

DUFC Club Policies for North Lincoln High School Facility Use

This policy applies to all DUFC players, parents, guardians, spectators, coaches, team managers, volunteers, and staff while attending a DUFC activity at North Lincoln High School.

Our continued ability to use this location depends on our entire club respecting the areas and facilities that have—and have not—been made available to us.

1. GRASS FIELD ACCESS ONLY

DUFC IS AUTHORIZED TO USE THE DESIGNATED GRASS SOCCER FIELD ONLY.

Participation in a DUFC activity at North Lincoln High School does *not* provide permission to access or use other school grounds, athletic facilities, fields, equipment, or buildings.

All DUFC participants and spectators must remain within the areas necessary to:

Designated Parking Area → Approved Access Route → Grass Soccer Field

Unless specifically authorized by North Lincoln High School or DUFC staff, all other areas are OFF LIMITS.

2. TURF FIELD & STADIUM — STRICTLY OFF LIMITS

DUFC players, coaches, parents, siblings, and spectators are NOT permitted on the turf field or other NLHS Facilities and Fields.

This restriction applies at all times, including:

- Before practice
- During practice
- After practice
- While waiting for another player
- During breaks
- When the turf, softball, or baseball fields are empty
- When gates or entrances are open
- When no school team is using the facility

An open or unused field does not give DUFC permission to enter or use it.

Players should never use the turf, softball, or baseball fields to warm up, kick a ball, play while waiting for practice, or take a shortcut to another area.

3. ALL OTHER FACILITIES ARE OFF LIMITS

Unless DUFC receives specific authorization otherwise, no other North Lincoln High School athletic or school facilities may be used by DUFC participants or families.

This includes, but is not limited to:

- Turf field/stadium
- Baseball fields
- Softball fields
- Tracks
- Courts
- School buildings
- Soccer or athletic sheds
- Storage areas
- Athletic equipment
- Other practice or competition fields
- Any other school or athletic facility not specifically designated for DUFC use

4. DESIGNATED PARKING ONLY

DUFC families, players, coaches, and spectators must park only in the parking area designated for DUFC use.

Please do not:

- Park in other athletic or school parking areas.
- Drive or park on grass or athletic surfaces.
- Use unauthorized areas for player drop-off or pickup.
- Block gates, driveways, fire lanes, entrances, or access points.
- Relocate barriers, cones, gates, or other items to access another parking area.

Players should be dropped off and picked up from the designated area and use the approved route between the parking area and grass field.

5. ARRIVAL & DEPARTURE

Players and families should arrive only as necessary for their scheduled DUFC activity.

Upon arrival:

Park in the designated DUFC parking area and proceed directly to the designated grass soccer field.

Players and siblings should not roam the school grounds or use other athletic facilities while waiting for practice to begin or end.

Parents and guardians are responsible for ensuring children attending with them also comply with these restrictions.

6. PLAYER & FAMILY RESPONSIBILITY

Every DUFC member and family shares responsibility for protecting the club's relationship with North Lincoln High School.

Parents and guardians should review these expectations with their players and any other children attending DUFC activities with them.

Players must follow instructions given by:

- DUFC coaches
- DUFC staff
- Team managers
- North Lincoln High School personnel
- Lincoln County Schools personnel

If a coach or staff member directs a player or spectator to leave a restricted area, that instruction must be followed immediately.

7. COACH & TEAM RESPONSIBILITY

Coaches and team managers should reinforce these restrictions with their teams, particularly at the beginning of the season and when new families join.

Coaches should not conduct warmups, conditioning, drills, meetings, or other team activities anywhere outside the designated grass field without prior authorization.

DUFC equipment should also remain within the approved use area and should not be stored in or around school athletic facilities without permission.

8. WEATHER OR FIELD CLOSURE

Permission to use the grass field is subject to field conditions and school approval.

If the grass field is closed or unavailable, players and coaches may NOT move practice to the turf field or another area of the North Lincoln High School campus.

A closed grass field does not create permission to use another facility. The grass field may be placed off limits because of rain or flooding.

Any relocation or cancellation will be communicated by DUFC through the appropriate club channels.

9. FAILURE TO FOLLOW FACILITY RESTRICTIONS

These requirements are not optional club preferences. They are intended to ensure DUFC operates within the facility access granted to the club.

Failure to follow this policy may result in:

- Immediate removal from a restricted area.
- Removal from the facility.
- Restriction from attending future activities at the location.
- Additional action by DUFC when repeated or intentional violations occur.

Most importantly, violations can affect the entire club's ability to continue using North Lincoln High School.

The Rule to Remember:

DUFC is authorized to use the designated grass soccer field only.

NO TURF FIELD.

NO STADIUM.

NO BASEBALL OR SOFTBALL FIELDS.

NO SCHOOL BUILDINGS OR ATHLETIC FACILITIES.

NO OTHER FIELDS OR AREAS.

DESIGNATED PARKING ONLY.

If an area has not been specifically designated for DUFC use, do not enter or use it.
