PRAYER

O Blessed Mother, you received the good news of the incarnation of Christ, your Son, with faith and trust. Grant your protection to all pregnant mothers facing difficulties. Guide us as we strive to make our parish communities places of welcome and assistance for mothers in need. Help us become instruments of God's love and compassion. Mary, Mother of the Church, graciously help us build a culture of life and a civilization of love, together with all people of good will, to the praise and glory of God, the Creator and lover of life. Amen

Introduction

Pregnant and parenting moms in need are in our parishes and our neighborhoods. As Pope Francis reminds us, our parishes need to be “islands of mercy in the midst of a sea of indifference.”

Everyone in the parish community should know where to refer a mom in need.

Walking with Moms in Need, as established by the USCCB, is a nationwide, parish - based initiative to increase support for pregnant and parenting mothers in need. It works to ensure that any woman who finds herself unexpectedly pregnant or parenting in difficult circumstances, can turn to her local Catholic Church and be connected with the resources she needs.

This Resource guide serves as a tool to assist parishioners in walking with moms throughout the motherhood journey, offering them authentic Christian friendship and ongoing support.
