*Congratulations to Miss Bland who is getting married over the summer!

Tilney All Saints

Dolphins - Miss Jordan with Mrs Neal and Mrs Harvey
Penguins - Miss Barnes/Mrs B Allen with Mrs Alflatt and Mrs Moore
Otters - Mr Brockman-Smith with Miss Lawrence

The children in both schools will have a chance to meet their new teachers, and be in their new classrooms on Monday 13th and Tuesday 14th July during jump up days.

We're very excited at both schools that the wraparound care building work is being carried out! The mobile at Anthony Curton is being demolished and the brick shed at Tilney has been extended and now has a toilet, a ceiling, a fire alarm and heating! We are super excited that these projects are finally taking shape and we can't wait to see what the finished product look like!

We would like to say a huge thank you to an anonymous benefactor from Tilney who has kindly donated some money to our school, as they had fond memories of it from when they were young. We don't know who has given us this very generous gift, but we have used the money partly to build some new shade for the children outside.

With the brick shed being extended for wraparound care, it was necessary to knock down the old pergola that was standing next to it. The donation that we received has made it possible for us to still offer the children some shelter on hot or rainy days. It's not quite finished yet, but it will be available for the children to use soon.

We will be saying a very sad to Mrs Bocking at the end of this term. Mrs Bocking is going to retire to spend more time with her family, in

particular her grandchildren. We hope Mrs Bocking has a wonderful retirement and enjoys every minute of it. She will definitely be missed at both of our schools as she is always a smiling and welcoming face in all the classes that she is in. We hope that Mrs Bocking will still come back and visit us, so we may still see her around!

I would like to take this opportunity to thank ACFA and FOSA in both schools, who have worked behind the scenes throughout the year for our children. The children benefit hugely from this as they get opportunities that school wouldn't be able to provide. The parents on these teams give up their free time and often donate lots to school out of their own pockets. We are hugely appreciative of everything that you do, you put huge smiles on our children's faces - thank you!
