

Year 2

Summer Newsletter

Welcome back. We hope you all had a fun filled Easter break and are ready for the exciting summer term ahead. .

PE

P.E. will continue to take place on **TUESDAY** and **FRIDAY** each week.

We ask that children attend school in their PE kits on these days. If your child is attending an after-school sports club, outside of these days- we ask that they attend school in uniform, with their PE kit provided to change into as needed.

Attendance

We're continuing to focus on supporting excellent attendance for all our pupils, as we know how important it is for learning and wellbeing. If your child's year to date attendance drops below 96%, class teachers will be in touch to offer support and see if there's anything we can do to help. We really value your partnership in this and appreciate all you do to ensure your child attends school regularly.

Our learning this term:

Maths: Fractions, Measurement and Statistics.

Wider Curriculum:

English: The Legends of King Arthur.

Summer 1: **Music**- Gamelan

Science: Materials and Matter, Astronomy

Summer 2: **Computing**-

RE: How do people welcome a new person to their community? (Christian and non-Christian worldviews)

Relationships and Sex Education

This term we will be covering the final units of the Year 2 R.S.E curriculum. Topics here include: Relationships and Sex- which will look at different relationships within families and different family dynamics.

Drug education- which focuses on medicines and household substances, how they can be useful, as well as safety and possible risks. If you would like further details, a copy of the questions we will cover can be provided on request.

Trips

We are excited to offer the opportunity for children to attend two trips this term. Further information about these will follow in due course.

If you have any concerns or queries, please feel free to contact us either via the office or at:
