Hot tea

Il nostro è specialty coffee: caffè selezionati e tostati per esprimere il loro carattere naturale.

Per questo possono presentare note diverse — cioccolato, frutta o fiori — e talvolta una piacevole acidità.

Non è un difetto, ma una qualità: ogni tazza ha un gusto unico, come accade nel vino.

Our coffee is specialty coffee: carefully selected beans roasted to highlight their natural character.

You may notice different notes — chocolate, fruit or flowers — and sometimes a pleasant acidity.

This is not a flaw but a quality: every cup has its own unique taste, just like wine.
