

## COS In Community

By Pat Le Roy, Photos courtesy of Leslie Antos

***"And now, Father, send us out to do the work you have given us to do, to love and serve you as faithful witnesses of Christ our Lord"***

A joint worship service held at 10 am Sunday, September 7<sup>th</sup> served as the platform to kick off the program year 2025-2026. The successful Open House event showcased several ministries and activities happening at COS.

The Threads of Connection display was the culmination of the survey results gathered recently, painting an impactful picture of the external volunteer work done by parishioners in our community. The display will remain in the Narthex for the next several weeks. Please take time to check it out.

Adult Christian Life Formation

Racial Equity Movement
