

Year 4 Half-Termly Newsletter

Dear Parents and Carers,

Welcome to our first Year 4 half-termly newsletter. We're delighted to share what's coming up, as well as a glimpse into the learning taking place in class.

Events Coming Up Next Week

Holkham Hall Trip – Tuesday

Year 4 will be heading to Holkham Hall for an exciting day of learning and exploration. Please ensure children arrive promptly and are dressed appropriately for the weather.

Fab Science Day – Wednesday

ACFA have organised a brilliant science-themed day packed with hands-on investigations and experiments. It promises to be a highlight of the week.

Year 4 Learning Workshop – Thursday at 2.30pm

Parents are warmly invited to join us for our Learning Workshop. This is a lovely opportunity to see the children's work and take part in some classroom activities together.

Learning in the Classroom

English

We continue to enjoy reading *The Miraculous Journey of Edward Tulane*. At the moment, Edward is a scarecrow — and not at all impressed with the company of crows. The children have been captivated by the story and are producing thoughtful responses in class.

Maths

Our Can-Do Maths approach is helping every child feel confident and successful. The structured format is working brilliantly, and we are currently focusing on measuring and the key facts that support this topic.

Topics Still to Come

Over the next few weeks, we will also be exploring:

- **Japan**
- **Julius Caesar**
- **French**
- **Using Media in Computing**

The children are already showing great curiosity and enthusiasm for these upcoming units.

Dates for Your Diary

Sports Day – 25th June (afternoon)

- Parents are welcome to join us for an afternoon of friendly competition and fun.

Ollie Day Road Safety Performance – 29th June

- A valuable and engaging session to help children learn how to stay safe on the roads.

Thank you for your continued support. Year 4 have had a brilliant start to the half-term, and we look forward to sharing more of their achievements with you soon.
