2026 Power Camp

This month, students from our community flooded the campus of King's Baptist Church for **FCA Power Camp** — and it was incredible! Boys and girls, ages 7–13, laughed, learned, played hard and heard the truth that they are loved by Jesus Christ. Pray they find saving faith!

Power Camp Worship

We handed the mic to student leaders and the room came alive. They led the camp in worship every day, followed by a Bible message, also led by one of our camp leaders.

Power Camp Huddles

Every day, our campers gathered together to hear a simple, powerful truth: God loves

them, He made them, and He has a purpose for their lives. Huddles are led by student leaders.

Power Camp Activities

Power Camp was packed with energy. Campers took part in soccer, basketball, t-ball, volleyball, and many other sports and activities!

Leaders used every drill, every teamwork moment, and every victory to point kids back to faith, character, and what it means to be part of something bigger than yourself.

Power Camp Huddle Leaders Training

Our high school age leaders came together before the start of Power Camp for a time of training, getting in God's Word and building relationships with each other.

We were united around a shared mission of pouring into the lives of every camper they'll lead.

Our training was anchored in John 15:8. Our goal wasn't perfection, but fruitfulness. Showing up, loving well, and pointing young people to Jesus. Our leaders were awesome!

Coach Highlight

George Young, Master's Academy Baseball

"FCA has been an important part of my baseball team's growth as Nick has come out and brought fellowship to my team. It has helped my team learn more about the word of Jesus Christ in terms of everyday life and how important it is to keep Jesus Christ at the forefront of our lives.

FCA is a great bonding environment for all teams to be involved with. By having Nick in our organization at Master's Academy it has helped with my team's growth and development in Jesus Christ."

The **FCA Lions**, a U9 baseball team, is coached by Coach Young and Coach Baird.

The team is made up of 9 year old boys from different area schools. Their team competes in tournaments from Jupiter to Daytona. Their season runs from June through September.

Way to go, Lions; winners of the Silver Bracket in the Greater Orlando Baseball Tournament on June 10th!

The Diamond Divas

Two softball teams, 10U and 12U, make up FCA's Diamond Divas. Their season runs from February - June, playing in tournaments up and down the East Coast and in Orlando.

Coach Katelyn & Coach Sean (12U) and Coach Drew & Coach Kat (10U) use Joshua 1:9 to teach them to bounce back, keep working and to compete the right way every time.

Equipping Camp for Huddle Leaders - June 16-18

This camp, held for high school students from various schools, is designed to provide them with the tools, knowledge and spiritual training needed to serve effectively. The goal is to equip them for their ministry and leadership role as a **Huddle leader** for their team in the upcoming school year.
