Our Mission

Providing exceptional funeral care to our community from generation to generation through compassion, education, and personalization.

Sol Levinson's has been family owned and operated since 1892. Each family's needs are handled with an emphasis on the details and personal attention they deserve. With several generations actively involved, the Levinson family oversees every aspect of each funeral and demands the level of excellence expected by our families.

Levinson's has three locations in order to best serve our families:

Pikesville Funeral Home and Arrangement Offices: Provides a location for meeting with families and holding funerals, bereavement support groups, and other programs.

Columbia Arrangement Center: Allows us to meet with families who live in Columbia and surrounding areas to make arrangements for services at locations throughout Howard County, as well as hold bereavement support groups and other educational programs.

Annapolis Arrangement Center: Allows us to meet with families who live in Annapolis and surrounding areas to make arrangements for services at locations throughout Anne Arundel County, as well as hold bereavement support groups and other educational programs.

Sol Levinson's provides an exceptionally high level of service to our community.

Below are services that are available to your family, and are included as part of our commitment to provide value to our funeral services.

24 Hour Availability — Regardless of the time or the day you call, you will speak directly with a member of Levinson's staff, and one of our funeral directors is always available to speak with you.

Circle of Friends Aftercare and Grief Support — In these challenging times, we understand that coping with the loss of a loved one can be overwhelming. We're here to offer our support through our Aftercare Program, Circle of Friends+, which provides essential assistance in estate planning and grief support to help guide your family through this difficult journey. We will be sending you resources, via text and email, to help your family navigate this emotional period.

Website — Our website is an invaluable tool for our community. It has become the place people look for funeral information, such as the funeral time, location, cemetery, contribution information, shiva location and details, as well as the ability to leave condolence messages. Beyond specific funeral service information, our website is a place to find resources for anything related to funeral services in general.

Webcasting — With friends and family living all over the country and the world, not everyone is able to attend a funeral service. If a funeral service is held in one of our chapels, Sol Levinson's offers the ability for people to watch the service as it is happening. A link to view the service can be placed on our website, or provided privately to the family.

Yahrzeit Email Reminders — Remembering a loved one's yahrzeit date every year can be difficult due to the differences between the Jewish and English calendars. Every email address the family provides will be registered to receive a yearly reminder one week before the yahrzeit date. To add an email address to receive these reminders, please call or email us at any time.

Shiva — Levinson's will deliver and pick up many of the items families need for shiva. Included are the mourners' chairs, folding chairs, coat rack, prayer books, yarmulkes, shiva candle, and acknowledgement cards.

ADVANCE PLANNING

It is never too soon to have a conversation with one of our Advance Planning Specialists. Our goal is to provide you with all the information you need, answer any questions you may have, and allow you to make the best decisions for yourself and your family.

There are many benefits to advance planning:

- ◆ Ease the decision-making burden on your family at an incredibly difficult time
- ◆ Lessen the risk of family conflict and ensure your wishes are followed
- ◆ Allow your family to focus on grieving and healing, and not the finances
- ◆ Spend down assets for Medicaid

Advance planning is a gift to your family. Learning about the options will allow you to make educated decisions, considering both your preferences and the needs of survivors. The cost to you is approximately one hour of your time, with no obligation to prepay.

To schedule an appointment, please ask your funeral director. You can also go to the Advance Planning section of our website for our online appointment scheduler. We make arrangements in our Pikesville, Columbia, and Annapolis arrangement locations, by Zoom, or by phone. If you don't see a day or time that works for you, please call our Advance Planning department at 410-653-9908 or email planahead@sollevinson.com. We have a great deal of flexibility and will make every effort to accommodate your schedule.
