jackson adopt and incorporate the procedures and guidelines set forth in the Mississippi Drug and Alcohol Testing Law. Miss. Code Ann. §§ 71-7-1 et seq. All students who participate in any extracurricular activities, any work/study programs, or who have the privilege of driving a vehicle on campus or to school functions will be subject to random testing. Further, the school may reserve the right to conduct pre-enrollment testing of prospective students. These procedures will be enforced uniformly with respect to all students.

The Superintendent of Schools will confirm the random selection process used by each school. A list of all eligible students shall be submitted by the Principal to the Office of Catholic Schools each year.

5607R (e) Implementation of Testing Program

- (1) All information, interviews, reports, statements, memoranda, and test results, written or otherwise, received by the school through its drug and alcohol testing program are confidential communications, and will not be released except under circumstances allowed pursuant to the aforementioned drug and alcohol testing law.
- (2) Before testing, a student will be allowed to provide notice to the school of any current or recent use of prescription or nonprescription drugs.
- (3) The following include some of the types of drugs or chemicals for which the school might test: Amphetamines, Barbiturates, Cannabinoids (Marijuana), Cocaine, Opiates, Phencyclidine

(PCP), Methadone, Methaqualone, Propoxyphene, Benzodiazepines and other drugs/chemicals that the student is suspected of using.

(4) All initial positive drug test results will be confirmed by a gas chromatography/mass spectrometry test of the same sample originally tested. All initial alcohol tests will use breath analysis or saliva testing. Confirmatory alcohol testing will be completed by blood sample analysis.

(5) Any student who receives a positive confirmed drug chemical and/or alcohol test result may contest the accuracy of the result or explain the results within ten days of the date of such result by filing a written statement with the Superintendent of Schools. A student, at his or her own cost, also may request that the specimen be retested at a certified laboratory.

(6) Any student who receives a positive confirmed test result and who fails to present a satisfactory explanation for the result, or who fails to present a contrary result from a certified laboratory of the student's own choosing, will be subject to discipline, up to and including expulsion.

Service Hours

Students:

An integral part of the overall philosophy and focus of St. Joseph Catholic School includes fostering the spiritual dimension of the students and staff. The spiritual life of our students is developed through the religious education classes, school-wide liturgies, weekly Masses, retreats and special programs. Class retreats are scheduled annually and are mandatory. Should a student miss his/her class retreat, the principal and religion teacher will determine a remediation plan.

Of the many ways in which a person learns, perhaps the most meaningful, is learning through action. The Sacred Scriptures remind the faithful to serve one another. High school students must complete 25 service hours each year, and middle school students must complete 10 hours each year. Service commitments must be completed in order to receive credit in religion classes. These hours must be documented by a supervisor and approved by the religion teacher.

Parents :

Parents must work at least three athletic or school events each year. **Parents who do not uphold their end of the bargain will pay at \$150 fee for parent participation.**

Parents will have to sign up for events and check in with an Irish Family or an Athletic Association member.

Extracurricular Activities

ATHLETIC PARTICIPATION AGREEMENT

The St. Joseph Catholic School athletic program is a dynamic and integral part of the educational experience. Dignity and respect for each individual are basic Gospel values taught in the SJCS curriculum. Athletics are an important way of teaching young men and women to cope with life in competitive circumstances and also reflect Gospel values. Participating students, parents, and other adults, in our athletic settings are expected to model mature and responsible Christian behavior. Our Catholic model of play focuses on preparing well, playing hard, while always caring for our school and teammates. We are called to play within the rules and participate so as to never humiliate others.

We ask that we all remember our respective through interscholastic competition:

- ✓ Players Play
- ✓ Coaches Teach
- ✓ Officials Officiate
- ✓ Parents Support

At St. Joseph we pledge to:

- 1- Remain Catholic Christian during all competition
- 2- Treat ALL with respect
- 3- Never confront officials or coaches regarding game situations or playing time amounts

St. Joseph Catholic School's interscholastic play is governed by the Mississippi Association of Independent Schools. The organizational rules may be found in the *Academy Athletic Conference Handbook* and may be found by going to www.msais.org, clicking Athletics at top of the web page, and then clicking AAC on the left tab.

I hereby give my permission for my child to participate in interscholastic competition during the athletic season. Further, I authorize the school to provide emergency treatment of an injury to, or illness of my child, if qualified medical personnel consider treatment necessary. This authorization is granted only if I cannot be reached and a reasonable effort has been made to do so.

My child and I are aware that participation in athletic competition is a potentially hazardous activity. I assume risks associated with participation in this sport, including, but not limited to falls, contact with other participants, or other reasonable risk conditions associated with the sport. All such risks to my child are known and understood by me.

At a later time, other required forms for participation must be executed: Student Physical, Emergency Notification Card, Insurance Information, and Concussion Information.
