

First Cultural Donation: Tax Credit for a Significant Cultural Donation

In order to encourage major donations to the cultural sector, the Government of Quebec offers an additional 25% tax credit for major cultural donations.

This measure was introduced in 2013 and remains in effect today.

The best time to donate is in December (the end of the fiscal year) since the tax refund will be available as early as the following April, meaning a wait of only four months.

Musica Orbium is a recognized non-profit organization and can, therefore, issue federal and provincial tax receipts under this program. Registration No. 87579 2020 RR0001.

Donations can be sent electronically to treasurer@musicaorbium.org

Donations must be between \$5,000 and \$25,000.

This can only be done once in a lifetime..

Here is an example for a \$5,000 donation:
