

Government & Commercial Facility Services in Georgia

WOSB-certified, SAM.gov-registered janitorial and facility services contractor serving Middle Georgia agencies, housing authorities, municipalities, and prime contractors for over 25 years.

ELB Cleaning Service LLC is a WOSB-certified, SAM.gov-registered facility services contractor headquartered in Middle Georgia. For more than 25 years we have delivered janitorial, floor care, and post-construction cleaning to government agencies, housing authorities, municipalities, prime contractors, and commercial property managers. Our UEI and CAGE code are active in SAM.gov, and our NAICS 561720 registration positions us for federal, state, and local procurement. We are E-Verify enrolled and carry general liability insurance and bonding that satisfy public contracting requirements. Every engagement is documented, supervised, and performed by vetted crews.

Procurement officers and prime contractors can verify ELB Cleaning Service LLC through SAM.gov using our UEI and CAGE code, confirm our WOSB certification, and review insurance, bonding, and E-Verify documentation on request. Our NAICS 561720 classification covers janitorial services for commercial and institutional facilities, and our past performance spans housing authorities, municipal buildings, and commercial portfolios across Middle Georgia. We respond to RFQs, RFPs, and IDIQ task orders with precise scopes, transparent pricing, and documented quality control. Request our capability statement or submit a contracting inquiry to begin.

- Janitorial services for federal, state, and municipal facilities across Middle Georgia
