Birmingham United Soccer Association (BUSA) is a full-service soccer club whose goal is to serve all who want to play soccer within our local communities, the state of Alabama and beyond. It is our goal, through the beautiful game of soccer, to teach our players proper life values of hard work, determination, accountability, and sportsmanship. BUSA currently serves over 9,000 kids annually from the Birmingham area and beyond. BUSA hosts thousands of games each season with teams from at least 12 different states. Since 2006 BUSA's estimated economic impact in the Birmingham area is over $100 million.
