Mission: To Elevate business prosperity and encourage healthy communities

The Vision: To Proactively Expand business opportunities through diverse and sustainable growth

The Cedar City Chamber of Commerce provides a variety of networking opportunities throughout the year including:

Monthly Luncheons: Our luncheons run from January through November and are held on the second Thursday of the month. At these luncheons you have the opportunity to learn, interact with businesses and professionals and develop beneficial relationships.

Annual Awards Gala: For over 70 years the Cedar City Area Chamber of Commerce has recognized individuals and businesses who strive to make a difference in our community. Nominations are submitted by the public and are then voted on by Chamber members. The winners are publicly recognized in grand fashion at this spectacular event.

Golf Tournament: The longest running golf tournament in Iron County has been taking place for over 70 years. This event brings business owners, managers, and other key professionals together for a fun-filled day of recreation and networking. Participating in the golf tournament is a tradition for many. This event fills up quickly so you'll want to reserve your spot.

Summer Expo: The purpose of the Expo is to showcase what our local businesses have to offer the community. The entire community is invited to participate in this event and learn about the local business in our region.

Pumpkin Festival : For almost 20 years the Pumpkin Festival has been a family favorite for many. Local businesses are able to provide a child friendly activity for a low booth cost and have a reach of over 500 local families.

Quarterly Economic Review Breakfast: Once per quarter we invite the community out for a delicious breakfast and a glimpse into what has been going on in our economy. We bring in a variety of speakers to provide insight on city, county, state, and federal issues. Participants will get a chance to interact with our presenters.
