

Stellar MLS Solutions

We're more than your MLS—we're your partner that has curated solutions that empower you and your business, all included with your MLS subscription.

STELLAR CORE PRODUCTS

Matrix™

A leading MLS system designed to enhance your real estate experience with lightning-fast results.

Finding Homes powered by Lundy, Inc.

Makes real estate data accessible for visually impaired individuals through Amazon Alexa.

Hurdlr

Automatically tracks all of your mileage, expenses, income streams, and tax deductions in real time.

Global Referral Connect Powered by Immobel

Connects you with real estate professionals and helps you manage referrals from start to finish.

MLS-Touch

A premium mobile app that keeps you connected to listings and engaged with leads and clients.

OneHome Agent Portal

Lets you preview what customers and prospects see when they visit OneHome.

Premier by RISMedia

Access relevant and exclusive commentary about the real estate industry from top real estate pros.

Prospects CRM

Helps you build relationships and stay top-of-mind with your sphere, prospects and past customers.

Realist

Interactive mapping that displays boundaries, driving distances, market info, and other reports.

RentSpree

Provides tools for every step of the rental process to help you close deals faster.

ShowingTime

Automates the process of coordinating showing requests between the listing agent and the showing agent.

Skyslope Forms

Automatic tech pre-fills matching data fields in forms and automatically pulls in property data from the MLS.

Skyslope Offers

Offer management platform for comparing, organizing and communicating about listing offers.

TransactionDesk

Complete document management, listing upload, built-in electronic forms, document storage and e-signatures.

IO Reports by Local Logic

Be the local expert by providing clients with neighborhood and market insights.

Stellar Home Search

A consumer home search experience featuring listings from Stellar MLS and participating MLSs across multiple markets.

Rayse

Rayse isn't just a tool; it's a strategic advantage, designed to help you and your agents thrive in a rapidly evolving industry.

ADDITIONAL PROPERTY SEARCH PRODUCTS

Builders Update

Streamlines the search for new construction homes.

New Home Source

Simplifying the process for agents to locate new construction inventory.

HomePath

Simplifies the search for REO properties and the process of making offers.

MARKET AND LISTING DATA

iMAPP

Access to comprehensive tax roll data, parcel maps, and MLS information.
