4. DETAILS

The GV competition calendar

The Competition calendar for Gymnastics Victoria ALP Events is released at the start of every year.

Gymstar events are not finalised until May as clubs usually apply for those events later in the year, but they are also published as soon as they are confirmed.

Early into Term 1, we advise families of which events we will be entering and where the event is located. We advise families to keep the entire weekend free until the dates and times are advertised.

Unfortunately, it is impossible for GV to publish exact days and times for events until after the entries close which around 4 and a half weeks prior to an event. The host club is then given 2 weeks to organize their work order.

Entries and payment

You will be sent a link to enrol your daughter and pay before the open date of the competition. Failure to enrol by this date may result in your daughter being unable to compete.

Refunds

Each competition has an entry closing date, withdrawals before this date is at the discretion of the host club.

After the closing date withdrawals and refunds from competitions can only be requested with a medical certificate and will incur an admin fee, determined by the host club, as well as a \$10 Admin fee from Niddrie Gymnastics.
