Dear PSJSTEM Community,

It is emotional for me to share with you that I will not be returning to PSJSTEM next school year. I will be serving as the principal at All Saints Catholic School in Puyallup. This year completes my ninth year at PSJSTEM and I think it is healthy for our school community and for me, to allow for new leadership to impact the school. PSJSTEM is a special place. The nurturing environment, the respect for diversity, and the authentic support of the pastor, make PSJSTEM an meaningful and inspiring place to work.

PSJSTEM has a strategic plan completed, a supportive pastor, and several other systems that will ensure clarity and cohesion for future school leadership. PSJSTEM will continue to grow and thrive as a result of having fresh leadership and new light.

I am grateful to PSJSTEM for many reasons. You supported me and my family, you maintained an attitude of service to others and served as builders of a community of faith. You were patient and saw dignity in all people. These traits will provide a strong environment for a new school leader to step into.

I believe that this decision will support our school's ongoing growth, to introduce a fresh vision and new leadership traits. I will be available to assist Fr. Tuan with the transition to new school leadership. I look forward to celebrating a successful end to this school year with all of you. I will sincerely miss everyone.

With gratitude and prayer,

Marc Nuno
