

The Anthony Curton and Tilney All Saints Primary Schools' Partnership

JOINT COLLECTIVE WORSHIP POLICY

Context

- As church schools, Collective Worship is an important and integral feature of the Schools life, and a positive focus of its ethos and values

Approved Spring 2022

Review Due Spring 2025

Signed on Behalf of the Local Governing Body

- All pupils are entitled to a daily act of collective worship
- Collective Worship should be identifiably Christian based including multicultural aspects of Christianity in Britain and around the world.
- Parents have a right to withdraw their children from Collective Worship on religious grounds.
- Collective Worship should be inclusive with regard to background, ethnicity, gender and ability.

Objectives

Our objectives are to give children the opportunity to:

- Think about how they see themselves and how they see and treat others.
- Encounter a variety of Christian beliefs and practices.
- Have time and space for stillness, reflection and prayer.
- Develop a growing awareness of the concept of Spirituality
- Respond to beauty, awe, wonder and joy.
- Respond to situations that are sad, and to empathise with those in unhappy situations.
- Respond to world events, as they affect ourselves and others, e.g., war, famine.
- Develop concentration and self-control.
- Develop a sense of responsibility and commitment to our school community and begin to understand their place in a wider community of village, country and world.
- Affirm the aims and values of the schools.
- Be involved and enjoy the experiences offered.

Themes

Themes are planned ahead in half term blocks with a different focus each week.

The themes will be based on the focus of Worship for the Diocese of Ely yearly calendar.

Themes are based on messages reflecting the school ethos, promoting good values, encouraging responsibility to family, friends and community, feelings and reflection.

The Bible (stories from both testaments) are always incorporated into the theme plans.

Assembly Format

The theme for the week is established at the beginning of the week and developed daily during the other assemblies in the week. A time for reflection and/or prayer is always included as is a Key Question. Themes are based on those taken from the Ely Diocese support for schools website. The Collective Worship section takes place daily, and always takes priority, even when other areas are covered in the assembly, (e.g., notices, song practice, celebrating good work). The Collective Worship part is made special by clearly creating a quiet time and space.

Ideas

- Visual aids – pictures, artefacts
- Music, singing.
- Role play
- Stories, poems.
- Children's work.
- Personal experiences.

Involvement of Pupils

Children are actively encouraged to be involved in the planning and preparation part of Collective Worship

- Singing
- Individuals play learned instruments (piano, recorder)
- Leading prayers (and / or write their own).
- Readings – Bible extracts, poems, own work related to theme.
- Acting part of the story
- Whole class assembly
- Collective Worship Team- Older children from both schools form a team whose roles include planning, preparing, delivery and evaluation of Collective Worship.

The Collective Worship Environment

The Hall is mainly used for collective worship. There is a special wallboard which the children face, which is dedicated to Collective Worship depicting Christian themes.

Children are encouraged to focus on the stained glass windows, which depict the four patron saints of the UK, if it helps them during the period of reflection.

Visual aids and icons are used to assist with reflection.

Visitors

Visitors are welcomed and encouraged to contribute to Collective Worship.

If necessary guidance will be provided by the school.

Parents are invited to celebrate a range of acts of Collective Worship on a regular basis:

Which include:

- Autumn: Harvest, Remembrance, Christingle, Christmas Service, nativity play, carols
- Spring : Easter Service, Candlemas
- Summer : End of year Service Annual Partnership Celebration

Links with the Church

- Some of the above services and events take place in the local churches.
- One of the Vicars conducts Collective Worship in both schools on a regular basis.
- When possible children visit the Churches on other occasions, e.g., singing during the Church Carol service.
- When possible, members of the Church community are welcomed and positively encouraged to visit and be involved in school activities.

Links with Other Curriculum Areas

Assemblies are separate of R.E. lessons.

Themes are often taken up in classrooms and around the schools. We believe the Christian ethos of our schools is part of our whole culture, not just an assembly subject.

Withdrawal from Collective Worship

If a parent asks for a child to be withdrawn from Collective Worship, the schools exercise their duty of care: the child sits in an area supervised by an adult. The schools are not responsible for providing alternative worship arrangements.
