SCRIP Rebate Designation Form for School Year 2026-2027

Purchases for this year will be covered from July 1, 2026 - June 30, 2027

Each family is asked to designate a child to receive 50% of the profit dollars generated by their scrip purchases which will be applied to school tuition at the beginning of the next school year. If you have more than one child, please list in order which children will receive rebates first, second, third, etc. The reason for this: if you have a child in 6th grade; they will most likely not be returning to Holy Rosary, so they will not receive the rebate – it will go to the general expenses of the school or one of your other children attending Holy Rosary School.

This form must be filled out in order to receive the rebate.

This form can only be filled out once a year and must be filled out every year.

You may return the form to the school office.

Student Name(s) (First and Last): _____

_____

_____
