Cultivating soil builds energy and health in the dirt itself so that everything connected with it might flourish. Cultivating love can work the same way in God's church. Cultivating love is the work of developing and enriching ourselves, our congregations, and our communities, so that love might flourish among us. Cultivating love is adopting those practices that draw us more deeply into God's story and into our relationship with each other. Cultivating love means being rooted in Christ, being grounded in grace, and being connected to our communities.

### ***Questions for Reflection:***

- In what ways have you seen or felt God cultivating love? For you?
- How might we cultivate love through the ways we show up with and for our neighbors?
- What are two to three ways that you can tangibly share God's love and cultivate love for others?

## **Prayer of the Day**

Loving God, in you, with you, and through you, we have come to know what love is. Yet, we do not comprehend the fullness of your love and we fail to show what we do understand of your love to our neighbors. Continue to love us and grow in us all the dimensions of your love so that we might sow your love wherever we go, with whomever we encounter through Jesus Christ, our Savior and Lord, who lives and reigns with you and the Holy Spirit, one God, now and forever.

## **HONORING OUR HIGH SCHOOL GRADUATES**

Our high school graduates, Addison Schliep, daughter of Dave and Linda Schliep, Ethan Magnuson, son of Chad and Shannon Magnuson and Delaney Brunswick, daughter of James and Tiffany Brunswick and were honored following the 10:15 church service on Sunday, May 3. Each graduate received a scholarship from their Church.
