Little Warriors

Little Warriors is DUFC's introduction to the game for U6 and U7 players, focused on creating a fun, engaging environment where young players build confidence and comfort with the ball.

Little Warriors is the first step in the Denver United player pathway, helping our youngest players begin building the skills, confidence, and understanding they will need as they grow into Academy and eventually Classic soccer. Through age-appropriate training, players are introduced to strong technical fundamentals, teamwork, decision-making, and the expectations of a structured soccer environment—all while keeping the experience fun and encouraging a genuine love for the game.

- NCYSA age groups are based on a school-year cycle from August 1 to July 31, replacing the previous calendar-year system.
- Little Warriors adjusts its seasonal age range to ensure all U6 players are included while still keeping players aligned with their NCYSA regulated age group as they progress through the program.
- Purpose: This aligns players with their school-grade peers, reduces social disruption, and supports long-term player development.
