## PASTOR'S LETTER

*"You are the salt of the earth...You are the light of the world". (Mt 5: 13-14)*

**Dear parishioners of Pope St. John XXIII parish family,**

Welcome you warmly to the fifth week of the Ordinary Time. As we reflected last week on the Beatitudes, the liturgy of the Word today invites us to reflect on how to live concretely the beatitudes in our daily lives. The first reading invites us to share, shelter, and cloth the needy. The Gospel today asserts the same theme in calling us to be the salt and light to the world. We as Christians are expected to bring glory and honor to our Creator and God, by living an exemplary life, thus drawing the rest of humanity towards our God in worship.

Speaking about the feeding and clothing, I wish to thank all our generous parishioners and the volunteers at the food bank. We are able to serve the needy neighbors because everyone assisting us with your time, energy and resources. We feed and clothe thousands every month. With your generous donations, we can even do much more. Therefore, I request you to be salt and light of the world, following Jesus' teaching, let us be ready to support in whatever way possible.

At Saint John of the Woods, we will celebrate a special Mass for unity and healing on the Feast of Our Lady of Lourdes, February 11. The Mass will be held at our regular Wednesday time, 9:30 AM. This feast is especially meaningful because of its strong connection to healing and care for the sick. In 1992, Pope Saint John Paul II designated this day as the World Day of the Sick, inviting the Church to pray in a special way for those who suffer. Immediately following Mass, we will have one hour of Eucharistic Adoration. This is a sacred and intimate time—just you and God—after receiving Holy Communion, the eternal food for our souls. I warmly invite you to remain in prayer, draw closer to the Lord, and place all your intentions, hopes, and needs before Him.

At our St. Rita's church, we have fundraiser lunch next Sunday, I urge you to reach out and help our small community, as they are working hard to raise some funds to refund the vandalized heat pump. The eucharist celebration starts at 1 pm and is immediately followed by the lunch. I also thank and appreciate all the members of St. Rita's church in taking initiative to care for the facilities. The Vietnam community is very busy with the Luna New Year preparations that are coming up next week. I extend the invitation to all the members of Pope St. John XXIII faith community. You are most welcome to join the celebrations to experience the different culture and traditional celebrations. My prayers for all the volunteers who work tirelessly to make this event a great success.

This week, you will see envelopes labeled "2026 Open Your Heart Appeal." This appeal supports the PREPARE Ministry, a compassionate outreach and promise of our Church to care for mothers, fathers, infants, and children in need. I kindly invite you to offer your support by placing your donation in the envelope and returning it in the collection basket. Additional information about this appeal will be shared in the weekly parish email. Thank you for opening your hearts and supporting this important ministry.

We are also beginning the season of Lent by the 18th of February. Those who wish to return their palms from last year in order to prepare them for the Ash Wednesday, please do so at the earliest. We need time to burn them and prepare them for our celebrations.

As we progress in the Partners in the Gospel, I thank and appreciate the hard work of our PFAC committee members, at the same time I also urge you to cooperate with them by responding to their sessions at different locations, so that they would be able to come up with the future plans for our parish. Assuring you all my prayers, I request you for the same for our parish and all the upcoming events.

Sincerely yours in Christ,

Fr. Tuan Nguyen, D. Min - Pastor

#### Feast of Our Lady of Lourdes

The feast day of Our Lady of Lourdes is celebrated on February 11 each year. This date marks the first apparition of the Virgin Mary to Bernadette Soubirous in 1858, where she revealed herself as the Immaculate Conception. The feast is significant for its connection to healing and the sick, as it was established by Pope John Paul II as the World Day of the Sick in 1992. The Sanctuary of Lourdes invites pilgrims to gather in prayer and seek spiritual healing, making it a major pilgrimage site for many.

You are welcome to Saint John of the Woods for this special Mass.

## STEM Academy DESIGNING OUR FUTURE

Pope St. John XXIII STEM Academy is embarking on an exciting new chapter. We are proud to present the executive summary of our new strategic roadmap, Designing Our Future: 2025–2030, the result of survey engagement, collaborative reflection, and framed around research based best practices for highly-effective Catholic Schools. Rooted in 100 years of excellence and legacy in South Tacoma, this strategic plan readies our school for growth into the next 100 years. The final document, which will guide our path forward, was developed over a year by our dedicated planning committee representing parents, benefactors, teachers, parish leadership and other community stakeholders, together with expert guidance from the consultants and co-collaborators at Meitler, a firm renowned for its five decades of service to Catholic education nationwide.
