

# B-Drive™

## Screw Drive System

Enhance your system with iNTREPID's  
B-Drive™ Screw Drive System

## Self-Retaining Screw Drive System

Retainability 100%  
Eliminate Screw Toggle  
Increase Driver Life

Retaining feature securely engages the screw to the driver for maximum retainability. iNTREPID's design also allows for a reliable straight wall drive which eliminates screw toggle while increasing the life of the driver.

Contact iNTREPID ORTHOPEDICS for more details on licensing this upgrade for your system.
