WELCOME TO DARWIN

You've landed in the Top End —
and trust us, you've picked the right
place to start your Aussie adventure.

Your first week in Australia should be
easy, social, and unforgettable.

At Youth Shack Welcome Week, you'll meet
your people, get set up without the stress, and
experience the best of Darwin — waterfalls,
wildlife, sunsets, street art, and laid-back
city vibes.

Touch down, grab an Uber to 69 Mitchell
Street, and you're officially on your way.
(Keep the receipt — we'll sort you out at
reception.)

DARWIN. NT

DAY 1 - TOUCH DOWN & WELCOME BBQ

Check in, drop your bags, and meet the crew. We kick things off with a relaxed poolside BBQ – swims, cold drinks, good chats, and that first “I’m really here” moment.

DAY 2 - ADULTING, SORTED

We’ll help you knock over the essentials – TFN, SIM card, bank account – quickly and easily. Once that’s done, the day’s yours. Pool time, exploring the city, or discovering Darwin’s coffee scene.

DAY 3 - JET SKIS & SUNSET VIBES

One of those “you’ll talk about this forever” days. Jet ski across Darwin Harbour, take in the views, snap the photos – then roll straight into sunset vibes at the Waterfront.

DAY 4 - CULTURE, COLOUR & MARKETS

Street art, museums, hop-on buses, and stories of the Top End. Finish the day at the iconic Mindil Beach Sunset Markets— food trucks, live music, fiery sunsets over the water, and optional camel rides.

DAY 5 - LITCHFIELD WATERFALL DAY

This is why people come north. Swim under waterfalls, check out giant termite mounds, and picnic in Litchfield National Park. Pure Territory magic.

DAY 6 - CROCS & ICONS

Make it count. Get up close with real saltwater crocodiles at Crocosaurus Cove, then finish with lunch and fish feeding at Doctor Gully’s – a true Darwin classic.

DAY 7 - STAY OR GO

Not ready to leave? We get it. Stay longer, find work, or plan your next stop. We can help with jobs, flights, buses, accommodation, and whatever adventure comes next.
