Athlete Highlight

Emme Bryant, Sebastian River High School Volleyball & Lacrosse

"I've found peace and security through my faith, which has allowed me to become a better athlete, friend and Christian.

FCA has taught me how to glorify God through sports. Since being a part of FCA, I've been able to use my skills in a way that exemplifies my faith! FCA has also given me a community of well-rounded athletes that I know I can count on and surround myself with to strengthen my faith and journey with God.

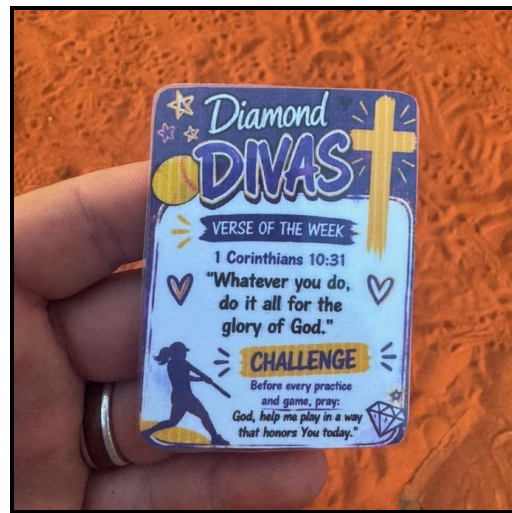

I believe it is incredibly important to have FCA on your team because it allows your team to come together as one and work towards a higher purpose. It reminds the team that the goal should be to ultimately glorify God. FCA is also an amazing way to introduce the gospel to teammates. In my experience, having FCA on my team has allowed us to build habits such as praying before games or going over verses that bring us closer to Jesus!!"

FCA Lions - Baseball

Our **Lions** have roared again! Congratulations to the **winners of the gold bracket** at their last two tournaments: Greater Orlando Baseball Tournament of Champions and the Greater Orlando Baseball Summer Slam. Way to go, Lions!

Diamond Divas - Softball

The **Diamond Divas** started their season which means they also started their team Huddle, led by Coach Alison.

The athletes receive a card with a weekly verse & challenge.

Join us as we pray that this weekly Huddle time would grow and strengthen the athletes' faith and commitment to Jesus Christ. Go Divas!

The 26-27 School year starts soon and that means... Fall School Team Huddles will be starting too!

What's a FCA Team Huddle?

It's a targeted Bible study time within a individual team setting that encourages and challenges team members to live and compete according to Biblical principles.

How can you get involved in an Indian River FCA Team Huddle?

You can adopt One! You choose which school and which team!

Adopting a Huddle means:

- providing financial support; either monetary or donating items, such as, drinks & protein bars, Bible study materials, t-shirts, etc.
- praying for the athletes attending and leading the Huddle
- visiting the Huddle to meet the athletes
- attending any of their home games to cheer them on!

Indian River FCA has Team Huddles in a local school near you.

Ready to say "Yes, I want to adopt a Team Huddle," or "I need more information," contact Nick Beaver, Area Director. nbeaver@fca.org
